Dear Sirs

New licence variation: The Guildhall, Abingdon.

We wish to record our objections to the variation above as follows:

1] Our location is 10 yards from the Guildhall car park; 13 yards to the bottle/recycling bins and only some 20 yards to the elevated walkway used by function attendees to cool off, chat and smoke when the fire doors are opened for ventilation. Our bedroom is at the same level and directly opposite the walkway. In the summer our window is, of course, open.

2] We understand that legitimate objections cover noise, hours of operation, vibration during the function and clear-up after the function. The present hours are acceptable but any extension, certainly on a Sunday or midweek, would not be;

A] Although the noise, when doors are shut, is acceptable, the structure of the building does transmit unwelcome base vibrations in step with the beat of the music in modern dance.

B] Some time must elapse after the function for clearance of the building and the greater noise occurs at this time as customers disperse. The additional noise of clean-up and car park clearance then occurs [in particular the noise of lots of bottles dumped in skips in early morning must offend against noise abatement rules]

C] Other local commercial hotel enterprises near the Guildhall, operate socially acceptable hours. They, of course, must care that their residents get a good night's rest.

We understand that there is confusion over the variation and that it might be a request for seven days a week. In consideration that no councilor has had the courtesy to inform us of the plan and that those same plans are even now somewhat obscure then we urge rejection and suggest that they apply on a case by case basis with an annual limit.

Yours faithfully

Dear Sir/Madam,

As a local resident, I write to oppose the application for extending the opening hours and for the sale of alcohol on and off premises from the Guildhall. I believe that particularly the extended sale and consumption of alcohol on and off premises has no positive benefits for local residents or the community at large.

Sincerely yours,

Dear Sirs,

We understand that you are considering an application for the extension of the Guildhall's licenced activity hours and alcohol sale until 1am daily.

We would like to register our objection to this extension for the following reasons:

- 1) As far as we are aware no reason has been given for the need to extend hours
- 2) 1am is too late for regular activities in a building that is very close to residential properties. Large groups of people leaving such activities late at night invariably cause some disturbance
- 3) Allowing the sale of alcohol until 1am will inevitably result in an increase of drunken behaviour in the locality in the early hours of the morning

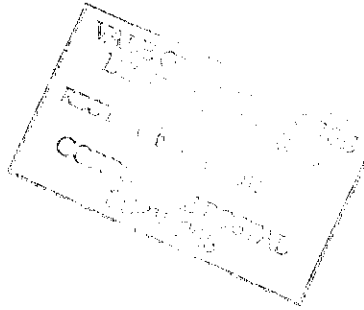

While we recognise that the Guildhall is a significant community asset to the town, we feel that allowing an extension of the licensing hours will be to the detriment of the local community where it situated.

Yours sincerely,

Dear Sirs,

Proposed variation of licence: The Guildhall, Abingdon

We write to express our objections to the application currently before you, and to propose a compromise. The summary at the head of the application indicates that an extension is sought for both "licensable activities" and for the sale of alcohol on Friday and Saturday nights. However, the detail makes it clear that the extension is intended to apply to **all seven days** of the week. In view of this internal inconsistency, it seems surprising that the application should be considered without being referred back to the applicant for re-drafting.

On the assumption that the Committee will consider the more extensive change, we would like to point out that we are immediate neighbours to the licensed premises, with windows barely 10 metres from the Guildhall, and that since ours is a listed property there is little that we can do by way of sound-proofing. We would therefore be deeply concerned if the licensing hours for the sale of alcohol were to be extended on a routine basis by two or two-and-a-half hours beyond those currently permitted. Given that the Abbey Meadow car park is one of the most convenient parking-places for events at the Guildhall, we are already affected by the noisy return to their cars of those attending evening events. It seems reasonable to object to this becoming a frequent occurrence at one o' clock in the morning.

We do recognize that the Guildhall is a valuable community facility, and that it needs to be commercially viable. There is, nonetheless, a balance to be struck between its promotion for entertainment and consideration for those who will be adversely affected as a result. Where we live in Abbey Close, we are already affected on occasion (particularly in the summer, when doors are open and more people are outside) by cumulative and significant noise from the Guildhall, the Crown and Thistle, the Abbey Buildings and those coming away from evening events at Cosener's House. As a result, we are vigorously opposed to the granting in full of the extension requested to the license at the Guildhall. **We would be amenable to an extension on Friday and Saturday nights (sale of alcohol to 0030, "activities" until 0100) and to an extension for the sale of alcohol on Sundays until 2330 (instead of 2230 – "activities" however to cease at midnight in accordance with the existing licence).** We note that the application asks for the sale of alcohol to terminate at the same time as the licensed "activities". This is a novelty and seems to us

inherently undesirable: it will be impractical to persuade people to leave the premises when you have just sold them another drink!

