Summons to attend a meeting of Council

to be held on Wednesday 7 December 2022 at 7.00 pm
The Ridgeway, The Beacon, Portway, Wantage, OX12 9BY

A handwritten signature in black ink, appearing to read 'P. Arran', is positioned above the printed name.

Patrick Arran
Head of Legal and Democratic

Alternative formats of this publication are available on request. These include large print, Braille, audio, email and easy read. For this or any other special requirements (such as access facilities) please contact the officer named on this agenda. Please give as much notice as possible before the meeting.

Agenda

Open to the public including the press

1. Apologies for absence

To record apologies for absence.

2. Minutes

(Pages 8 - 20)

To adopt and sign as a correct record the Council minutes of the meeting held on 12 October 2022.

3. Declarations of interest

To receive declarations of disclosable pecuniary interests, other registrable interests and non-registrable interests or any conflicts of interest in respect of items on the agenda for this meeting.

4. Urgent business and chair's announcements

To receive notification of any matters which the chair determines should be considered as urgent business and the special circumstances which have made the matters urgent, and to receive any announcements from the chair.

5. Public participation

To receive any questions or statements from members of the public that have registered to speak.

6. Petitions

To receive any petitions from the public.

7. Council Tax Reduction Scheme 2023/24

(Pages 21 - 26)

Cabinet, at its meeting on 11 November 2022, considered the report of the head of finance on a review of the Council Tax Reduction Scheme.

Cabinet supported changes to the scheme to help local residents during the current cost-of-living crisis and beyond.

RECOMMENDATION: that for the 2023/24 financial year onwards, the council continues to adopt the previous 2022/23 Council Tax Reduction scheme but with the following amendments:

- to remove the 91.5 per cent limit (cap) when calculating the council tax bill,
- to remove the band E restriction for all residents, so that qualifying residents will have their Council Tax Reduction calculated at 100 per cent of their council tax bill,

- after any deductions and based on their property's actual council tax band, and
- to reintroduce the second adult rebate scheme to working age residents, in order to give a maximum 25 per cent reduction where they live with another adult on a low income.

8. Council tax base 2023/24

(Pages 27 - 31)

Cabinet, at its meeting on 2 December 2022, will consider a report on the council tax base for 2023/24.

The report of the head of finance, which Cabinet will consider on 2 December, is **attached**.

Cabinet's recommendations will be circulated to all councillors following the Cabinet meeting.

9. Appointment of an independent member to the Joint Audit and Governance committee

(Pages 32 - 37)

At its meeting on 15 November 2022, the Joint Audit and Governance Committee considered a report on the principle of the appointment of an independent person to the committee. The report also proposed that the Independent Remuneration Panel consider an appropriate level of allowance for such a position and the independent persons who assist the monitoring officer with code of conduct matters.

The report of the monitoring officer, considered by the committee at its meeting on 15 November 2022, is attached.

The committee supported the recommendations subject to the inclusion in the committee's terms of reference of the power to dispense with the service of any independent person who is not adding value.

RECOMMENDATION: to

1. agree to co-opt one independent person on to the Joint Audit and Governance Committee on a non-voting basis;
2. approve the person specification attached at appendix 1 to the report of the monitoring officer to the meeting of the Joint Audit and Governance Committee meeting held on 15 November 2022;
3. authorise the head of legal and democratic and monitoring officer and the section 151 officer, in consultation with the Joint Audit and Governance Committee co-chairs, to undertake the recruitment process and appoint an independent person to the Joint Audit and Governance Committee for a period of four years until May 2027;
4. authorise the head of legal and democratic to make changes to the councils' constitution to reflect the appointment;
5. ask the Independent Remuneration Panel to consider an appropriate level of remuneration for the role of independent person to the Joint Audit and Governance Committee and the independent persons dealing with code of conduct matters if the committee consider that the roles should be remunerated.

10. Review of the council's constitution

(Pages 38 - 94)

To consider the report of the head of legal and democratic and monitoring officer on proposed changes to the council's constitution.

11. Elections - scales of fees and charges

(Pages 95 - 102)

To consider the report of the returning officer.

12. Report of the leader of the council

To receive the report of the Leader of the council.

13. Election of leader of the council

Councillor Emily Smith has given notice that she is resigning as Leader of the council effective from 7 December 2022.

