Council

held in the First floor, 135 Eastern Avenue, Milton Park, Milton, OX14 4SB
on Wednesday 8 December 2021 at 7.00 pm

Open to the public including the press

14. **Progress on approved Council motions**

To note progress on the approved Council motions – **to follow**.

Council Report

Report of Head of Head of Policy & Programmes

Author: Michelle Wells

E-mail: michelle.wells@southandvale.gov.uk

Cabinet member responsible: Councillor Debby Hallett

Tel:

E-mail: debby.hallett@whitehorsedc.gov.uk

To: Council

Date: 8 December 2021

Council Motions Update – May 2019 – present

Recommendation(s)

- 1) For members to review and note the progress against motions agreed from May 2019 – present.
- 2) For members to note planning has commenced on how we may take a live version of this document forward on our website and/or increase accessibility of previously submitted motions and track their implementation as part of the Corporate Plan 2020-24 commitment to increase understanding and access to what we do, how we work and the decisions we make.

Purpose of Report

1. To review and note the progress against motions agreed from May 2019 – present and note that officers have started to review options as to how we may take a live version of the motion tracker forward on our website and/or increase accessibility of previously submitted motions and more effectively track their implementation.

Corporate Objectives

2. This work aligns to theme six of the Vale of White Horse District Council Corporate Plan 2020-24- Working in an Open and Inclusive Way, particularly, improving our use of technology to increase understanding and access to what we do, how we work and the decisions we make.

Update

3. The Insight and Policy service currently maintains a manual record of all motions agreed and routinely implements and follows up with relevant Heads of Service where activity, or a position change is required as a result of a motion.
4. Progress is recorded manually and reported to Full Council every six-months or on request.
5. Please see Appendix one – Council Motions Update – May 2019- present which members are asked to review and note.
6. It has been requested that officers explore options as to how to increase visibility of the motions submitted and progress against them outside of formal meetings.
7. Officers are currently reviewing options as to how best to meet this requirement for members.
8. Options under consideration include;
 - Taking forward a live version of the document in Appendix one on our website
 - Exploring additional functionality in the current Democratic Services IT systems
 - Exploring how we may maximise other systems that could more effectively increase accessibility and track implementation of motions

Climate and ecological impact implications

9. This report has no direct climate or ecological implications.

Financial Implications

10. None

Legal Implications

11. None

Risks

12. None

Other implications

13. None

Conclusion

14. For members to receive an update on the progress of previously submitted motions from May 2019-present and note that officers are undertaking work to review how to increase accessibility previously submitted motions and track their implementation as part of the Corporate Plan 2020-24 commitment to increase understanding and access to what we do, how we work and the decisions we make.

Vale of White Horse Council Motions – May 2019 to Present

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Page 4</p> <p style="writing-mode: vertical-rl; transform: rotate(180deg);">Vale M1</p>	<p style="text-align: center;">17th July 2019</p>	<p>Council notes that, given all possible routes through the government's chosen corridor, the Oxford to Cambridge Expressway will have a direct impact on communities, businesses, and the environment across the Vale of White Horse District. This council should therefore agree a position on this matter.</p> <p>Council notes with concern the lack of public consultation and lack of clarity from Government on proposals about whether an Expressway is the most effective way to enhance connectivity within the Oxford to Cambridge Arc and before Corridor B was chosen.</p> <p>Council notes that published evidence on similar road building schemes, such as widening the M25, led to increased car use without any benefit in terms of congestion or journey time after a few years.</p> <p>Council notes that the increased carbon emissions, damage to our countryside and biodiversity associated with road building would be significant.</p> <p>Council notes our recent declaration of a Climate Emergency and our commitment to reducing our carbon footprint through our policies, decisions and actions. The Expressway will have a serious negative impact on the achievement of climate change targets at a time when all public bodies are being actively encouraged to improve air quality and contribute to significant carbon reductions.</p> <p>Therefore, Council resolves to oppose the Oxford to Cambridge Expressway as proposed.</p> <p>Council requests that the Leader of the council, and members of the Cabinet, make our opposition to the road building scheme clear at relevant partnership meetings.</p> <p>Council requests that the Leader of the council write to the district's two Members of Parliament and to the Minister for Transport to make clear this council's position as set out above and to request that the following action be taken:</p> <ul style="list-style-type: none"> - That the Expressway proposal be abandoned; - That the estimated £3-7billion cost of the scheme to be invested instead into completing and enhancing phase three of the East-West Rail link and to local government to enhance cycle infrastructure and public transport; - That all new transport schemes proposed by Department for Transport be subject to full public consultation and environmental assessments be published from the beginning; - That the government prioritise rail and sustainable active travel when developing policy and awarding grant funding for infrastructure. 	<p>Vale are opposed to the Oxford Cambridge expressway</p> <p>The Leader of the Council will write to the Minister for Transport, Ed Vaizey and Layla Moran.</p>	<p>Letters sent and relevant officers advised and updated via team meetings and one to ones, to ensure that engagement with partners reflects this position.</p> <p>The Expressway has now been cancelled by HM Government.</p>	<p>Acting Deputy Chief Executive - Partnerships</p>	<p>Closed</p>

17th July 2019

Council notes the inspector's Report of the Examination of Vale's Local Plan Part 2, dated 25 June 2019. In his report, the inspector lists the four objectives of LPP2, one of which is to set out policies and locations for new housing to meet the unmet need of Oxford City.

Council notes that the inspector (in para 26) reminds us that the Oxfordshire Growth Board agreed a 'working assumption' that Oxford City's unmet need was 15,000 homes, of which Vale should supply 2200 homes over the plan period. He says (in para 28) that this 'working assumption' is to be 'confirmed or adjusted' through the examination of Oxford's Local Plan and the preparation of Oxfordshire's Joint Statutory Spatial Plan, which is currently in its early stages. He reminds us again (in para 92) that the additional housing requirement is a 'working assumption rather than definitive and warrants some caution in allocating sites in the LPP2'. There is no guidance or explanation of what this would mean in practice.

Council notes that Oxford City has submitted its Local Plan for examination, but the inspector has found some issues that require more work before it is ready to be examined in public hearings; he discusses the issues in his letter to that council (undated, but to be found on Oxford City's Local Plan examination website page). Inspector is concerned that the housing figures are based on figures in the 2014 SHMA, which are based on 2011 ONS population and household projections that 'are now a few years old' (page 2). He also points out there may have been double counting. Therefore, the housing need figure is questionable. This housing need figure 'could have a bearing on the level of unmet need which would have to be accommodated by neighbouring local authorities.

Council notes that LPP2 allocates 1200 homes at Dalton Barracks, for Oxford's unmet need. Dalton Barracks and the neighbouring village of Shippon are to be removed from the Green Belt for future housing development.