Finally, we would like to record our displeasure that we were not notified directly of the application. There is an increasing trend amongst local authorities away from the direct notification of those most immediately affected by a development or licensing application. They do not, in our opinion, thereby fulfil their public duty.

Yours sincerely,

Philip Kenrick

Re : Proposed licence variation for the Guildhall, Abingdon

Dear Sirs,

I have read details of the proposed license variation with some concern and wish to make a number of comments which I would ask you to take into account when considering the application.

Firstly, I found the application form confusing, as in Part 3 of the form it is stated that " *This is an application to amend/extend the current license so that all activities currently licensed until 00.00 on a Friday and Saturday night will be licensed until 01.00 the following morning. To extend the hours for the sale and consumption of Alcohol on and off the premises (currently until 23.00) until 01.00 the following morning on a Friday and Saturday night.*" However, Parts C to K and M all seek permission to extend the time limit for activities and the sale & consumption of alcohol until 01.00 on every day of the year. Having discussed the matter with your office, I understand that in case of a conflict between what is stated in Part 3 and Parts C to P it is the latter which are deemed to be the actual application.

Secondly, may I make the following comments about the application.

- a) the Guildhall is a much valued community asset, which I am sure all residents of Abingdon wish to see thrive as it continues to provide a much needed and welcome venue for large community events. However, I believe that due recognition has to be given to the fact that it is located in the most historic part of Abingdon - the nearest dwelling is less than 10m from it. Many of the houses in its vicinity are very old and consequently do not benefit from modern building techniques or amenities such as double glazing - and as they are listed would not be allowed to install such features. Thus they are more vulnerable to noise pollution.
- b) The operation of the Guildhall has always balanced the need to provide a venue for dances, concerts etc against the potential disturbance to the near neighbours. The previous owner (the VWHDC

itself) attempted to limit the sound (particularly in the Guildhall) electronically though such measures are occasionally by-passed by the users especially in summer months when the fire doors are opened to provide ventilation to the Hall. When events have been excessively loud neighbours have merely contacted the building's janitors and asked them to take the appropriate action, which has happened. Consequently very few formal complaints have needed to be lodged with the VWHDC environmental team.

- c) To extend the permitted hours for activities until 01.00 every day seems to me to be excessive in the extreme, and would cause significant public nuisance to the near neighbours in Abbey Close, Checker Walk and Thames Street not only from the events themselves but also as people leave and return to their cars – the nearest car park is at the end of Abbey Close. Furthermore I have observed that often, as people leave the Guildhall, they stand outside chatting before going home. So an “end of event” time of 01.00 may mean disturbance to nearby residents until 01.30 or even later.
- d) Likewise, the wish to extend the alcohol hours until 01.00 every day is completely unacceptable – I would have concerns about the resulting public safety, risk of an increase in drink-fuelled criminal damage, and nuisance to neighbours. (I am also puzzled why the alcohol hours match the event hours – surely the alcohol hours should be 30 mins before an event ends)
- e) I would suggest that due notice should be given to that fact that there are other licensed premises in the vicinity – in particular the Crown and Thistle Hotel, and the Abbey Buildings. If the application were to be granted, I would suggest that there is a great risk of “cumulative and prolonged” disturbance to the residents of both Abbey Close and Checker Walk.
- f) I would also ask why a public facility needs such long hours – surely it would be more appropriate to increase the permitted hours to say midnight on Fridays and Saturdays and seek a special licence for the rare occasions if/when a later licence can be justified. If the facility was being run as a commercial operation and was sited away from nearby residents then requested longer operating hours might be justifiable – but is a community facility sited in the middle of a residential area.