Council is invited to elect a leader of the council in accordance with the Cabinet arrangements and procedure rules as set out in the council's constitution for a term of office beginning immediately and ending on the date of the annual Council meeting in May 2023 (following the district council elections scheduled for May 2023).

The leader of the council will be invited to report on:

- the appointment of the deputy leader of the council
- the membership of the Cabinet and the allocation of portfolios
- the leader's scheme of delegation to cabinet members and officers

14. Questions on notice

To receive questions from councillors in accordance with Council procedure rule 33.

1. Question from Councillor Hayleigh Gascoigne to Councillor Judy Roberts, Cabinet member for development and infrastructure

Great Western Park has been almost complete for a few years now, and community assets, such as community centres, parks and green space have over this time been gradually transferred from the developer, Taylor Wimpey to the Council.

There has been some frustration from the community at not being able to use some of these facilities until this happens. Can you give an update on the handover of the parks and land to the Vale?

2. Question from Councillor Bob Johnston to Councillor Emily Smith, Leader of the Council

Given that consultation is now underway on the proposed Botley West Solar Farm spanning ours and two other districts, would the Leader agree with me that to deprive local councils of the power to determine the outcome would be an egregious example of centralised decision making?

3. Question from Councillor Alison Jenner to Councillor Debby Hallett, Cabinet member for Corporate Services and Transformation

New regulations on Voter ID include a limited list of acceptable documents for citizens wishing to exercise their right to vote. The Act they refer to addresses a problem which does not exist and the list to which it refers is very restricted. Most documents are ones for older people; very little provision is made for the sort of documents young people are likely to have; as not every young adult has a passport or a driving licence, each of which cost money to obtain.

I would like to ask the Cabinet member responsible for electoral issues what we, as a council, can do to enable voting by young people in good time to ensure their documentation is suitable for consideration at the polling station?

4. Question from Councillor Val Shaw, to Cllr Emily Smith, Leader of the Council

Several months ago, we voted on a Food and Farming motion, part of which specified the appointment of a Food and Farming Champion. Would you give us an update on this and what the council is considering in support for this sector? What contact has there been so far with this sector, and have we had any feedback from them?

15. Motions on notice

To consider motions from councillors in accordance with Council procedure rule 38.

- (1) Motion to be proposed by Councillor Emily Smith, seconded by Councillor Bethia Thomas:

Local councils are on the frontline, working to support residents and businesses survive a cost-of-living crisis. Our council has worked hard to support our residents through Covid and provide support for local businesses over this period, but demand on our services is increasing rapidly.

Between 2010-11 and 2020-21, district councils saw a 35% real terms reduction in overall spending power.

Analysis by the District Councils Network (DCN) suggests a collective budget gap for district councils of almost £400m in 2022-23. The DCN expects this to rise to at least £600m in 2023-24 (17% of net expenditure), due to the combined impact of the measures in the Autumn Statement and the latest inflation forecasts.

Council Notes that:

- The Autumn Statement does not do enough to cover the budget pressures that councils face due to fuel, energy, pay inflation and pressures on services due to the cost-of-living crisis.
- Without a multi-year financial settlement from government, our council is hindered in our efforts to plan the use of our limited resources efficiently.
- The Autumn Statement was silent on several key points, including reforms to the New Homes Bonus, a business rates re-set, the future of DEFRA's waste consistency reforms and the Fair Funding Review.

Council Resolves to:

- Continue to do all we can with the limited resources we have to ensure residents and local businesses are supported during the cost-of-living crisis.
- Continue to liaise with the District Councils Network, Local Government Association and South East Councils partnerships to share information and lobby for sufficient funding to be devolved to local government.
- Ask the Leader of the Council to write to the Secretary of State for Communities, Housing and Local Government and the Chancellor of the Exchequer setting out the concerns raised in this motion and asking for:
 - A multi-year financial settlement for local government including certainty on the timing of any changes to the New Homes Bonus and the Business Rates reset and the DEFRA waste reforms
 - Greater financial flexibility for efficient, low spending councils like the Vale
 - The ability to recover the full cost of providing planning and licensing services; at a minimum the early implementation of increases to planning fees proposed earlier in 2022
 - Additional funding to address the inflationary cost pressures the council is facing and resources to help address increasing demand for council services

(2) Motion to be proposed by Councillor Diana Lugova, seconded by Councillor Judy Roberts:

Two-thirds of new homes built in England in the year to the end of March 2022 use gas for central heating and will require retrofitting at some point in the future. New homes should be built to be low-carbon, energy, and water efficient, climate resilient and no new homes should be connected to the gas grid.

