

Draft Vale Corporate Plan 2020-24

Vision, Themes, Programmes and Projects

Vale of White Horse District Council

Scrutiny and Cabinet – PACK (post engagement)

September 2020

Vale of White Horse District Council **Vision**

*Vale of White Horse District Council aims to help **build and support thriving local communities**, where everyone can **enjoy the opportunity to live a happy and fulfilling life**. We will do all we can to contribute to making that a reality in the Vale, within the ecological constraints of our physical environment. We will ensure that our council and our district play their part in **tackling the Climate Emergency**.*

THEME ONE

Providing the homes people need

We will find ways to provide **more genuinely affordable housing**, including **housing for social rent**, to **better provide for the needs of Vale residents**. We will aim to provide a **mix of tenures** in each development to build sustainable homes in balanced and sustainable communities. We will use our influence on decision makers, where the responsibility lies outside of Vale.

Programmes
1.1 Explore and consider opportunities to bring forward the delivery of homes people can afford.
1.2 Adopt a policy framework that ensures those homes could be delivered in a way that supports the environment and people living healthy lives.

1.1 PROJECTS	How we plan to measure what we are achieving on this theme...
Explore and consider opportunities to bring forward the delivery of homes people can afford.	<ul style="list-style-type: none">• Number of houses given planning permission

Explore a council-owned holding company/vehicle, to focus on delivering a wide range of regeneration and community benefits including housing, community facilities, land maintenance and health.	<ul style="list-style-type: none"> • Percentage of planning applications determined within timescale • Successful planning appeals • Homelessness and temporary accommodation – numbers and length of stay • Affordable homes delivered • Feedback through resident engagement
Explore how the council can provide low-cost sustainable housing. Include working with developers, registered providers, community trusts, as well as new partnerships. Include council owned housing. Include a definition of affordability relative to ability to pay, not to market value, and social rent definitions.	
Review our affordable housing planning policies and ensure they are providing what's needed in the Vale	
Review our strategy for spending s106 sums paid in lieu of onsite affordable housing and identify how earmarked funds, including retained S106 monies, can be best utilised to deliver affordable homes	
Explore how mobile homes might be better used as affordable homes, reviewing sites and policies to ensure good use of available space	
Use Garden Villages and Towns designation as a mechanism to introduce innovative housing to meet our needs for high quality, low energy, zero-carbon homes	

1.2 PROJECTS	How we plan to measure what we are achieving on this theme...
Adopt a policy framework that ensures those homes could be delivered in a way that supports the environment and people living healthy lives	<ul style="list-style-type: none"> • CIL collected and spent • Affordable homes delivered • Travel time to key services by car/cycle/walk • Carbon emissions baseline for the district/council and sources of emissions • Active travel and participation levels
Develop a s106 obligations strategy to inform negotiations between planners and developers	
Update the CIL spending strategy and associated procedures to accelerate the delivery of local infrastructural improvements for our communities both in line with our corporate objectives and, where appropriate, to support current spending on existing infrastructure	
Consider ways we can encourage lower-carbon construction in Vale	

<p>Develop an affordable housing SPD. Evidence of housing needs, housing mix, self-build, rural exception sites. Include definition of 'affordable'</p>	
<p>Develop a Land Use strategy to inform and guide OxPlan2050 and Vale Local Plan with proposed need for housing, retail, employment, leisure, open spaces</p>	
<p>Update the Local Development Plan to reflect the Oxfordshire Infrastructure Strategy (OxIS) and connecting our strategic housing sites with employment land</p>	
<p>Update Vale's Local Plan and OxPlan2050 with modern environmental policies in support of government's and Vale's goals</p>	
<p>Develop a Housing Policy: that outlines the types of housing we are going to provide, in what mix of design and for what demographic and tenure, to inform our Local Plan and future work. Include affordable housing aspirations, consideration of an aging population, and environmental policies for housing</p>	
<p>Work with partners to produce an Active Travel Network map of current and required coverage across the Vale to include commercial and community buses, cycle paths and storage facilities, pavements and footpaths, green and blue infrastructure, and local taxi firms. Encourage systems that increase use of the Active Travel Network</p>	

THEME TWO

Tackling the Climate Emergency

We will do everything we can to help tackle the Climate Emergency. We will:

- reduce council emissions by 75% by 2025
- become a **carbon neutral council** by **2030**
- reduce all emissions across the Vale District by 75% by 2030
- aspire to be a **carbon neutral Vale district** by **2045**

Programmes
2.1 A climate emergency programme, focussed on what the council has control over, working towards our own targets for our own buildings, vehicles, leisure and arts centres.
2.2 A climate emergency programme focussed on encouraging the wider district community to reduce its carbon footprint in order to meet the Climate Emergency targets.
2.3 A programme around exercising our influence with partners on wider policy, working with neighbouring authorities, lobbying Government and identifying environmental policy gaps.

2.1 PROJECTS	How we plan to measure what we are achieving on this theme...
Develop a Climate Emergency Strategy for the Council, setting out how we will reach Zero Carbon for all Vale assets by 2030. Identify energy saving opportunities in council-owned buildings and fleets	<ul style="list-style-type: none"> • Carbon emissions baseline for the district/council and sources of emissions • Reduction in single use plastics in council • Residual waste to landfill • Recycling rate • A count on green spaces - % hectare of total green space • Distance of developments from open publicly accessible green space • EV charging points installed/expressed as a proportion of the number of homes delivered on a development
Complete the CEAC Year One Climate Action Plan and plan for future years	
Include in Councils Open Space Strategy opportunities to increase biodiversity, increase tree cover, and (other things we want to do on Council's open spaces)
