At its meeting on 15 February 2017 Council agreed the following motion:

“This Council supports the principle of a new countywide unitary council for Oxfordshire but recognises that the One Oxfordshire discussion document currently being publicised by Oxfordshire County Council requires strengthening in order to maximise the benefits to, and influence of, local communities and to satisfy the concerns of residents about some aspects of the proposal including the need for more local decision making.

Council authorises the Chief Executive, in consultation with the Leader of the Council, to work with other partner councils to develop the terms of a proposal for local government change in Oxfordshire and present a detailed report to Council in due course”.

In light of the above motion Cabinet is invited to consider the report of the chief executive on the development of proposals for a single unitary council for Oxfordshire and to make any recommendations to Council for consideration on 8 March 2017 – report to follow.

Scrutiny Committee was due to meet on 27 February 2017 to consider a report and make recommendations to Cabinet.