This council is working towards the district being carbon neutral by 2045 but in relation to planning and building regulations we are constrained in our efforts by national legislation.

Council notes:

1. That building regulations do not require homes or commercial properties to be carbon zero in their construction or their operation, only that they need to be 'zero carbon ready by 2025'
2. That national planning legislation does not allow councils to enforce zero or

negative carbon standards as part of our local plans

3. In response to a Liberal Democrat amendment proposed to the Levelling Up and Regeneration Bill* minister Lee Rowley MP made clear the government would not support allowing local planning authorities to insist on zero carbon build

Therefore, council resolves to ask the leader to write to the Secretary of State for Levelling Up Housing and Communities to ask that Building Regulations are urgently updated to reflect an expectation that all new buildings must be zero or negative carbon in their construction and operation.

Minutes

of a meeting of the

Council

held on Wednesday 12 October 2022 at 7.00 pm
at The Ridgeway, The Beacon, Portway, Wantage, OX12 9BY

Open to the public, including the press

Present:

Councillors: Margaret Crick (Chair), Jerry Avery, Paul Barrow, Ron Batstone, Eric Batts, Nathan Boyd, Cheryl Briggs, Andy Cooke, Andy Crawford, Eric de la Harpe, Amos Duveen, Neil Fawcett, Hayleigh Gascoigne, David Grant, Jenny Hannaby, Simon Howell, Alison Jenner, Bob Johnston, Diana Lugova, Patrick O'Leary, Sally Povolotsky, Judy Roberts, Janet Shelley, Emily Smith, Bethia Thomas, Max Thompson, Elaine Ware, Catherine Webber and Richard Webber

Officers: Ifty Ali, Locum Governance Consultant, Steven Corrigan, Democratic Services Manager and Simon Hewings, Head of Finance & Section 151 Officer

27. Apologies for absence

Apologies for absence were submitted on behalf of Councillors Samantha Bowring, Andy Foulsham, Debby Hallett, Ben Mabbett, Helen Pighills, Mike Pighills, Sarah Medley and Val Shaw.

28. Declarations of interest

None.

29. Minutes

RESOLVED: to approve the minutes of the Council meeting held on 13 July 2022 as a correct record and agree that the Chair sign them as such.

30. Urgent business and chair's announcements

The Chair thanked officers for all their work to help ensure the local arrangements for the national mourning period following the death of Her Majesty The Queen had run to plan and smoothly. The Chair advised that she had represented the council at a service of thanksgiving and remembrance and the Proclamation for King Charles III, both in Oxford.

31. Public participation

No members of the public had registered to address Council.

32. Petitions

None.

33. Treasury outturn 2021/22

Council considered Cabinet's recommendations, made at its meeting on 30 September 2022, on the outturn performance of the treasury management function for the financial year 2021/22. The Joint Audit and Governance Committee and Cabinet had considered the head of finance's report and were satisfied that the treasury activities had been carried out in accordance with the treasury management strategy and policy.

RESOLVED: to

1. approve the treasury management outturn report 2021/22; and
2. approve the actual 2021/22 prudential indicators within the report.

34. Adoption of powers from Oxfordshire County Council under Land Drainage Act

Council considered Cabinet's recommendations, made at its meeting on 30 September, on a request from Oxfordshire County Council (OCC) for the district council to act as an agent of the county council in the discharge of delegated functions for the operation and management of the powers and responsibilities of the lead local flood authority (LLFA) under Sections 19, 23, 24 and 25 of the 1991 Land Drainage Act.

RESOLVED: to approve the adoption of powers under an agency agreement with Oxfordshire County Council.

35. Review of the council's constitution

Council considered the report of the head of legal and democratic on proposed changes to the council's constitution.

