## **PI.167      Land South of Park Road, Faringdon**

The committee considered a hybrid application P17/V1082/O for the demolition of existing buildings/structures and the comprehensive redevelopment of land south of Park Road, Faringdon, comprising up to 380 dwellings. The hybrid application was in two parts: a full application for a first phase of 103 dwellings, and an outline application for 277 dwellings.

Consultations, representations, policy and guidance and the site's planning history were detailed in the officer's report which formed part of the agenda pack for this meeting.

Mike Kerton spoke in support of the application.

Roger Cox, one of the local ward councillors, spoke in support to the application.

In response to questions raised by the committee, the officers reported that:

- the section 106 agreement included a contribution to improving health facilities in the town
- the application allocated land for a new school
- the application complied with the council's design guide, including side access to rear gardens
- the recommendation for approval of the application included Grampian conditions regarding water supply and drainage
- 29 per cent of the new homes would be affordable housing

A motion, moved and seconded, to approve the application was declared carried on being put to the vote.

**RESOLVED:** to delegate authority to the head of planning to grant outline consent for application P17/V1082/O, subject to:

- (a) a section 106 legal agreement being entered into, to ensure financial contributions towards local infrastructure and to secure affordable housing; and
- (b) Conditions (or provision in S106 as appropriate) as follows:

## **PI.168      Former King Alfred School, East Springfield Road, Wantage**

The committee considered application P17/V2479/RM, which sought approval of the appearance, landscaping, layout and scale of the residential development of the former King Alfred School site at Springfield Road, Wantage.

Consultations, representations, policy and guidance and the site's planning history were detailed in the officer's report which formed part of the agenda pack for this meeting.

Officer update: the mini roundabout at the junction of Springfield Road/Charlton road had been secured by the outline consent and a section 278 highways agreement. The open space near the north-western corner of the site would have a dual-use function as an attenuation basin and a public open space, but that this would only be a 1 in 30 years storm event and so would be useable as public open space most of the time.

Julia Reynolds, a representative of Wantage Town Council, spoke objecting to the application.

Warren Brown, Bernard Connolly and Gary Madgwick spoke in objection to the application.

Mike Robinson spoke in support of the application.

StJohn Dickson, one of the local ward councillors, spoke objecting to the application.

In response to questions raised by the committee, the officers reported that:

- the county council had no objections to the application from a highway perspective
- there was sufficient space for visitors to parking on-street
- the spaces between the proposed dwellings and the existing houses surrounding the site complied with the council's design guide

- it was not unusual to have parking next to neighbouring properties

A motion, moved and seconded, to defer the application was declared carried on being put to the vote.

**RESOLVED:** to defer consideration of application P17/V2479/RM to:

- (i) seek amendments to the layout to address the relationship with 36 Fyfield Close;
- (ii) query with Oxfordshire County Council the visitor parking requirements; and
- (iii) allow the committee members to visit the site.

The meeting closed at 7.30 pm