Council notes that para 137 of the NPPF requires Green Belt boundaries to only be modified under exceptional circumstances. The inspector for Vale LPP2 says (in para 29) that the housing required for Oxford's unmet need must be close to Oxford, and much of it is to be social rented housing. The inspector says (in para 55) that the number of houses to meet Oxford's unmet need, and the fact that they must be near Oxford, demonstrates there are exceptional circumstances to justify the removal of Dalton Barracks and Shippon from the Green Belt.

Council notes that CPRE wrote to the planning Inspectorate in May 2019 to object to the order in which Oxfordshire's Local Plans are being examined, citing rules in NPPF

It is this council's opinion that in order for Vale's Local Plan to be sound, the exact, evidenced number of houses that Oxford requires in order to meet its real need should be

The Leader of the Council will write to the Secretary of State, Ed Vaizey and Layla Moran regarding Local Plan Part 2 and Oxford's unmet need

Letters Sent and relevant officers advised and updated via team meetings and one to ones, to ensure that engagement with partners reflects this position. LPP2 was adopted in October 2019.

		<p>determined before Vale includes them in Vale's Local Plan Part 2. Oxford's assessment of its housing need must include evidence that Oxford City has done all it can to accommodate its own need, including evidence that the use of land for employment sites over housing sites is justified and lawful. There must be a public examination of the Oxford City Local Plan to definitely identify the unmet need (if any) to precede any adoption of neighbouring authorities' Local Plans to accommodate it. Until this is done, there are no exceptional circumstances to allow removal of Dalton Barracks and Shippon from the Green Belt.</p> <p>Council therefore requests the Leader of the council to write to the Minister for Housing, Communities and Local Government to:</p> <p>a. Let the Minister know that Vale is assessing its options with regard to the Local Plan Part 2 and of council's opinion as stated.</p> <p>b. Point out that in Oxfordshire the various Local Plans are not independent of each other. That fact should have been considered in the examination process by ensuring Local Plans that are part of another authority's evidence, as is Oxford City's Local Plan, are examined first. Current examination procedures are deficient.</p> <p>c. Point out that the Duty to Cooperate should include Oxford City's duty to have a clear evidenced housing target before asking its neighbours to help meet its need. This Duty to Cooperate should run both ways.</p> <p>d. Ask for the Minister's advice about how we should 'confirm or adjust' our Local Plan Part 2 once Oxford's unmet need is established, if our local plan is already adopted.</p> <p>e. Ask the Minister to explain to us how this Local Plan Part 2 can be considered sound and legal when the housing figures used are based solely on a 'working assumption' of Oxford's unmet need, the Plan allocates housing development in the Green Belt in clear contravention of para 137 of the NPPF, and the Plan removes Dalton Barracks and Shippon from the Green Belt without the exceptional circumstances that the regulations require.</p> <p>And to write to our two local Members of Parliament, explaining the situation and asking them for their support.</p>				
Vale M3	17th July 2019	<p>Council resolves to remove the current 'vision' of the council "taking care of your interests throughout the Vale with Enterprise, Energy and Efficiency" and develop a new vision statement that better reflects this council's priorities as part of the work on our new corporate plan.</p>		<p>A new vision statement has been created by Cabinet as part of the Corporate Plan 2020-24 development and will be communicated as part of that process. Officers advised and updated via team meetings and one to ones of the removal of the previous vision.</p>	Head of Policy & Programmes	Closed
Vale M4	9th October 2019	<p>Council notes that a hierarchy of organisations has grown up which influence regional development, some more accountable than others. These are collectively making increasing incursions into the decision-making abilities of elected local councils and placing significant growth demands on our districts.</p>		<p>All relevant officers advised and updated via team meetings and one to ones, to ensure that engagement with partners reflects this position.</p> <p>Position incorporated into recent consultation on the Oxford-Cambridge</p>	Deputy Chief Executive Partnerships	Closed

	<p>These organisations or bodies include:</p> <ul style="list-style-type: none"> • England’s Economic Heartland • The Oxford-Cambridge Arc Region • The Oxfordshire Growth Board (and associated Oxfordshire 2050 Joint Statutory Spatial Plan) • OxLEP (and the Local Industrial Strategy) <p>Council notes that officers and members attend meetings related to these bodies, and welcomes the opportunity for regional collaboration, as many of us share the same concerns, but wishes to update its formal position to assist those representing our district.</p> <p>This Council believes that development within our district must balance the needs of people and their communities, the environment and the local economy. Specifically, it should contribute to this Council’s (and the Government’s) commitment to carbon neutrality.</p> <p>It should be based on genuine consultation and demonstrable public support.</p> <p>It should ensure that infrastructure, both strategic and local, is in place to support development, with the aim of building communities, not just houses.</p> <p>This Council supports the following approaches in relation to regional economic growth:</p> <ol style="list-style-type: none"> 1. Planned development should demonstrate how it will help our economy move towards its zero-carbon target 2. Housing targets should be based on an up-to-date objective assessment of need 3. Planned housing should reflect the needs of the local community, offering a range of sizes and tenures including genuinely affordable housing to buy, and rent at affordable and social rates 4. Housing developments should be sited near to existing or proposed public, mass and active transport facilities, not based on ever increasing road traffic 5. Seek greater developer contributions to expand rail capacity and bus services and cycle paths 6. All housebuilding and other development should meet zero-carbon standards or better. 7. Strategic planning should reduce the need to travel by building homes near to employment sites 8. The priority for transport investment should be in the rail network (e.g. an electrified East-West rail, electrification of the Didcot-Oxford line, re-opening of Grove Station), improved bus (and similar) services, and substantial investment in ‘active travel’ – including cycle and pedestrian infrastructure - within and between settlements 9. Opposition to the proposed Oxford-Cambridge Expressway 10. Increasing biodiversity, protecting landscapes, capturing carbon naturally and increasing access for residents to green spaces 11. Genuine consultation with the public on the rate of growth and housing development to produce plans that 		<p>Arc Spatial Framework during October 2021.</p>		
--	---	--	---	--	--