RESOLVED:

1. That Council adopts the following for inclusion in the new joint Constitution with effect from the Annual Meeting of Council in May 2023 or earlier if practicable upon the advice of the Monitoring Officer:
 - a) Part 1 - Summary and Explanation section set out in Appendix B to the report of the head of legal and democratic to the Council meeting on 12 October 2022;
 - b) Part 2 - Articles of the Constitution set out in Appendix C to the report of the head of legal and democratic to the Council meeting on 12 October 2022;
 - c) Part 3 (c) – Committee Functions;
2. That Council adopts the following changes to the joint Constitution with immediate effect:

- a) Replace Part 16 Joint Staff Committee Procedure Rules with the Joint Staff Committee terms of reference and procedure rules set out in Appendix D to the report of the head of legal and democratic to the Council meeting on 12 October 2022;
 - b) Replace Part 22 Officer Employment Procedure Rules with the document set out in Appendix E to the report of the head of legal and democratic to the Council meeting on 12 October 2022;
 - c) Adopt the Officers' Code of Conduct set out in Appendix F to the report of the head of legal and democratic to the Council meeting on 12 October 2022 and insert as Part 35;
 - d) Replace Part 28 - The Protocol on Member and Officer Relations with the document set out in Appendix G to the report of the head of legal and democratic to the Council meeting on 12 October 2022;
 - e) Adopt the Press and Media Protocol set out in Appendix H to the report of the head of legal and democratic to the Council meeting on 12 October 2022 and insert as Part 36;
 - f) An amendment to Part 18p paragraph 1.1(a)(i) in the head of planning's scheme of delegation to read:

“A ward councillor (to include adjacent ward councillor whose parish has been consulted) calls in the application to be considered by the Planning Committee within 28 days of the ~~date of registration of the application~~ start of the consultation period and the request is agreed by the head of planning. This request must be in writing and refer to material planning matters to ensure the audit trail for making that decision is clear and unambiguous. Councillors' right of call-in does not apply to applications for certificates of lawful use or development, prior approvals and notifications.”
 - g) To retain Part 18p paragraph 1.1(c)(i) in the head of planning's scheme of delegation as a mechanism to allow members to request a call-in of an amended planning application; and
3. To authorise the head of legal and democratic to make these changes and any further minor or consequential amendments to the Constitution.

36. Report of the leader of the council

Councillor Emily Smith, Leader of the council, provided an update on a number of issues. The text of her address is available on the council's [website](#).

37. Questions on notice

A. Question from Councillor Amos Duveen to Councillor Helen Pighills, Cabinet member for Health Communities

Thinking ahead about the looming winter crisis, is the council looking into providing warm spaces, so called 'warm banks', for people who cannot afford their energy bills?

And, if so, what options are being considered?

Written answer

We have been working closely with Oxfordshire County Council, who recently announced a series of measures to help residents in need across the county this winter. They include using the counties libraries as warm places and a cost-of-living grant scheme aimed towards meeting the immediate needs of the crisis, developing personalised and specialist support, and promoting a more connected local charitable network.

Specifically, within the Vale of White Horse, we are looking across our own property portfolio to identify additional warm place locations for our residents and are pleased that our town and parish councils are doing the same. Members and officers have also attended a number of cost-of-living clinics across the district, where we offered advice and signposted to available support. We continue to directly offer support and advice to all our residents and businesses through our Community Hub and will continue to map and signpost to support across our district.

B. Question from Councillor David Grant to Councillor Debby Hallett, Cabinet member for Corporate Services and Transformation

With the ending of the sale of new petrol and diesel cars just over seven years away, electric vehicle charging points are now becoming a welcome condition on many planning permissions. At a local new estate, I was disappointed to see developers had installed the bare minimum to meet this condition, using a three-pin socket. Charging a car on these could take up to 20 hours making it impractical to rely on for daily use and preventing residents taking advantage of cheaper electricity rates at night, which the national grid needs them to do to balance electricity demand. These are likely to be ripped out and replaced by anyone who is considering making the switch.

The council has been farsighted enough to install much faster public charging points in our local car parks, but home charging is still the most cost-effective option for residents. Is there anything we can do to insist on a minimum charging speed for new chargers where they are being insisted on as part of the planning conditions?

Written answer

Building Regulations cover the installation of EV charging points on residential property and set a minimum speed of 7KW for EV chargers. Planning conditions must accord with legislation. On 15 June 2022 new regulations became effective, meaning that the example given reflects the position prior to that change. We endeavour to encourage the use of faster chargers through discussions with developers, but of course national legislation limits what we can require. We must continue to make the case to government that their building regulations need to go far further to ensure all new development is high quality and carbon negative.

