WARD MEMBER(S)	Sue Caul
APPLICANT	Ms Katherine Foxhall
OFFICER	Nathalie Power

RECOMMENDATION

That Listed Building consent is granted subject to the following conditions:

STANDARD

- 1. Time limit – LB/CA Consent**
- 2. Approved Plans List**
- 3. Approved Supporting Documents**

COMPLIANCE

- 4. Materials in Accordance with Application**

1.0 INTRODUCTION AND PROPOSAL

- 1.1** This planning application is made by a current Vale of White Horse District Councillor and is referred to Planning Committee in line with paragraph (vii) of the Development Management Scheme of Delegation held under the District Council Constitution.

Vale of White Horse District Council – Planning Committee – 29 November 2023

1.2 The application site is located within the village of Uffington, and hosts semi-detached Grade II Listed Building, The Vale Cottage. Vehicular access is obtained via the High Street which adjoins the eastern boundary of the site. Neighbouring residential properties, including Grade II Listed Lizzie's Cottage, surround the application site to the north, west and south. The site is additionally located within the Uffington Conservation Area.

1.3 A site plan is provided below;

Extracts from the applications plans are **attached** at Appendix One.

1.4 The application seeks planning permission and Listed Building consent for a series of internal and external works, including the;

- repair of an internal partition wall at ground floor
- replacement of uninsulated concrete and timber floor
- installation of new breathable flooring at ground floor
- installation of new underfloor heating system at ground floor
- repair of internal wall coverings
- repair and replacement of porch roof covering and front door
- minor repairs to bottom rails of ground floor principal timber windows
- repair of front, eastern boundary wall, and;
- installation of new air source heat pump to the rear of the dwelling

1.5 A 9.1 metre section of the eastern front boundary wall will be repaired and rebuilt, replacing two courses of breeze block with reclaimed red brick. The boundary wall will match the existing height of 0.95 metres.

Vale of White Horse District Council – Planning Committee – 29 November 2023

- 1.6 The new air source heat pump (ASHP) will measure 2.70 metres tall, at a width of 2.00 metres and a depth of 0.50 metres. The ASHP will be situated to the rear of the dwelling, located under cover within the car port, along a western rear elevation of the dwelling.
- 1.7 Additional heritage and acoustic documents were received on the 17 September and 18 October respectively, to address initial comments received from the Heritage and Environmental Protection officers.
- 1.8 This application is accompanied by householder application [P23/V1862/HH](#)

2.0 SUMMARY OF CONSULTATIONS & REPRESENTATIONS

Below is a summary of the consultation comments received. Copies of the full consultation comments are currently available to view on the website.

2.1 FIRST CONSULTATION – AUGUST 2023

Discharge of condition 3(materials) on applications P22/V1788/HH and P22/V1789/LB. (Demolition of existing conservatory and erection of single storey replacement extension. Installation of solar panels to rear roof slope and of new garage).

[P22/V1789/LB](#) - Approved (16/09/2022)
Demolition of existing conservatory and erection of single storey replacement extension. Installation of solar panels to rear roof slope and of new garage doors.

[P22/V1788/HH](#) - Approved (16/09/2022)
Demolition of existing conservatory and erection of single storey replacement extension. Installation of solar panels to rear roof slope and of new garage doors.

[P18/V0218/LB](#) - Approved (19/03/2018)

Internal alterations to existing ceilings and doorways in modern rear extensions to listed building

[P99/V0269/LB](#) - Approved (13/04/1999)

Demolition of existing outbuildings and carport. Erection of new car port, caravan port, workshop, store and conservatory.

[P99/V0268](#) - Approved (13/04/1999)

Demolition of existing outbuilding and carport. Erection of new carport, caravan port, workshop, store and conservatory.

[P85/V0815](#) - Approved (13/09/1985)

Formation of carport by installation of roof on existing brick pillars.

[P78/V0659](#) - Approved (06/12/1978)

Vehicular access and drive.

3.2 PRE-APPLICATION HISTORY

[P17/V3198/PEO](#) - Advice provided (04/01/2018)

Internal alterations to existing ceilings and doorways in modern rear extensions to listed building.

4.0 ENVIRONMENTAL IMPACT ASSESSMENT

4.1 An EIA is not considered necessary for this Listed Building consent application.

5.0 MAIN ISSUES

5.1 The relevant planning considerations in determining this application are;

- **Heritage Impact**

5.2 Heritage Impact

The Vale Cottage is a Grade II Listed Building. This application proposes a number of internal and external works to the building, including the installation of new flooring, works to internal walls and partitions, repairs and replacement work to the external porch, front door and the principal ground floor windows. The proposal further sees works to the front (eastern) boundary wall and the installation of a new ASHP along a rear elevation of the dwelling (under the cover of the open car port).

- 5.3 The Council’s Heritage Officer has assessed the initial and additional information and has raised no further objections to the works proposed, commenting that they are “*satisfied from the additional information provided that the affected floors are not of historic interest and damaging to other elements of the property, therefore I have no objection to their replacement to the detail provided. The additional information also demonstrates that the proposed services to support the ASHP will have a low impact on historic fabric and are therefore acceptable.*”
- 5.4 Officers are therefore satisfied that the proposed works preserve the historic character, significance and setting of this Grade II Listed Building. The scheme is therefore considered acceptable on heritage grounds.

6.0 **CONCLUSION**

- 6.1 The nature and scale of the proposed works would preserve the historic significance and setting of this Grade II Listed Building. Having regard to this, the weighing of material considerations is in favour of granting Listed Building consent for the works. The proposal is considered to accord with the relevant policies of the Development Plan 2031 and the provisions of the Planning (Listed Buildings and Conservation Areas) Act 1990 and the National Planning Policy Framework.

The following planning policies have been taken into account:

VOWH Local Plan 2031 Part 1: Strategic Sites & Core Policies;
CP39 -The Historic Environment

VOWH Local Plan 2031 Part 2: Detailed Policies and Additional Sites;
DP36 – Heritage Assets
DP38 – Listed Buildings

Uffington and Baulking Neighbourhood Development Plan (2011-2031)
Policy D1 – Overall Design Quality
Policy D3 – Boundary Treatments

Supplementary Planning Guidance
South Oxfordshire and Vale of White Horse Joint Design Guide SPD (2022)

Planning (Listed Buildings and Conservation Areas) Act 1990
s66 – Duty as respects Listed Buildings in exercise of planning functions

National Planning Policy Framework

Planning Practice Guidance

Human Rights Act 1998

The provisions of the Human Rights Act 1998 have been taken into account in the processing of the application and the preparation of this report. The impact on individuals has been balanced against the public interest and the Officer recommendation is considered to be proportionate.

Equality Act 2010

In assessing this planning application the Council has regard to its equalities obligations including its obligations under section 149 of the Equality Act 2010. It is considered that no recognised group will suffer discrimination as a result of the proposal.