		<p>carry genuine public support</p> <p>12. Genuine democratic accountability and scrutiny for any plans or strategies that come forward (i.e. we do not support basing spatial planning solely on the Local Industrial Strategy which faced no democratic scrutiny.)</p> <p>13. Spatial planning decisions to be informed by strong evidence</p> <p>14. Flexibility in plans and strategies in order to take account of changing circumstances and public opinion</p> <p>This Council is positive about working with other Oxfordshire authorities, regional colleagues and the Government to deliver growth where it is sustainable, and to provide housing that meets residents' needs. Strategies and plans to achieve this should be based on the above positions.</p>				
Vale M5	9th October 2019	<p>The Vale of White Horse District Council welcomes the progress made on climate change in as much as Environmental, Social and Governance issues are now recognised as a risk to the Oxfordshire Local Government Pension Scheme. However, it would now like matters to be taken further.</p> <p>Council requests that the Leader writes to the Chair of the Oxfordshire Pensions Committee asking them to consider as part of its new investment strategy for the Brunel Partnership investing in a passive low carbon fund, now that one is available, and that generates similar financial returns to the wider investment market.</p>	Letter from the Leader of the Council to the Oxfordshire Pension Fund	Letter sent and relevant officers who engage with the Pension Fund briefed.	Head of Finance	Closed
Vale M6	9th October 2019	<p>Council notes that Non-UK EU nationals are part of our shared communities. They are our husbands, wives, parents, friends and colleagues. They are an integral part of our vibrant and thriving district and local economy.</p> <p>Since 2016 EU nationals were promised again and again that "there will be no change for EU citizens already lawfully resident in the UK and [...] will be treated no less favourably as they are at present". After three years of living in limbo, their homes and livelihoods are yet again being threatened by the further uncertainty brought about by the prospect of a chaotic no-deal Brexit.</p> <p>Council recognises that some businesses in the Vale report that the uncertainty around Brexit is making it harder for them to recruit and retain staff who are non-UK EU nationals.</p> <p>Council notes that much work has been undertaken, and significant cost to the public purse, by this council and other public bodies to ensure it can maintain access to key services, should Brexit happen.</p> <p>But, according to the Home Office's June statistics, only a third of non-UK EU nationals had applied for Settled Status and many of them had been granted the inferior Pre-Settled. There is no way of knowing exactly how many EU nationals need to apply, leaving vulnerable non-UK EU nationals at risk of becoming unlawful residents. Lack of</p>	<p>Report to the Leader of the Council</p> <p>Letter to the Secretary of State</p>	<p>An open letter from the Leader of the Council to EU residents was published on the Vale of White Horse website and sent to all EU citizens in the district giving them advice on how to apply for settled status. There were 2662 letters sent.</p> <p>An officer group is in place to monitor Brexit activity and discuss any additional mitigating actions that may arise from service area risk registers.</p> <p>There is a dedicated website page for the EU Settlement Scheme - http://www.whitehorsedc.gov.uk/services-and-advice/community-advice-and-support/brexit-%E2%80%93advice-residents/brexit-adviceeu-national</p> <p>Promotional materials were displayed within reception area, signposting to local ID verification services and national guidance for EU citizens.</p> <p>A briefing note was circulated to members In January 2020 to provide an</p>	Head of Policy & Programmes	Closed

		<p>clarity regarding differentiating between EU citizens arriving before and after the UK's exit from the EU could lead to discrimination in the labour market and may prevent many from accessing the services that they are entitled to.</p> <p>Therefore, Council asks that:</p> <ol style="list-style-type: none"> 1. Officers prepare a report to the Leader (to be shared with all members) on what more the Council may be able to do to mitigate adverse impacts on the rights of non-UK EU nationals (including but not limited to, informing landlords and employers about immigration status and therefore avoid potential discrimination against non-UK EU nationals) 2. The Leader of the Council writes to the Home Secretary to ask that the current European Settlement Scheme is clarified by: <ol style="list-style-type: none"> a. Providing a clear deadline for application to the EUSS in case of no-deal exit from the EU b. Providing physical proof of settled status that can be used to access services c. Confirming that there will be no changes to the rights of settled non-UK EU citizens that they currently have by ratifying the Immigration Bill as primary legislation before the exit day 		overview of both national, Oxfordshire and council Brexit activity.			
Page 9	Vale M7	9th October 2019	<p>Council notes that the re-routing arrangements for scheduled closures of the A34 in southern Oxfordshire are creating a totally intolerable blight on the lives of many of the residents of Wantage, Charlton Ward and further afield. These closures, which typically operate between 10pm and 6am, re-route traffic on to the A338 and the A417. In the 3 months to the end of October 2019 closures will have occurred on 25 occasions. Council further notes that the consequence of these arrangements is to divert very high volumes of traffic, much of it heavy commercial, from a Designated Primary Route to minor roads, occasionally single lane, not considered suitable for heavy traffic in built up residential areas. Residents of impacted houses report that this creates intolerable noise, sleep deprivation and vibration and structural damage to properties, as many of their homes are only a matter of feet away from the highway. Council is also aware that the diversions create significant road safety issues, and that damage has occurred to Infrastructure and other vehicles.</p> <p>Council is aware that alternatives exist, including re-routing via a designated Primary Route or introducing a contraflow system on the A34 itself. Furthermore, Council is concerned that any future re-routing scheme may be ineffective due to increased use of satellite navigation systems which could risk the use of rat runs.</p> <p>Therefore, Council requests that the Scrutiny Committee consider including this matter in their work programme, noting that Scrutiny has the power to invite parties such as Highways England, OCC, Thames Valley Police, Kier Group plc and Wantage Traffic Diversion Group to attend any such meeting.</p>	Scrutiny Committee should consider adding this matter to its work programme.	Scrutiny Committee has added this issue to their work programme	Head of Planning/ Head of Policy & Programmes	Closed
	Vale M8	18th December 2019	<p>In the context of the Climate Emergency, this Council welcomes the Government's review of fracking and its</p>	Council commits to exploring planning policies which positively	Relevant officers advised and updated via team meetings and one to ones, to	Head of Planning/ Head	Open

		<p>potential environmental impacts. Council urges Government to move towards a position of banning fracking altogether. Quite apart from the many environmental concerns, developing yet one more carbon-based fuel flies in the face of our ambition to strive for carbon neutrality.</p> <p>Council notes that onshore wind is the lowest cost low-carbon technology currently available, yet the Westmill Wind Farm at Watchfield remains the only onshore wind farm in the whole of the Vale of White Horse. This situation is being exacerbated by the Government making their 'Contracts for Difference' funding available for offshore wind farms but excluding onshore.</p> <p>Council notes that, while Government has looked on solar energy production more favourably, there remains huge untapped potential within the Vale to generate energy through Solar PV.</p> <p>Council therefore commits to exploring planning policies which positively encourage all renewable sources of energy including onshore wind farms as part of the next Vale Local Plan and Oxfordshire Plan 2050.</p>	encourage all renewable sources of energy including onshore wind farms as part of the next Vale Local Plan and Oxfordshire Plan 2050	ensure that engagement with partners reflects this position and Cabinet Member for Planning Corporate Services and Transformation retains a focus on this in their regular meetings with officers – as do our Economic Development Team in discussions with OxLEP and others. Officers involved with the Oxfordshire Plan 2050 and Joint Local Plan workstream lead officers were also advised.	of Policy & Programmes	
Page 10 Vale M9	18th December 2019	<p>Council notes the International Holocaust Remembrance Alliance (IHRA) definition of antisemitism is the most widely accepted and recognized definition of anti-Jewish racism. It states that: Antisemitism is a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities.</p> <p>Council notes the All Party Parliamentary Group on British Muslims (APPG) definition of Islamophobia: Islamophobia is rooted in racism and is a type of racism that targets expressions of Muslimness or perceived Muslimness. Council notes that by using these definitions it helps understand, identify, and tackle antisemitism and Islamophobia.</p> <p>Council holds the right to freedom of speech and freedom of religion are fundamental but freedom of speech is not freedom to demonise, scapegoat and discriminate. Council resolves to :</p> <ul style="list-style-type: none"> - condemn all hate crimes and deplores the rise in hate crimes against members of the Jewish and Muslim communities in Britain - condemn all inflammatory rhetoric in political discourse: including antisemitic and Islamophobic tropes used by politicians and public servants. - adopt the IHRA definition of antisemitism in full and without amendment - adopt the APPG definition of Islamophobia in full and without amendment. - ask officers to update this council's equality policies to this effect 	<p>Adopt the IHRA definition of antisemitism in full and without amendment</p> <p>Adopt the APPG definition of Islamophobia in full and without amendment.</p> <p>Ask officers to update this council's equality policies to this effect</p>	<p>Motion forwarded to the Council's Equality Officer.</p> <p>Council policies updated.</p>	Head of Corporate Services	Closed