C. Question from Councillor Bob Johnston to Councillor Neil Fawcett, Cabinet member for Strategic Partnerships

Following the news that the OxPlan 2050 process has come to an end, what will the council do to ensure that our agreed priorities continue to influence planning policy across Oxfordshire?

Written answer

Following the news that the OxPlan 2050 process has come to an end, what will the council do to ensure that our agreed priorities continue to influence planning policy across Oxfordshire?

All the Councils in Oxfordshire have signed up to the Oxfordshire Strategic Vision, and we had hoped that the OxPlan 2050 process would lead to a strategic plan for the whole county that would deliver those objectives.

The Vision sets out a set of clear outcomes we wanted to see by 2050 including:

- Our natural environment will be in a better state than that in which we found it
- We will already be carbon neutral and accelerating towards a carbon negative future
- Our residents will be healthier and happier, and overall wellbeing will have improved
- Our county will be a more equal, fair and inclusive place for everyone
- We will have energy efficient and affordable homes in the right number, location and tenure

We worked hard with the other councils to try and reach agreement on a way forward that would deliver these outcomes. Unfortunately, it became clear that there was no consensus between the councils on how best to approach this.

The Vale remains committed to delivering those outcomes and those in our own Corporate Plan.

Without an Oxfordshire Plan, the role of our Joint Local Plan becomes even more important in delivering these outcomes. It is being prepared in partnership with South Oxfordshire District Council and will set out the scale of growth across the Vale and where housing and other development will be located.

The Future Oxfordshire Partnership met in September and agreed the formation of a new Planning Advisory Group, made up of a member representing each District Council and the County Council. Through this group, the Vale will have an effective role in shaping wider thinking on Oxfordshire's future.

Across all of the previous participants of OxPlan 2050, there exists an ongoing 'duty to cooperate' this was not a function of OxPlan 2050, but of the planning system itself. This 'duty to cooperate' is a legal test that requires cooperation between neighbouring authorities to maximise the effectiveness of policies.

We will work together with other Oxfordshire authorities where sensible, (for example when commissioning evidence to inform our Joint Local Plan). We will also be able to

influence what is going on outside the district by responding to consultations on Local Plans and other policies launched by our neighbours, like the recently launched Oxford City Local Plan. We will support proposals that will deliver the outcomes set out in the Oxfordshire Strategic Vision, the new County Transport Strategy and other relevant policies and will ensure that the interests of Vale residents are upheld throughout.

D. Question from Councillor Ron Batstone to Councillor Emily Smith, Leader of the Council

In July 2021 Council reiterated its commitment to opening Grove station. It asked the leader to write to the Secretary of State for transport to ask for this to be considered as soon as possible.

Can the leader give an update on any response to her letter and the outcome of the bid to the Restoring Your Railways Fund?

Written answer

Thank you for the question on this matter which I know enjoys widespread support from members, local businesses and our residents. I did write to the Secretary of State in August 2021, but I have not had the courtesy of a reply.

I'm sorry to say that the bid promoted by the County Council and sponsored by the local MP to the Restoring Your Railways Fund was unsuccessful. The summary assessment was as follows:

"The proposal presents a strong case for the scheme in the context of expected growth in the area and references previous studies covering costs and feasibility. The scheme has support from a range of stakeholders. Evidence to support benefits narrative could be more detailed, but the scheme carries a significant risk in the form of the feasibility of operating services to stop at the station on an extremely busy critical strategic corridor."

Oxfordshire County council are paying for further feasibility work that will help make the case for investment next time an application for government funding is available.

I spoke to David Johnston MP about the disappointing result of the Restore Your Railways application and asked about alternative government funding sources, but he wasn't aware of any at this time.

The land required for a new station remains safeguarded in our local plan, but the funding for delivery and the logistics around trains stopping at Grove are of course not in this council's direct control. Partnership working and keeping Grove station at the top of the regional and national agenda is key.

