Application P14/1193

Recommend refusal. The Committee noted that the dormer window overlooked the garden of an adjoining property, Stable Cottage and consequently it considered that the application contravened retained policy DC9 (i) of the Vale of White Horse District Local Plan 2011 in that it would unacceptably harm the amenity of a neighbouring property and the wider environment due to loss of privacy which would result. It was suggested that the dormer window would be better at the front of the property.