That the Leader write to relevant Ministers and local MPs: expressing this Council's support	Letters sent and relevant officers advised and updated via team meetings and one	Head of Legal & Democratic Services	Open

		<p>2. Recognises that 16- and 17-year-olds are knowledgeable and passionate about the world in which they live and are as capable of engaging in the democratic system as any other citizen.</p> <p>3. Notes that there is currently an unequal situation across the United Kingdom, with 16- and 17-year-olds having voting rights in Scotland and Wales that are not available to them in England and Northern Ireland.</p> <p>4. Supports the need for greater engagement with young people, leading to greater involvement of young people in the decisions that affect their community.</p> <p>5. Believes that lowering the voting age to 16, combined with strong citizenship education, would empower young people to better engage in society and influence decisions that will define their future.</p> <p>6. Believes that people aged 16 and 17, who can consent to medical treatment, work full-time, pay taxes, get married or enter a civil partnership and join the armed forces, should also have the right to vote.</p> <p>7. Recognises and supports the ongoing 'Votes at 16' campaign by the British Youth Council, the UK Youth Parliament and other youth organisations, supported by thousands of young people across the UK.</p> <p>8. Calls for 16- and 17-year-olds to have the right in all elections and referendums across the UK.</p> <p>Council therefore:</p> <ul style="list-style-type: none"> - Requests that the Leader write to relevant Ministers and local MPs: expressing this Council's support for the Votes at 16 campaign; calling for the extension of the franchise to 16- and 17-year olds in all elections and referendums across the UK; - and asks the ERO/ RO to consider participating in any pilot scheme. 	<p>for the Votes at 16 campaign; calling for the extension of the franchise to 16- and 17-year-olds in all elections and referendums across the UK</p> <p>Asks the ERO/ RO to consider participating in any pilot scheme</p>	<p>to ones, to ensure that engagement with partners reflects this position.</p>		
Vale M11	18th December 2019	<p>Council notes:</p> <ul style="list-style-type: none"> - that confidence and trust in both Parliament, the UK's democratic system and politicians has been falling for some time. - that the House of Commons and council chambers have long been unrepresentative of the votes cast by the electorate of the United Kingdom. - that the UK's First Past the Post voting system curtails voter choice, makes millions of votes ineffective, and leaves millions feeling unrepresented. <p>Council believes:</p> <ul style="list-style-type: none"> - that these factors have contributed to dangerous levels of distrust and disillusionment with our democratic process - that democracy is distorted and failed by the fact that, due to this system, barely half of voters now feel able to cast their vote for their preferred candidate or Party. - that it is essential that faith is restored in our democratic system and that the public see Parliament as fairly reflecting their views. - that our First Past the Post voting system is a significant barrier to restoring this faith and all but guarantees that the balance of opinion among the electorate is not reflected in Parliament and our council chambers. - that a system of Proportional Representation in which 	<p>That the leader writes to the relevant government minister and our two local MPs setting out our position and requesting that all elections be run using a form of Proportional Representation in which all votes count equally and seats match votes.</p>	<p>Letters sent and relevant officers advised and updated via team meetings and one to ones of the Councils position.</p>	Head of Legal & Democratic Services	Closed

		<p>seats match votes at all levels, including councils, and in which all votes count equally, would help to rebuild public trust by ensuring that political views are represented.</p> <p>Therefore: Council requests that the leader write to the relevant government minister and our two local MPs setting out our position and requesting that all elections be run using a form of Proportional Representation in which all votes count equally and seats match votes.</p>				
	18th December 2019	<p>"In March 2017 this council voted to support 'Better Oxfordshire'; a proposal to create a unitary authority.</p> <p>The unitary authority outlined in the 'Better Oxfordshire' submission was for a single authority based on the current County Council boundary. Oxfordshire County Council and South Oxfordshire District Council also took formal decisions to support the submission of this proposal.</p> <p>The proposal was sent to the Secretary of State for approval; however, no further action has been taken. The proposal was submitted under legislative provisions containing a sunset clause, which expired in March 2019, meaning that at this time the proposal is not under active consideration.</p> <p>However, over the past six months, Robert Jenrick MP, in his role as Secretary of State for Housing, Communities and Local Government, has spoken publicly about an approach that could mean the end of smaller District Councils. He has also committed to a new push for devolution and raised the potential for further local government reorganisation. Additionally, these themes feature in all the main political parties' General Election manifestos.</p> <p>In light of the above, with a new Council administration, and the significant financial uncertainty this council faces due to the delayed spending review, Council now wishes to clarify its position in relation to local governance models for Oxfordshire.</p> <p>Council therefore confirms that it:</p> <ul style="list-style-type: none"> • Recognises that much of the financial and economic data and analysis that underpinned the 'Better Oxfordshire' submission is now out of date; • Remains open to considering a new unitary proposal in principle, assuming it is able to secure appropriate local public support. A new unitary proposal may be based on a whole Oxfordshire basis as with the original unitary proposal or may differ, i.e., comprising different boundaries better representing local communities; and • Restates its opposition to a "combined authority" based on the Oxfordshire County boundary or a Mayoral lead authority model of devolution. <p>Council asks officers to ensure that any future unitary proposal impacting the Vale of White Horse:</p>	<p>Officers make contact with the MHCLG to explore the approach the new Secretary of State will take to any proposals for unitary based reorganisation</p> <p>A report on this matter is brought to full council, by the Chief Executive and Leader, outlining their understanding of the new Government's intentions by Summer 2020</p> <p>Officers bring forward proposals for the Vale of White Horse to consider a formal merger with South Oxfordshire District Council, with the same total number of District Councillors, creating a single district council based on their combined geography with increased financial resilience.</p>	<p>An SMT briefing paper was reviewed on 5 December 2019. It outlined the process and considerations for a merger proposal and provided some case studies from other Councils. MHCLG officials indicate that these criteria may change in the forthcoming White Paper.</p> <p>Visits to East Suffolk and Babergh and Mid Suffolk Councils were also made by the Acting Deputy Chief Executive – Partnerships, in January 2020 to discuss experiences of merging and attempting to merge.</p> <p>MHCLG officials have been contacted and a meeting between all Oxfordshire Leaders, CEs and officials held.</p> <p>A joint letter is to be sent by all Oxfordshire Leaders and OxLEP Chair to the SoSs MHCLG and BEIS requesting a meeting regarding options that may be possible within the forthcoming Local Recovery and Devolution White Paper.</p> <p>Outside of this process, MHCLG officials advise that individual requests or suggestions for structural change will not be considered at this time.</p> <p>A paper and report will be brought forward as soon as possible following any meeting that is held with the SoS or MoS and/or once the Local Recovery and Devolution White Paper is published, whichever is the sooner.</p> <p>Relevant officers are briefed on the Councils position and are engaging with partners and Government to make them aware of Vale's views regarding some of the outcomes any Unitary proposal should achieve.</p>	Chief Executive	Open