E. Question from Councillor Paul Barrow to Councillor Judy Roberts, Cabinet member for development and infrastructure

We continue to have an increasing number of incidents of untreated sewage being discharged into our rivers with all the risks to public health from enteric infections and spread of antibiotic resistance. This was discussed at the Full Council meeting in July 2020. It is a problem for the Environment Agency, but much could be done by Thames Water through improved infrastructure to support new housing development.

I would like to know, first, what is being done to ensure that new housing developments incorporate sufficient sewerage (infrastructure) capacity and that this is associated with improved treatment capacity and, second, can we be assured that for all new housing development surface water is separated from foul water and discharged or treated separately?

Written answer

I am also very concerned about the increasing sewage discharges into our rivers and streams, both in terms of public health and the damage to nature.

All new development requires adequate drainage infrastructure that accords with the Building Regulations, including the appropriate separate systems for foul and surface water. As part of the plan making process, we consult with Thames Water to ensure appropriate capacity can be planned for and linked to our trajectories for the delivery of new housing. In addition, on all applications for major housing development we consult Thames Water and impose planning conditions to co-ordinate housing delivery with the necessary infrastructure. As Thames Water is our statutory consultee in relation to new development, we have to rely on the information they provide when making planning decisions.

Supplementary question and answer

As a supplementary question Councillor Barrow asked whether the council could obtain data on the correlation, or lack of it, between the frequency of discharges, location of new housing development and periods of rainfall to determine what percentage of discharges are the result of changes in weather, possibly resulting from climate change, or the result of inadequate capacity for sewage treatment.

Councillor Roberts responded that officers could consider any measures necessary and appropriate to monitor the issue.

F. Question from Councillor Diana Lugova to Councillor Emily Smith, Leader of the council

As the planning authority, when making decisions about planning applications we must comply with national planning policy and regulations to ensure that development is not harmful to nature and wildlife. I believe our council has ambitions to strengthen local policy to protect and enhance wildlife when planning new development, but I am very worried that recent announcements from the national government about scrapping of environmental laws will make this even harder.

The laws the government have said they would get rid of include the [Habitat Regulations](#) which protect some of our most vulnerable wildlife and green places across England. They also defend our clean water, clean air, and clean rivers.

Would the government's new stated approach mean that our ambitions as a council to strengthen protection and enhancement of wildlife and biodiversity through stronger policies in our emerging Joint Local Plan be undermined?

Written answer

This council is committed to increasing biodiversity in our Corporate Plan. The Oxfordshire Strategic Vision, which we signed up to with the other councils in Oxfordshire, aims to ensure that, by 2050, "Our natural environment will be in a better state than that in which we found it" and that development will "Enhance the historic and natural environment "

My expectation is that our new Joint Local Plan will reflect this ambition.

The previous Secretary of State for Environment, Food and Rural Affairs advised an intention to amend the Habitats Directive, which protects Natura 2000 sites. This would impact on our approach to planning policy in the emerging Joint Local Plan. As a new Secretary of State was appointed on 6 September, we await to fully understand any changes in relation to Habitat Regulations and the impact on our local plans and other local work to protect nature and increase biodiversity.

Like Councillor Lugova, I am growing increasingly worried about a number of statements made by a number of ministers over recent weeks.

I note that a number of well-respected non-political organisations such as the RSPB, National Trust, Wildlife and Countryside Link, and the Wildlife Trusts have taken the unusual step of vocally opposing suggestions by the Truss administration which constitute an 'attack on nature'. I share their concerns about policies such as:

- The removal from the statute books of 570 laws derived from EU directives that make up the bedrock of environmental regulations in the UK, covering sewage pollution, water quality and clean air. These include the habitat regulations, which have protected areas for wildlife for more than 30 years.
- The ending of the moratorium on fracking.
- The creation of 38 low-tax investment zones where environmental protections are to be relaxed to encourage development and reduce local planning powers.
- The scrapping of the post-Brexit environmental land management scheme (Elms), which pays farmers to enhance nature.

Until legislation is passed, and guidance produced it is hard to say if and how changes to Habitat Regulations and other legislation will impact our work locally. In the meantime, we need to continue to ensure our Joint Local Plan reflects this council's commitment to achieving the best possible outcomes for nature as possible.

