

CGR 1

Parishes Affected

Buscot, Coleshill, Kingston Lisle, Little Coxwell, West Challow

Matter to be considered

Whether the current governance arrangements remain appropriate

Impact on district and county council boundaries

None

Summary of parish council responses

None of the parish councils potentially affected by this change has responded

Summary of other responses

None

Recommendation

No change

Justification

The Oxfordshire Association of Local Councils encouraged us to include this particular term of reference as it considers very small parish councils may be unviable. There are five parish councils in the Vale with an electorate below 200. We wrote to them all, none has shown any interest in reviewing their governance arrangements and the Working Group does not consider that there is sufficient evidence to justify recommending any change.