		<ul style="list-style-type: none"> addresses the significant financial challenge faced by local government, as evidenced within in our Medium Term Financial Plan and those of other Oxfordshire Councils; reflects a logical geography, delivers increased value for money; and creates a Council of an appropriate size, that can think and act strategically whilst ensuring meaningful decision making is brought closer to communities <p>Council requests that:</p> <ul style="list-style-type: none"> officers make contact with the MHCLG to explore the approach the new Secretary of State will take to any proposals for unitary based reorganisation; a report on this matter is brought to full council, by the Chief Executive and Leader, outlining their understanding of the new Government's intentions by Summer 2020; and officers bring forward proposals for the Vale of White Horse to consider a formal merger with South Oxfordshire District Council, with the same total number of District Councillors, creating a single district council based on their combined geography with increased financial resilience. 					
Page 13	Vale M13	12th February 2020	<p>Council notes the risks associated with modern life are significantly different from those of 1847 when the Town Police Clauses Act was passed, and even from those of the 1970s when the Local Government (Miscellaneous Provisions) Act 1976 came into force. Clearly, the legislation has not kept pace with developments, in particular with the way we use technology, apps, and mobile phones. It is difficult to facilitate a regulatory system when the legislation is based on the use of horse-drawn carriages and landline phones.</p> <p>There is also a lack of consistency across the legislation. For example, the law requires a person who takes bookings for private hire vehicles to be licensed but there is no similar requirement for someone who does the same for hackney carriages. This lack, apart from the potential for sensitive personal information to fall into the wrong hands, can make it very difficult to investigate allegations of improper conduct by drivers of hackney carriages. This could undermine public confidence in the licensing regime. In addition, it provides a mechanism for private hire operators who have lost their licence to continue in business. They simply move to only "operating" hackney carriages, and no controls can be placed on them at all.</p> <p>Examples of recent local issues include hackney carriage 'operators' who have pressured drivers to work excessively long hours with no proper breaks, and those who do not maintain their vehicles properly and continually present vehicles to testing stations which fail the test. The overriding aim of any licensing authority when carrying out its functions relating to the licensing of hackney or private hire drivers, vehicle proprietors, and operators is the protection of the public.</p> <p>The Oxfordshire district councils and the county council</p>	Letters from Leader of Council to Secretary of State and local MPs.	Letters sent and relevant officers advised and updated via team meetings and one to ones, to ensure that engagement with partners reflects this position.	Head of Housing & Environment	Closed

		<p>share information under a Joint Operating Framework, and there is a national register of revoked and refused licences operated by the National Anti-Fraud Network. However, this does not address situations where drivers have allowed their licence to lapse pending enforcement action at one local authority and apply to another authority without declaring that enforcement action or the previous licences held. Local authority prosecutions are not currently detailed on enhanced DBS disclosures and there are recent local examples of the councils only finding out about such prosecutions by chance and after the licence has been granted.</p> <p>Council therefore requests that the Leader of the council write to the district's two Members of Parliament and to the Minister for Transport to request that the following action be taken:</p> <p>1. The Government should move forward without delay on the three key measures recommended to achieve a safe service for passengers in the Taxi and Private Hire Vehicle Licensing Task and Finish Group report, namely:</p> <ul style="list-style-type: none"> - The introduction of a national taxi licensing database; - Some form of cross border enforcement for local authorities; - National minimum standards for licenses. <p>2. The Government should provide an update in respect of how they propose to deal with cross-border working;</p> <p>3. The Government should legislate to require any person taking bookings for more than one vehicle to be licensed as an operator, with national standards for the information recorded by licensed operators in respect of bookings”.</p>				
Vale M14	15th July 2020	<p>Council notes that when a councillor is asked a question or a follow up, the constitution states that the response should be published within five days. It is only right that all communications from ministers or government departments that either thank officers and councillors for their hard work on behalf of residents or bring up any shortcomings or failures of the council are published in a similar way. This seems only fair to our residents and would help us further abide to the principles of Objectivity, Accountability and Openness that The Nolan Principles demand.</p> <p>Therefore, Council requests that all future official central government correspondence to and from the Vale of White Horse District Council is published within five working days so that there is openness and transparency in how central government correspondence influences decisions we make for our residents and that any embargoed or confidential correspondence is circulated to councillors in the same timeframe.</p>	All future official central government correspondence to and from Vale of White Horse District Council is published within five working days (any embargoed or confidential correspondence is circulated to councillors in the same time frame)	Correspondence to/from HM Government is being added to the website on the official correspondence page. Vale M15	15th July 2020	That this Council recognises the excellent work of all local government staff across Oxfordshire during the COVID-19 crisis. Councils have worked together in difficult times, showing that organisational barriers to joint working can be overcome.	The Leader of the Council should continue working with other Oxfordshire Council leaders and OxLEP on the issue of local government reorganisation. A	The delay of the White Paper means that there is no clear, formal direction on HM Government's intentions regarding local government reform and devolution. This, therefore, will inhibit activities relating to	Chief Executive	Open

All Councils have gone the extra mile in delivering services to our residents that prioritise the most vulnerable. This has inevitably incurred additional costs.

This Council acknowledges the failure of additional Government funding to date to fully compensate for financial losses. We have a duty to respond to the national financial challenge ahead and to be open with residents.

All councils across Oxfordshire are now considering how they can balance budgets and protect frontline services. No Councillor nor party wants to see drastic cuts to vital Council services, but in some cases this may be inevitable.