G. Question from Councillor Elaine Ware to Councillor Sally Povolotsky, Cabinet member for Climate Change and Environment

Across the Vale of White Horse, we now have 62 Electric vehicle chargers in the council car parks, thanks to work at all levels of government. Would the Cabinet Member for Climate Change and Environment please provide the information as to:

1. The total usage of EV Chargers from each car park since installation
2. Loss of income from parking bays now occupied by EV charger installations
3. Income received by the council from the use of the chargers.

Written answer

Thank you for the question, I'm sure all members are as pleased as I am to see the chargers in place across our district, giving opportunities for drivers to transition to more sustainable vehicle types to address the climate crisis. This Innovate funded project is an investment in future transport needs, and an investment in infrastructure ahead of the major vehicle 'power' changes in 2030.

1. In terms of the total usage of EV Chargers from each car park since installation we can advise of the following usage in the period of June to August 2022:

- Wantage Portway - 379 sessions
- Abingdon West St. Helen Street - 373 sessions
- Abingdon Cattle Market - 295 sessions
- Abingdon Audlett Drive – 287 sessions
- Faringdon Southampton Street – 205 sessions

This is a total of 1,539 sessions and a total of 19,377 kWh of energy charged.

2. There is no loss of income from parking bays now occupied by EV charger installations as people who use the bays to charge their electric vehicles pay for their parking ticket charge like all other car park users. Whilst we have lost a few bays from the equipment such as a kiosk or extra wide charging bays, pre-installation data identified that there was sufficient capacity (underutilisation of spaces) in the car parks for this to make no difference to the income.

3. In terms of income received by the council from the use of the chargers, the council has entered into a profit share agreement with the provider EZ Charge, however the point at which profit is generated will depend on take up. At the project inception it was profiled to be in profit within four years, and we have seen a steady increase in take up and kWh charged since the chargers opened for use.

Supplementary question and answer

In response to a supplementary question asking what action could be taken to decrease the charging time for vehicles, Councillor Povolotsky responded that this was a matter for car manufacturers and planning regulations and not within the scope of the council.

38. Motions on notice

Council considered the motions set out in the agenda.

Motion 1. Delayed Waste Services Guidance

Councillor Sally Povolotsky moved, and Councillor Bob Johnston seconded the motion as set out in the agenda at agenda item 12.

After debate and on being put to the vote the motion was agreed.

RESOLVED:

That Council notes that:

1. Under the Environment Bill, there are due to be significant changes in waste and recycling policy, as well as the introduction of a deposit return scheme.

2. It is expected that DEFRA will require the majority of the planned reforms to come into effect from 2025, but the guidance councils need to put this in place has not yet been issued.
3. Our current waste contract runs until 2024. This council, like many others, are unable to commission or plan new waste services in line with the Environment Bill without detailed information about what is expected and how it will be funded.
4. The Local Government Association wrote to the previous environment minister, highlighting growing disquiet within the sector because of the lack of guidance.
5. The Local Authority Recycling Advisory Committee (LARAC) concluded that continuing delays and uncertainty means that investment is not being “unlocked” and local decisions are being stalled.

Therefore, Council resolves to

1. Support the aims in the Environment Bill to reduce waste and encourage reuse as well as recycling.
2. Ask the leader to write to the new environment minister, copied to our two local MPs, to:
 - a. ask for the guidance we need to plan our waste services to be issued urgently.
 - b. express this council’s concern about the risk the current delay creates to local household waste services and our impeccable record as one of the UK’s top district councils for waste recycling.
 - c. back the request made by LARAC that the industry needs at least a year’s advance warning to budget for operational changes, and up to five years to deliver infrastructure changes.

Motion 2. Support for Struggling Local Businesses

Councillor Hayleigh Gascoigne moved, and Councillor Neil Fawcett seconded the motion as set out in the agenda at agenda item 12

After debate and on being put to the vote the motion was agreed.

RESOLVED:

That we are living through a Cost of Living crisis, which is affecting individuals, families and businesses in the Vale and across the UK. This is being driven by food price inflation, up a record 13.1%* and energy price inflation. Small businesses have been particularly affected by rising energy, affecting their viability.

Data published by the Federation of Small Businesses (FSB) shows that nearly 53% of small companies expect to stagnate, downsize or fold in the next year. Many were taken to the brink of collapse during the pandemic and desperately need a period of stability and prosperity to recover. Businesses such as restaurants and pubs, which experienced greater challenges during the pandemic, now face even greater problems.

