REPORT OF THE STRATEGIC DIRECTOR
TO THE SOUTH EAST AREA COMMITTEE

10 January 2006

Community Grants

1.0 Introduction and Report Summary

- 1.1 The purpose of this report is to set out the current budget position for this Committee in respect of Community Grants and to invite Members to consider and determine the grant applications received since the last meeting.
- 1.2 The Contact Officer for this report is Lorna Edwards, Community Strategy Officer, (Tel: 01235 547626).

2.0 Recommendations

- (a) *Members are asked to note that the Head of Innovation & Enterprise has exercised officer delegation in consultation with the Chair of the Committee and awarded the following grants since the last meeting:*

<i>Applicant</i>	<i>Amount Requested</i>	<i>Amount Awarded</i>	<i>Purpose</i>
<i>St James (Hanney) School Assn</i>	<i>£425.00</i>	<i>£425.00</i>	<i>Eco-Week involving community</i>
<i>Mrs Martin-King, Milton</i>	<i>£179.77</i>	<i>£179.77</i>	<i>Tree maintenance</i>
<i>Mrs Sykes, Chilton</i>	<i>£371.30</i>	<i>£371.30</i>	<i>Tree maintenance</i>

- (b) *Members are asked to note that the Committee's remaining budget for 2005/06 is £13,439.88*
- (c) *Members are asked to clarify the principle of the decision not to award grants for re-thatching historic buildings which was taken on 6 July, namely*
(i) whether the resolution of 6 July applies to all applications for grant aid towards re-roofing and roofing repairs on historic buildings, regardless of material used, or only to applications for grant aid towards re-thatching historic buildings; and
(ii) whether the resolution applies to roofs of houses belonging to individuals only or to the roofs of all historic buildings including larger buildings which are open to the community to use or visit.
- (d) *In the light of the principle agreed under (c) Members are asked to confirm whether or not they are willing to consider an application received from the owners of the Corner*

House, Allin's Lane, East Hendred for a grant towards re-roofing a barn/garage using tiles

- (e) Members are asked to consider and determine the grant applications, the agenda and Council priority in respect of the following:
- (i) **Blewbury Croquet Club, £1,000**, towards the cost of extending and enclosing the shelter at the club, Social Agenda, Town & Village Vitality priority
 - (ii) **Harwell Primary School, £10,000**, towards the cost of developing the school swimming pool as a community amenity, Social Agenda, Town & Village Vitality priority
- (f) Members are asked to note that supplementary guidance for grants supporting the areas named above has been agreed and will be available to them soon

3.0 Relationship with the Council's Vision, Strategies and Policies

This report supports the Council's Vision and Priorities. It also supports the Vale Community Strategy. It does not conflict with any Council strategy or any Council policy.

4.0 Community Grants

- 4.1 The current budget position for the South East Area Committee for Community Grants is as follows:

Budget b/f 2004/05	Budget 2005/06	Total budget 2005/06	Environmental Agenda Proportion	Social Agenda Proportion	Economic Agenda Proportion	Discretionary Proportion
£3,473.32	£24,948.00	£28,421.32	£8,731.80	£8,731.80 (+ £1,308.20 from discretionary)	£2,494.80	£8,462.92
	Allocated	£14,981.44	£ 4,941.44	£8,731.80	£0	£1,308.20
	Remaining	£13,439.88	£3,790.36	£0	£2,494.80	£7,154.72

4.2 Clarification on principle of decision taken on 6 July 2005

At the first meeting of the financial year on 6 July 2005, the South East Area Committee took the decision that, due to the reduced grants budget in 2005/06, it would not award grants for re-thatching historic buildings. Shortly afterwards an application was received from the owners of the Corner House, Allin's Lane in East Hendred for a grant towards the cost of re-roofing the barn/garage within the curtilage of their Grade II listed building; however, the roof is not thatched but tiled and the application is towards the cost of stripping off the tiles, replacing the battens and felt and then putting back the undamaged tiles as is usual practice with clay tiles. The applicants indicated their intention to have the work done in September/October 2005.

- 4.3 As this was the only application that had been received for the South East Committee the Chair took the decision to cancel the meeting scheduled for 13 September. However, in view of the intended timing of the repair work and the urgency of the work, he agreed that members of the Committee should be consulted by e-mail on whether they felt that the decision taken on 6 July included applications for roofing repairs to historic buildings where the roofs were made of materials other than thatching, as in

the case of the Corner House. The responses to the consultation indicated that there was not a consensus so it was agreed with the Chair that the decision would be clarified at the meeting on 10 January.