Therefore, may I make the following suggestions – a) that on Friday and Saturday nights (and on any Sunday that precedes a Bank Holiday) “events” are permitted to continue until 00.00 and alcohol be permitted to be served until 23.30, b) that a condition is inserted in the licence requiring doors and windows to be kept shut during evening/night events (to prevent noise leakage), c) that the applicant is reminded that they are permitted to seek “special licences” for particular events, d) that the applicant is encouraged to discuss any proposed operational changes with the near neighbours of the Guildhall, d) that any variation of licensed hours granted is reviewed after the period of 1 year.

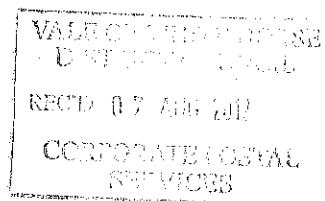

Yours sincerely

Dr Jim Halliday

Re: New Licensing Hours at the Guildhall

Dear Sirs,

We have been made aware of the proposals to extend the licensing hours of the Guildhall until 1 o'clock in the morning seven days a week. Mr and Mrs Robert Dunsdon of 4 Checker Walk and Mrs Pat Atkins of 6 Checker Walk wish to express our objections to these proposals.

We understand that the Guildhall has to be run as a business, and that full use must be made of it. However, we believe that the proposed licensing hours would cause much distress to people living locally.

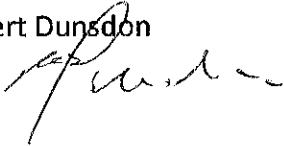

We already experience problems with late night revellers from the Crown and Thistle Hotel; ie loud and drunken arguments, bad language, car engines revving and car doors slamming. We are concerned that should the new licensing hours be granted we would further be subjected to loud music and the inevitable noise associated with the clearing-up process and the dispersal of people well after the 1 o'clock deadline.

We would be prepared to accept the proposed new hours if they were limited to Friday and Saturday nights, but we are absolutely opposed to these hours during the week. Mrs Atkins at 6 Checker Walk is in her eighties, and has trouble sleeping at the best of times. We at 4 Checker Walk are both still working and feel there is every possibility that our sleep would be affected should the proposals go through.

Lastly, we would like to say how disappointed we were not to have been notified of these proposals until the 4th August. We would hope that any plans which involve residents locally might in future be brought to our attention earlier.

Yours sincerely

Proposed variation of licence: The Guildhall, Abingdon

Dear sir,

I wish to express my strong objection to the proposal to extend the licencing hours of the Guildhall.

Page 2 of the application proposes an extension of the licensing hours from midnight on a Friday and Saturday to 01.00 on the following Saturday and Sunday mornings, and the sale of alcohol from 23.30 until 01.00. This will cause a significant disturbance to the area and the residents. The neighbourhood of the Guildhall, in Abbey Close, Checker Walk and Thames Street, contains many period properties, where increased sound proofing is not possible. There is already noise caused by people returning to the various local car parks late in the evening. Encouraging disturbances to continue after 01.00 hours cannot be justified.

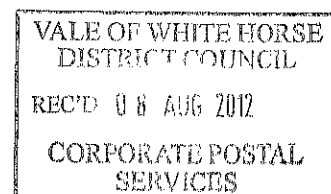

Page 18, section M, appears to request that the above proposal should apply for all 365 days of the year, in clear contradiction to what is stated on page 2, and beyond anything that could be regarded as a reasonable change to the existing position.

The application should be rejected.

Yours faithfully,

Colin Norris

Dear Mr Sayers,

I have just received your objection to the application to vary the premises licence for the Guildhall. Whilst your objection was not made to the local authority within the required 28 day period (to the postal or email address on the blue notices) I can understand that you may have thought that you had lodged your objection correctly by e-mailing Cllr De Vere and as it is clear the application will have to now be determined by a licensing panel, I shall therefore accept your objection.

You will receive a copy of the report to the panel ten working days before the hearing along with details of the date, time and location of the hearing in order that you may attend.

Subject: Guildhall license

Dear Tony,

We live at 10 Abbey Close, and are alarmed to think that the Guildhall license could be extended to 1am. This is a residential area, and we already have to put up with the nuisance of late night noise from weddings at the Abbey Buildings and the Coseners House. The possibility of the Guildhall attracting significant late night events with a drinks license is not attractive at all, and will have a detriment to us. Our house has no front garden; our front wall forms the street. WE are very near to all noise and traffic that goes by.

Please pass this on to those who are involved in this application.

Yours

Jim Sayers
