Ashbury Parish Council

Formal response to Vale of White Horse District Council of planning application

P12/V2048/FUL, erection of 18 new dwellings, including 7 affordable houses, 10 private houses and new village shop with apartment over.

Land off Walnut Trees Hill, Ashbury

Ashbury Parish Council (PC) fully supports the application for development of houses on Walnut Trees Hill (WTH) ref P12/V2048/FUL.

The PC acknowledges that the parish will gain, as a direct consequence of this development, a long-desired public open space with a playground for the children of the parish and the opportunity to re-establish a village shop.

The Parish Council acknowledges that the developer and his associates have involved them, and through them the wider village community, at every stage in the planning and have sought our opinions as to house design and site layout, accommodating sometimes conflicting views, as far as is reasonably possible.

We would like to make the point that we are in the position of having to accept a development of this size, beyond the village curtilage, only as a result of the Vale's failed Interim Housing Supply Policy and lack of a local development plan.

Given the above, the Parish Council recognises that WTH is the most suitable of the green field locations in the parish with which to meet the Vale's allocated housing supply for Ashbury.

Signed on behalf of

Ashbury Parish Council

Clerk
