- appoint each member of the General Licensing Committee to serve on any taxi licensing panel which is convened so as to include her or him in its membership, subject to her or him having attended appropriate training in the last 12 months;
- authorise each taxi licensing panel to discharge all functions relating to matters referred to the committee or to its sub-committees under the Taxi Licensing Policy;
- agree that, wherever possible, applications should be heard by a panel comprising the chairman or vice-chairman of the committee plus two other members of the committee, but that this should not affect the principle that any three members of the committee will constitute a properly appointed panel;
- authorise the head of legal and democratic services to invite an appropriate panel to conduct a scheduled hearing having regard to members' availability and eligibility to take part and ensuring that as far as possible all members of the committee have the opportunity to conduct hearings.
