5. Public participation

To receive any questions or statements from members of the public that have registered to speak.

The following statement has been submitted by Mr Les Clyne:

“In view of the 10 years delay in progressing the Grove Airfield Development, the continuing delay in the finalising and signing of the Section 106 agreement since the July 2015 draft, and the lack of any public build profile, I suggest that this development be considered unreliable and that alternative development areas be sought in the Vale for 2500 housing units. In consequence the saved policy for Grove should be deleted from the Local Plan 2031 and the preferred developers be informed accordingly.”
