

**Supplementary Planning Guidance**  
**Parking**

Summary of Representations	Observations and Recommendations of the Deputy Director (Planning & Community Strategy)
<p><b>Grove Parish Council</b> considers that parking standards should be minimum not maximum.</p> <p>Type 2 Residential should state:</p> <ul style="list-style-type: none"> <li>• 'in addition to a garage or garage space (if one is provided)</li> <li>• '4 bedroom or more 3 or 4 spaces - on merit'</li> </ul>	<p>The District Council as planning authority implement the Oxfordshire County Council's, county-wide parking standards. These standards reflect the guidance given in PPG13 'Transport' which states that "Policies in development plans should set maximum levels of parking for broad classes of development. Maximum standards should be designed to be used as part of a package of measures to promote sustainable transport." It would not be appropriate to amend the SPG as suggested.</p> <p><b>Recommendation: No change.</b></p>