Further to the motion passed at the December 2019 Council meeting, Council calls on the Leader to continue working with other Oxfordshire Council Leaders and OxLEP and start a conversation with residents and other stakeholders to consider possible options for a Unitary Authority or unitary authorities for Oxfordshire should the government bring forward the expected white paper on Recovery and Devolution later this year or the financial position of one or more council make this essential. Our priorities in any new structure would include; safeguarding and improving local services, moving decision making closer to residents, simplicity for residents, increased democratic accountability for elected members, greater transparency, and positive impact on the climate emergency.

conversation should be started with residents and other stakeholders to consider possible options for a Unitary Authority or unitary authorities for Oxfordshire should the government bring forward the expected white paper on Recovery and Devolution later this year or the financial position of one or more council make this essential. Any reorganisation should take account of Vale's priorities: safeguarding and improving local services, moving decision making closer to residents, simplicity for residents, increased democratic accountability for elected members, greater transparency, and positive impact on the climate emergency.

this motion. Conversations about the future of local government in Oxfordshire have, nevertheless, been held with other council leaders and OxLEP.

That this Council notes that the latest data show the number of COVID 19 deaths per 1,000 Care Home beds in the Vale of White Horse to be almost twice that of the average of local authorities across the UK.* This picture is reflected across the majority of Oxfordshire's District Councils.

We also note that the County's rate of COVID 19 infection to be close to the average of local authorities, so the anomaly highlighted above is not explained by a higher general infection rate. We further note Oxfordshire is listed as the 6th worst Local Authority in England for the percentage of care homes which have experienced an outbreak of COVID 19 with 73% of all care homes affected.**

As the first serious phase of the pandemic recedes, we owe it to all those who have died, their relatives and all those that have worked hard throughout the pandemic to determine the reasons for these significant anomalies.

Council therefore asks the Leader of the council to request the Chair of the Joint Health and Overview Scrutiny Committee of Oxfordshire County Council to convene a meeting with the aim of setting up a rapid and transparent Task Force to analyse and ascertain the reasons for the observed excess deaths and infection rates in Oxfordshire's care homes during the previous three months. Such a review would allow lessons to be learnt and recommendations to be made to reduce both future COVID

The leader of the Council requests that the Chair of the Joint Health and Overview Scrutiny Committee of Oxfordshire County Council to convene a meeting with the aim of setting up a rapid and transparent Task Force to analyse and ascertain the reasons for the observed excess deaths and infection rates in Oxfordshire's care homes during the previous three months.

An initial letter was sent to the Chair of the Joint Health and Overview Scrutiny Committee – a follow-up was sent in October – this second missive was copied: to Chief Executive South Oxfordshire and Vale of White Horse, Director of Public Health, Chief Executive Oxfordshire County Council, Health Overview and Scrutiny Committee Support Officer, Chief Executive Oxford University Hospitals NHS Trust, Corporate Director Adults and Housing Services (Oxfordshire County Council)

A letter was sent in October 2021 to Cllr Jane Hanna to welcome her to her new role as Chair of HOSC. This letter also set out that the Vale have yet to receive a response to previous correspondence.

19 infections and subsequent deaths, as well as the additional pressure this puts on local public services and the economy.

That this Council notes that:

- The Council has declared a Climate Emergency and set a goal to achieve a carbon-neutral District by 2045.
- Towns in this District suffer from traffic congestion and, consequently, poor air quality.
- Low levels of physical inactivity contribute to poor health outcomes for many residents in this District.
- All three of the above challenges can be addressed, in part, by encouraging more residents to use active travel more often.
- During the recent COVID-19 lock-down, levels of active travel increased significantly with some bicycle retailers seeing nearly 200% increase in sales (1) and air pollution fell by 60% in some places. Many residents remarked how pleasant it was.
- As we come out of lock-down, however, the situation may revert to status quo unless bold an ambitious action is taken towards a new normal.
- There is a groundswell of public enthusiasm for creating a new and different normal and an available resource in volunteer groups willing become involved.
- New developments, such as Didcot Garden Town, present ideal opportunities to incorporate and showcase a new normal for active travel networks.
- While people usually adopt active travel for recreational purposes, the primary goal is to reduce car usage in day-to-day activities. Active travel networks need, therefore, to be coherent, direct, safe, comfortable and attractive connectors between:
 - o Oxford and surrounding towns and villages as proposed in the Oxfordshire Greenways Project,
 - o Towns and villages themselves,
 - o Towns and villages and the Science Parks as in the Science Vale Cycling Network, and
 - o Residential areas and places of employment and retail within towns as proposed in Local Cycling an Infrastructure Plans (LCWIPs)

While not strictly a form of active travel, this Council recognises the benefits of e-scooters and includes them under a broader definition of active travel that also includes e-bikes.

This Council therefore:

1. calls upon the Cabinet to:
 - i. Include policies to enhance active travel outcomes across the district as part of the new Vale Local Plan and more urgently as part of the Design Guide.
 - ii. Include active travel as part of the proposed new Active Communities Strategy.
 - iii. Actively engage with the County’s consultations on their emerging Local Transport and Connectivity Plan to ensure the County are better aware of this Council priorities.
2. calls upon the Leader of the Vale to write a letter to Leader of County Council, Cabinet Member for the Environment and the Walking and Cycling Champion asking

The Cabinet:

- Include policies to enhance active travel outcomes across the district as part of the new Vale Local Plan and more urgently as part of the Design Guide.
- ii. Include active travel as part of the proposed new Active Communities Strategy
- iii. Actively engage with the County’s consultations on their emerging Local Transport and Connectivity Plan to ensure the County are better aware of this Council priorities.

The Leader of the Council writes to the Leader of County Council, Cabinet Member for the Environment and the Walking and Cycling Champion asking them to:

- a. Prioritise quality control of all active travel infrastructure in accordance with the Oxfordshire Cycling Design Standards, ensuring all proposals are audited for safety and encouragement of active travel.
- b. Review their Parking Standards considering the risks poor car parking poses to people on cycles and pedestrians.
- c. Establish systems for the County to work with Town and Parish Councils to identify CIL funding that could be used to enhance cycle ways and footpaths that link with new routes within new housing development
- d. Continue to resource the work on the Science Vale cycle network and expand this work planning cycle networks within the designated Science Vale area across the Vale of White Horse District.
- e. Continue to resource the Oxfordshire Greenways project.
- f. Expedite the development of Local Cycling and Walking Infrastructure Plans (LCWIPs) for all towns and parishes in the Vale District, engaging with local

Letters were sent to the Leader of County Council, Cabinet Member for the Environment and the Walking and Cycling Champion on the promotion of Active Travel.

Policies are being designed to enhance active travel being included as part the new Design Guide.