- 4.4 The applicants were advised that, in view of the circumstances and the urgency of the repairs, the Principal Planning Officer would have no objection to the work starting before the Committee met to clarify their decision and, depending on that clarification, to consider the application; they were also advised that the authorisation to commence the work was without prejudice to the Council's subsequent decision.
- 4.5 Members are asked to clarify whether they intended the resolution of 6 July to apply to *all* applications for grant aid towards re-roofing and roofing repairs on historic buildings, regardless of material used, or whether the resolution applies *only* to applications for grant aid towards re-thatching historic buildings. Furthermore, Members are asked to clarify whether the resolution is intended to apply to roofs of houses belonging to individuals *only* or to the roofs of *all* historic buildings including larger buildings which are open to the community to use or visit.
- 4.6 In clarifying their decision Members are asked to note that although the majority of applications received for roofing repairs concern re-thatching, some applications have been received in the past for repairs where the roof is made of stone or clay tiles.
- 4.7 If Members confirm that their intention was only to decline applications for grant-aid towards re-thatching historic buildings, they are invited to consider the application from the owners of the Corner House, Allin's Lane, East Hendred, details of which are attached at Appendix A.

4.8 New applications for consideration

Applications have been received in respect of the following organisations and there are narratives providing additional details at Appendix B to the report:

- (i) **Blewbury Croquet Club, £1,000**, towards the cost of extending and enclosing the shelter at the club, Social Agenda, Town & Village Vitality priority
- (ii) **Harwell Primary School, £10,000**, towards the cost of developing the school swimming pool as a community amenity, Social Agenda, Town & Village Vitality priority

Members are invited to consider and determine the applications received and to determine the Council agenda and priority.

4.9 Changes in criteria to grants supporting historic buildings, work on trees, countryside conservation and parish cleansing

- 4.10 During the current financial year the Council has undertaken a review of the Community Grants criteria and adopted revised criteria at the Council meeting on 20 July 2005. Since then the portfolio-holder for Community Grants has been in discussion with officers regarding the provision of supplementary guidance for applicants wishing to apply for a grant to support historic buildings, work on trees, countryside conservation and parish cleansing, all of which had been the subject of individual grant schemes in the past prior to the merging of grant monies into one scheme, the Community Grants Scheme.
- 4.11 At a meeting on 20 December 2005 the portfolio-holder for Community Grants reviewed and agreed changes to the criteria for grants that support historic buildings, work on trees or countryside conservation and parish cleansing work. The changed

criteria emphasise that the grants are discretionary and any amount awarded will depend on the available budget and the priorities of the respective committee. However it is hoped that all area committees will be consistent in the use of the revised criteria.

- 4.12 Some aspects of the revised criteria will require legal clearance but it is hoped that this can be achieved by March in time for the last cycle of Committee meetings in this financial year. It is also hoped that a revised supplementary guidance leaflet for historic buildings will be available on Valeweb and in hard copy format for use by councillors and residents alike by the end of March.

Members are asked to note that supplementary guidance for grants supporting the areas named above has been agreed and will be available to them soon.

- 5.0** Details of grants awarded by this Committee during the year 2004/05 and this year to date are listed at Appendix C to provide an overview of the range of projects, services or events supported in the community.

Background Papers: Applications

APPLICATION: MR & MRS LAMBIE, CORNER HOUSE, EAST HENDRED

Details of former Historic Building Grant Scheme

The Planning (Listed Buildings and Conservation Areas) Act 1990 enables local authorities to grant aid the restoration of the historic fabric of listed buildings. The District Council had for a number of years operated a Historic Building Grant Scheme to assist owners in carrying out work that helped to maintain the historic features of their properties. The reasons for the support were: the properties are on public display at all times, many occupying prominent locations at the heart of their village or Conservation Area; these historic buildings contribute to the local distinct character of many of the Vales villages, and are one of the reasons why people visit the District each year; when compared to modern buildings and techniques, works appropriate for historic buildings are often more expensive due to the specialisation involved.

The District Council has a statutory obligation to ensure that historic buildings are maintained in good condition and this grant scheme was one way in which the Council could encourage owners to maintain their properties. Works eligible for grant aid included major structural repairs, major re-pointing, restoration of windows and re-roofing/re-thatching.

Outline of project

The owners of Corner House, Mr and Mrs Lambie are seeking a grant towards re-roofing the barn within the curtilage of their Grade II listed building. The barn/garage is separate from the house but abuts it; it is adjacent to Allin's Lane. They plan to strip off the tiles, replace the battens and felt and then replace the existing tiles. As can be seen in the photographs that will be shown at the meeting, the roof is in a very poor condition, and there is a danger of tiles falling off into one of the main roads into the village. The work is required to maintain the roof in a watertight condition for the considerable future. The work will also enhance the setting of Corner House, built in the early 17th Century, which is in close proximity to the barn.

Financial Information

The total cost of the work has been estimated at £4,500 excluding VAT.

Under the Historic Building Grant Scheme grants were awarded on the basis of 25% of the cost of eligible works up to a maximum of £1,250.

Officer comment (Alison Blyth, Principal Planning Officer, Environmental Policy):

The application fulfils the criteria adopted by the District Council for the operation of its former Historic Building Grant Scheme: The building is within the curtilage of a listed building, within the village Conservation Area, readily visible from the street, and the owner has lived there for 12 years.

