5. **Urgent business** (Pages 2 - 3)  
To consider the attached addendum report.

**Planning Committee**  
**Wednesday 7 September 2016**

**Addendum Report**

**Item 9 – P16/V1468/FUL – 11 Frilsham Street, Sutton Courtenay**

Update

The following statement has been made by Councillor Gervase Duffield in an email received on 26 August 2016;

“As local member, I am not taking sides in this issue, but I consider there is enough in the objections to merit objectors a hearing before the full committee, since a planning request which originally concerned just one house has been transformed into a two house application, and with the planning unrest in the immediate vicinity from the Redrow application, it is only fair to allow objectors their say to the committee”.

**Item 10 – P16/V0992/RM – Land off Packhorse Lane, Marcham**

Update

Conditions 3 – 8 listed on page 32 of the agenda are already covered by conditions imposed on outline application P16/V0644/O. If members resolve to approve the application it is recommended that only the following conditions are imposed:

1. Time limit for reserved matters
2. Approved plans

**Item 11 – P15/V3042/O – Marcham Village Institute and Anson Field, Marcham**

Two further letters of support have been received.

**Item 12 – P16/V1281/O – 20 Meadow View Road, Kennington**

No Updates.
