M Describe the steps you intend to take to promote the four licensing objectives: a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9) Business is a Kebab Van selling limited hot food and soft drinks to passing customers only. It is not expected to attract large numbers of people at any one time. b) The prevention of crime and disorder I have CCTV cameras on my Kebab Van. There is no incentive for customers to remain in the are. after they have purchased food. c) Public safety . I have got Health and Hygiene License and Van is registered with the Vale of White Horse District Council Food Safety Team. The van is off the main road. d) The prevention of public nuisance I will keep the area clean at all times and ensure area is clean when I leave. Van is situated on an industrial estate with consent of the Landowner in a quiet location. Only noise is from a quiet generator. All rubbish will be taken away and van is not kept at the location when not in use. e) The protection of children from harm

Members of the Licensing Committee, Vale of the White Horse, District Council.

I am contacting you with regard to the licensing application to extend the trading hours of the Kebab Van, which appeared on the car park of Travis Perkins, opposite my home at the beginning of November 2013. They are requesting a revised licence to trade until 12 am Sunday to Thursday and 1.30 am on Friday and Saturday.

Travis Perkins trade 6 days a week starting work at 7.00 am with all of the associated noise of a builders merchants warehouse. (forklift trucks etc.)

The Kebab Van from 5.00pm when Travis Perkins have closed, has brought with it, increased noise from clientele, increased car traffic, and their doors slamming, a constant drone from it's generator, and it is lit up with very bright lights.

All of this combing to make sleep, very difficult, I feel it must be a residents right to the opportunity to try to get eight hours sleep a night and certainly more than five and a half hours on a Friday night, before Travis Perkins start their working day.

I respectfully request that you take my comments into consideration when making your decision on this application.

Richard Brown - Late refreshment license application-Mobile food van Pioneer Road **Faringdon**

From:

Tim Williams

Subject: Late refreshment license application-Mobile food van Pioneer Road Faringdon

Hi Richard, I've visited the objector who lives in a first floor flat about 45 m from the mobile unit. The issues raised are, 1. noise from the generator, 2. light from the mobile unit and 3. noise from customers (door slamming and shouting).

I understand that the mobile currently trades on this site until 23.00 and the application is for an extension for an hour till midnight during the week and until 01.30 on Saturday and Sunday mornings.

- 1. The generator noise is not audible inside the objectors house. There is a hum which is just audible outside the property but I believe that this is from the nearby electricity sub station and not from the generator which is quiet and shielded by the mobile unit.
- 2. The mobile unit is just visible (at an oblique angle) from her front window. It is lit up and visible, however in my opinion it is not as bright as the street lighting in the area and lighting is not a significant issue.
- 3. Park Road lies between the objectors flat and the mobile unit. This is road is busy with traffic during the daytime but traffic flow and resultant background noise are greatly reduced at night. The objector alleges that the noise from car doors slamming and noisy customers will disturb her sleep. This is possibly an issue and in order to quantify the extent of the existing noise and assess any potential impacts later on I have offered her the use of noise recording equipment to record the noise. She advised me that she will discuss this with her husband and get back to me.

I will advise you further when I hear back from her.

Burger van -Pioneer Rd Faringdon

Hi Richard further to my previous email I have heard back from the objector who has declined the offer of noise recording equipment to assess the extent of the alleged noise from customers and car doors banging under the existing trading pattern.

In view of this I will not have enough information to make an assessment of these possible impacts and so I am not in a position to make an objection. Instead I believe that the applicant should be made aware of the potential impacts of noise from customers and slamming car doors, with a view to controlling them as far as possible, on the understanding that if substantiated complaints are received the licence will be called in for review and could be revoked. Perhaps a condition could be included on the licence to reflect this.

Regards

Tim Williams