Appendix B

(i) Applicant: Blewbury Croquet Club

The Club is seeking financial assistance to extend the shelter at the club. The existing shelter is inadequate; it is too small and inclement weather and prevailing winds mean that members often get wet. The plan is to treble the area of the shelter and make it fully enclosed.

The Croquet Club attracts members from Blewbury to Wantage and Chilton to Steventon and has a membership roll of 57 people, of which forty-four live in the Vale; in addition ten members come from different parishes in South Oxfordshire and a further three from elsewhere. Membership costs £55 per annum for adults, £25 for children and a maximum of £100 for families. Members range in age from 5 to 80 years.

The Club provides a comparatively cheap form of recreation and exercise and caters for all abilities, offering training classes for beginners and improvers. Several of the older members suffer from disabilities such as defective hips and knees and it is unlikely that they would take much exercise if it were not for the club. Quite a few members live on their own so the club provides a means of avoiding social isolation.

There is a croquet club at AWRE, Harwell and in Abingdon but the Blewbury Club serves people living in the village and surrounding area. The Club shares lawns with the Harwell Club when a major competition takes place.

The Club has applied to South Oxfordshire District Council but the application was rejected on the basis that the club is based in the Vale and the majority of the members live in the Vale.

This application supports the following strands of the Vale Community Strategy: Recreation, Health and Wellbeing, Town and Village Vitality.

Financial Information:

Total project cost	£13,608 including VAT; £11,582 excluding VAT
Balances	£6,127.37 at 31.3.05 (including £4,076.83 in Development Fund)
Own contribution	£5,500 (the club has recently used its funds to meet the full cost of an irrigation system - £7,000)
Grant sought	£ 1,000
Previous awards (Vale)	2001/02 £11,500 towards the installation of croquet lawns
Parish Council support	Applied but application unsuccessful due to lack of funds. (Parish Council had put resources into the legal campaign for the mobile home site earlier this year)
Other support	£2,000 promised by the national body, The Croquet Association

Applied to the Oxfordshire Community Foundation but application unsuccessful as they would only provide a grant for a sports club for disabled people
About to apply to Awards for All for £5,000

Parish precept £25,000; Band D £36.71

Officer comment (Helen Wynn, Sports Development Officer):

Blewbury Croquet Club has been involved in the Council's Sports Development Holiday Programme. They were particularly supportive and provided both the facility and expertise free of charge. The children and young people who attended the course enjoyed the activities provided and the club were very accommodating. They also proved their commitment to encourage new members of all ages to participate with the club on a regular basis.

(ii) Applicant: Harwell Primary School

The School is seeking a grant towards the cost of enclosing its swimming pool so that the pool can be used throughout the year. This will be achieved by building a telescopic building around the pool.

The facility would then be available for use by the community in the evenings and at weekends as well as during the school day. The likely users are children at the local pre-school playgroup, children and families in the school community and the elderly through contacts made as a result of the intergenerational project currently running with the charity Full Circle. It is also the school's intention to make the pool available to local swimming clubs. All of this would be in addition to the curriculum use of the pool.

Harwell School organises lifeguard cover from King Alfred's School for its own school swimming lessons which in turn helps the King Alfred's students taking the Sports Leadership Course. Lifeguard provision for community users would be by arrangement.

The Harwell Parish Plan identified the refurbishment of the swimming pool, including the provision of a means of covering it, as an opportunity to develop the school pool as a community resource at the same time as providing an improved facility for the schoolchildren. The covered pool will be an amenity for residents of all ages from Harwell and surrounding villages. It will be fully accessible to people with disabilities through the provision of a ramp.

This application supports the following strands of the Vale Community Strategy: Recreation, Culture & Leisure, Town & Village Vitality, Education & Lifelong Learning and Health & Wellbeing.

Financial information

Total project cost £72,726 including VAT; £63,085 excluding VAT

Balances £25,045 estimated for 31.03.06 of which £20,000 is for the project (see Other support) and £4,000 - £5,000 is required to be set aside as contingency and carry forward for future years, leaving balances of virtually zero.

Own contribution	£6,800 from fundraising by Harwell School Association
Grant sought	£10,000
Previous awards (Vale)	None
Parish Council support	Applied to Harwell Parish Council for £500, outcome awaited.
Other support	<p>Received £1,000 from Harwell Feast and £41,000 from Oxfordshire County Council from the school's reserves (£21,000 in 04/05 and £20,000 this year); Commitment of £6,800 from School Association who will raise an additional £5,000 if Awards for All application is unsuccessful.</p> <p>Applied to: Awards for All for £5,000 (outcome awaited)</p> <p>Oxfordshire County Council has also committed £9,711 for the demolition of the old changing rooms and levelling of the ground.</p>
Parish precept	£30,280; Band D £29.75

Officer comment (Toby Warren, Head of Innovation & Enterprise):

This project supports several strands of the Vale Community Strategy and helps to progress Harwell's parish plan. This project will also contribute to the new Oxfordshire Local Area Agreement as it should help to increase the uptake of sporting activities by 5-16 year olds.