Active travel will also be included as part of the proposed Active Communities Strategy

Vale M18	15th July 2020	<p>That Council notes that since early March the Covid-19 pandemic has had an unprecedented impact on our district and the country. At least 120 have lost their lives. Many have been seriously ill and are still fighting the virus.</p> <p>Local businesses have and will continue to suffer the economic impact of this pandemic and young people have had disruption to their education and employment prospects damaged by the resulting lockdown.</p> <p>Council recognises the huge effort of our officers during the period. Adjusting to working remotely, volunteering to go beyond the day to job to help support shielded people and those isolating and working long hours to keep vital council services running. Council also recognises the quick establishment of new ways of working with community groups and responding incredibly quickly to the demands made of us as part of the Thame Valley Local Resilience Forum operation to protect the NHS.</p> <p>Council thanks and recognises the huge response from every town, village and hamlet to put in place an infrastructure to help. It is the feet on the street and the community effort that has truly helped look after all elements of the community across the Vale.</p> <p>Council thanks every officer for the heroic part they have played, and will continue to play, helping residents in need of support through this dangerous and uncertain time.</p>		Thanks passed to officers	Chief Executive	Closed
Vale M19	7th October 2020	"This Council notes:	This Council resolves to: 1. Take part in the consultation	Vale of White Horse submitted a detailed response to the proposed consultation -	Head of Planning/ Head	Closed

The publication by Government of the White Paper, 'Planning for the Future' on 6 August 2020, which set out proposals on reforms to the planning process for the future, falsely frames the problem in housing supply as an issue resulting from council limitations.

- That the vast majority of planning applications are given the go ahead by local authority planning committees, with permission granted to around 9 out of 10 applications.
- That research by the Local Government Association has said that there are existing planning permissions for more than one million homes that have not yet been started.
- As of the 1 April 2020 there is permission for 10,843 (or full permission for 5,055 number) homes in the Vale that have not yet been built. Construction has only started on site for 40% of these (or equivalent 85% for those with full permission).

This Council is concerned that the proposals in the White Paper seek to:

- Reduce or remove the right of residents to object to applications near them.
- Grant automatic rights for developers to build on land identified as 'for growth'.
- Remove section 106 payments for infrastructure and their replacement with a national levy.

This Council further notes:

- The Royal Institute for British Architects called the proposals 'shameful and which will do almost nothing to guarantee delivery of affordable, well-designed and sustainable homes'. RIBA also said that proposals could lead to the next generation of slum housing.
- The Local Government Association and District Councils Network are both working on responses to reflect the serious concerns raised by their member councils from across the country.

This Council believes:

- That existing planning procedures, as currently administered by our own team in Vale of White Horse, allow for local democratic control over future development, and give local people a say in planning proposals that affect them.
- That proposals for automatic rights to build in 'growth' areas, and increased permitted development rights, risk unregulated growth and unsustainable communities.
- That local communities must be in the driving seat on shaping the future of their communities, and local determination of the planning framework and planning applications play an important part in this process.

This Council resolves to:

1. Take part in the consultation in the planning proposals, and to make representations against the proposals in the areas outlined in this motion.
2. Write to both of our Members of Parliament explaining the position of Council on these proposals, urging them to support the intentions of this motion by objecting, where necessary to those proposals, and for any reply from them

in the planning proposals, and to make representations against the proposals in the areas outlined in this motion.

2. Write to both of our Members of Parliament explaining the position of Council on these proposals, urging them to support the intentions of this motion by objecting, where necessary to those proposals, and for any reply from them to be placed on the council's website.
3. Highlight its concerns over these proposals with the public and local residents".

this was publicised on the council's website. The Vale has made clear its concerns over the current proposals.

Letters were drafted to both Members of Parliament.

		to be placed on the council's website. 3. Highlight its concerns over these proposals with the public and local residents".				
		<p>Council notes the growing popularity of wild swimming, paddling, kayaking and paddle boarding in the River Thames and its tributaries and, more importantly, the intrinsic value of clean water and healthy, biodiverse rivers.</p> <p>The UK water companies are permitted to release raw sewage into waterways in specific circumstances, under licence from the Environment Agency. Regulators rely on self-reporting on the part of the water companies and there is no way for river users to know in real time when these Controlled Sewage Overflows (CSO's) happen. In 2017 Thames Water received the largest fine ever handed to a water utility for an environmental disaster after it spilled raw sewage into the Thames, with the judge stating that the company had a history of non-compliance. However, the issue of water cleanliness persists. Data from the River Trust revealed that Thames Water's sewage treatment works spilled raw sewage into the upper Thames, between Lechlade and Reading, more than 1,300 times in 2019, for 17,000 hours in total. Hundreds of beaches around the UK have Bathing Quality Water status, this ensures that the Environment Agency monitors and reports on water quality throughout the bathing season. Only a handful of inland lakes, and no rivers, have Bathing Quality Water status. Recognising the intrinsic importance of the river Thames as a natural asset of national significance and its value to our communities, this Council: -</p> <ol style="list-style-type: none"> 1. Asks officers to work with appropriate partners such as the Environment Agency, the Rivers Trust and Surfers against Sewage to begin the process of applying for Bathing Quality Water status for the river Thames in the Vale of White Horse. 2. Commits to taking part in the meetings of councils from along the River that are being hosted by South Oxfordshire District Council's Thames Champion, Councillor Jo Robb, to discuss opportunities for our council to join others in promoting and working towards cleaner rivers. 3. Asks the Leader to write to Thames Water calling on them to (a) draft and implement an action plan for the elimination of CSO's across its sewage treatment network and (b) to provide accurate, real-time publicly available information about CSO's into the Thames and its tributaries. 4. Asks the Leader to write to the Vale's two MPs asking them to support Philip Dunne MP's Sewage (Inland Waters) Bill when it has its second reading in Parliament on 15 January 2021. 5. Aims to build on opportunities to influence Thames Water's practices – such as our successful application to become a strategic partner in Thames Water's Surface Water Management Programme for 2020-2025. 	<p>This Council: -</p> <ol style="list-style-type: none"> 1. <p>Vale M26</p>	<p>14th July 2021</p>	<p>That our local members of parliament, local councillors and residents have campaigned for many years to get Grove Station reopened yet this much needed station remains unfunded.</p> <p>Council notes that:</p> <ul style="list-style-type: none"> - Oxfordshire Rail Corridor Study demonstrates that a station at Grove/Wantage can be justified by 2028 on the basis of the new housing currently being built or being planned for in the area and emerging proposals for further employment growth, including the Williams Technology Campus. - A report published by SLC Rail in 2018 considered a station at Grove to be "high value for money" within the Department for Transport's Value for Money Assessment. 	<p>This Council therefore calls upon the Leader to:</p> <ul style="list-style-type: none"> - write to the Secretary of State for Transport to make the case for funding Grove Station to be part of the current round of government grants to help develop proposals for new stations. - ask the Secretary of State for Transport for a commitment for the station to be delivered as soon as possible. - continue to make the case for Grove Station at the Oxfordshire, 	<p>Relevant officers informed and letters sent.</p>	<p>Head of Planning/ Head of Policy & Programmes</p>	<p>Open</p>

- local councillors have successfully pushed for Network Rail to electrify the line in a way that did not impede the reopening of the line through Grove.
 - local councillors have helped ensure the new bridge over the railway line Grove was constructed in such a way as not to impede a reopening.
 - Investment in rail is an essential part of decarbonising transport and reducing dependence on the personal car.
 - progress on this project is being delayed by the failure of Government to provide funding to progress the project to the next stage.
 - even if funding to develop the proposal further is awarded, the source of funding to deliver Grove station is uncertain.

Council reiterates our commitment to ensuring Grove Station is reopened.

This Council therefore calls upon the Leader to:

- write to the Secretary of State for Transport to make the case for funding Grove Station to be part of the current round of government grants to help develop proposals for new stations.
- ask the Secretary of State for Transport for a commitment for the station to be delivered as soon as possible.
- continue to make the case for Grove Station at the Oxfordshire, Ox-Cam Arc meetings, and in conversations with our two Members of Parliament.

Ox-Cam Arc meetings, and in conversations with our two Members of Parliament.

That Council notes that:

1. the UK Government has declared a legally binding target for the UK to be carbon neutral by 2050 and committed to achieving the United Nations' 17 Sustainable Development Goals (SDGs).
2. this council has declared a Climate Emergency and adopted targets to be carbon neutral by 2030, with a target for the district to be carbon neutral by 2045.
3. the 'Oxfordshire Strategic Vision', adopted by all Oxfordshire Councils, articulates countywide shared aims and guiding principles for sustainable growth.
4. there are a number of consultations on spatial planning documents happening this summer that will impact on our ability to achieve the above targets and our corporate plan objectives.

Council believes that:

1. achieving our carbon reduction targets and realising the 'Oxfordshire Strategic Vision' for the district cannot be met without working effectively with partners across Oxfordshire, the region and beyond.
2. our emerging Joint Local Plan, the Oxfordshire Plan 2050, the government's Oxford to Cambridge Arc Spatial Framework, and any other plans for growth and development, are opportunities to help the world in its critical response to the climate emergency and efforts towards carbon neutrality.
3. we are in a position to gather evidence to contribute to and influence policy decisions as part of key local, regional and national consultations.
4. we should aim to achieve those United Nations' 17 SDGs.

Council therefore requests that:

1. officers ensure the challenges listed above are addressed through policy development and consultations, including:
 - a. policies in the emerging Vale of White Horse District Council-South Oxfordshire District Council Joint Local Plan and Design Guide
 - b. this council submitting a response to the Oxfordshire Plan 2050 Regulation 18 consultation, and continued active engagement with the Oxfordshire Plan 2050 work
 - c. this council submitting a response to the government's consultation on their Ox-Cam Arc Vision and subsequent consultations on the Arc Spatial Framework
 - d. any other consultation that comes forward from neighbouring authorities, regions or the government that affects local and regional planning
2. officers ensure council's position is communicated effectively in print and social media.

Relevant officers informed including Joint Local Plan workstream lead officers.

<p>Page 27</p> <p>Vale M29</p>	<p>6th October 2021</p>	<p>Council Notes: Vale of White Horse District Council declared a Climate Emergency in February 2019, and since then has included the Climate Emergency in its Corporate Plan, set up a Climate Emergency Advisory Committee and declared its ambitions by setting its own carbon targets. Our climate action targets are to become: - carbon neutral within our own operations by 2030, with an aim for a 75 per cent reduction in carbon emissions in our own operations by 2025 - a carbon neutral district by 2045, with an aim for a 75 per cent reduction in carbon emissions in the district by 2030 UK100 is a network of highly ambitious local government leaders, which seeks to devise and implement plans for the transition to clean energy that are ambitious, cost effective and take the public and business with them. It supports decision-makers in UK towns, cities and counties in their transition to Net Zero. It is the only network for UK local leaders focused solely on climate, clean energy and clean air policy. Over 100 councils have already joined this group and taken the pledge to reach net zero by 2030 for all council owned assets and wider by 2045. By working together with other councils, we are fulfilling one of the corporate plan projects of partnership, and together we show greater strength. The Climate Emergency is something that affects not just the residents in our council area, but the whole country, and in fact the whole world.</p> <p>We will need to work together and learn from each other if we are to find workable solutions for tackling Climate Change. We will have the best chance of meeting our carbon targets by being part of a wider community, sharing knowledge with partners who face similar issues, by translating ambitions into concrete actions.</p>	<p>Council Resolves to become a member of the UK:100 Network, which requires the Council to:</p> <ul style="list-style-type: none"> - reaffirm our commitment to council operations to become carbon neutral by 2030 and become a carbon neutral district by 2045 - report our carbon emissions annually - commit to limiting the use of offsets, and if used, to be as local as possible - sign up to the UK:100 Pledge www.uk100.org/membership 	<p>Relevant officers informed and actions completed.</p>	<p>Head of Policy & Programmes</p>	<p>Closed</p>

	6th October 2021	<p>In March 2020, as we were faced with the economic fallout from the pandemic, the Government did the right thing and increased Universal Credit and Working Tax Credit by £20 a week.</p> <p>Council notes that this £20 a week payment is now to be cut, coming into effect for families on Universal Credit from 6 October. This cut will mean the biggest overnight cut to the basic rate of social security since the modern welfare state began, more than 70 years ago.</p> <p>According to analysis by the Joseph Rowntree Foundation, 21% of all working-age families will experience a £1,040-a-year cut to their incomes from this week.</p> <p>Many of the same families will be seeing an increase in National Insurance costs. Lower income households spend more of their income on basic essentials such as food and utilities, and the cost of these is currently rising fast.</p> <p>The Government says it wants to support people back into work as we emerge from the crisis, but working families make up around 60% of families who will be affected.</p> <p>Council acknowledges the concerns raised by local and national charities (including as Elmore, Citizens Advice Bureau and the Joseph Rowntree Foundation) about the significantly negative impact this cut will have on the financial security and wellbeing of those effected in our district.</p> <p>Council deplores the decision of the Government to remove the 'temporary' uplift in Universal Credit which will directly impact at least 5,248* families in the Vale of White Horse district.</p> <p>Council reiterates its corporate plan commitment to support vulnerable members of our community and resolves to ask the Leader to write to the Chancellor of the Exchequer and the Secretary of State for Work and Pensions (copied to our local MPs) expressing its grave concern about the impact on families within the Vale and to request that the decision to cut the Universal Credit uplift be reversed, and that the uplift be incorporated permanently into Universal Credit.</p>	<p>Council reiterates its corporate plan commitment to support vulnerable members of our community and resolves to ask the Leader to write to the Chancellor of the Exchequer and the Secretary of State for Work and Pensions (copied to our local MPs) expressing its grave concern about the impact on families within the Vale and to request that the decision to cut the Universal Credit uplift be reversed, and that the uplift be incorporated permanently into Universal Credit.</p>	<p>Letters sent and response received.</p>	<p>Head of Finance</p>	<p>Closed</p>