Even with the Government price cap support, energy prices will be double what they were last year for domestic users and for businesses, the cap only lasts for six months. The capped electricity costs 30% higher than 2021 for small businesses, and gas prices are 147% higher.

People will have less disposable income to support our local businesses during this crisis and the many businesses that were taken near to collapse during the pandemic

desperately need a period of stability and prosperity to flourish. The short-term energy price cap will not provide this.

During the covid-19 pandemic, this council processed and gave out £37.2 million of covid grants to help businesses in our district. We also offered advice and networking opportunities through services such as 'South and Vale business support'.

Council therefore resolves to:

1. Request that the Leader write to the relevant minister(s) asking them to:
 - a) reconsider the short length of the business energy cap period and to look at additional ways to provide direct support to specific business sectors such as pubs and restaurants.
 - b) accelerate and provide further renewable energy grants to enable businesses to more affordably transition to non-fossil fuel derived energy sources. This will help to mitigate this crisis and reduce exposure to similar crises in the future.
2. Aim to process any available support grants in the fairest and quickest way in line with Government guidance and due diligence. Using the experience gained during the covid pandemic, enable the council to seek to get them to where they are needed most.
3. Continue to provide advice and support to help local businesses through South and Vale Business Support, building on the lessons learned through our covid support programme.
4. Request the Chief Executive to consider instructing officer to bid for grants that become available to district councils to support local businesses to generate energy sustainably, making them less reliant on the rising costs of natural gas and electricity.
5. Continue to work positively with the Future Oxfordshire Partnership and Oxfordshire Local Enterprise Partnership (OxLEP) to ensure that the current needs of SMEs and rural businesses across the Vale are understood and considered when developing OxLEP programmes.

*as of the latest available figures in August 2022

Motion 3. Fracking

With the agreement of Council, Councillor Nathan Boyd moved, and Councillor Andy Cooke seconded revised wording to the motion set out in the agenda with deleted words shown by a double strikethrough and additional words shown in bold below:

"This Council welcomes the government's intention to tackle energy insecurity given the current energy costs crisis and supports **all** efforts to introduce new environmentally friendly power generation including wind, solar and other green energy solutions **to combat the climate emergency**. However, this council is concerned at the suggestion of the potential for fracking in **and around** the Vale of White Horse and its impact of residents.

No viable deposits of shale gas have been identified in the area in or around Vale of White Horse, but even if one were to be identified, the potential introduction of fracking into the Vale would have a number of detrimental implications for the local area, which include:

- 1) The introduction and effect of heavy vehicle movements on our roads.
- 2) The seismic risks caused by fracking especially considering the uncertainty about steps to predict and reduce its impact

- 3) The potential impact upon our rivers and protected streams
- 4) The hugely detrimental potential effect on our Areas of Outstanding Natural Beauty

~~This government has said it would allow fracking in areas with local consent. If the Government decided to allow any exploration and extraction of shale gas within the district, This council would~~ **resist any exploration of fracking in the Vale of White Horse district.** ~~require the strictest of safeguards in relation to any potential site in the Vale.~~

Our residents will be naturally concerned at the implications of fracking therefore this council believes that residents' consent to any potential site is critical and that Government should take account of the views of residents – which should be at the forefront - when considering any application.

With the evidence available, this council ~~does not believe that fracking is a good alternative energy option~~ **believes that fracking is an unacceptable alternative energy source** for the Vale of White Horse.

Fracking is inconsistent with this council's corporate plan objectives and in a climate emergency and current cost of living crisis, the focus should be on boosting the production and infrastructure for renewable energy and distribution for the future so everyone can afford green, sustainable energy.

Council therefore resolves to ask the leader of the council to write to the appropriate Government minister to make the council's position on fracking clear and to ~~suggest that the method of local approval should not only be through~~ **ask for confirmation that no fracking sites will be allowed without district council approval. On top of this, the minister should also consider requiring** ~~but also by~~ a referendum of local residents to be carried out at the cost of the energy company”.

After debate and on being put to the vote the motion was agreed.

Council tax reduction scheme 2023/24

Recommendations

Cabinet recommends to Council that for the 2023/24 financial year onwards the council continues to adopt the previous 2022/23 Council Tax Reduction (CTR) scheme but with the following amendments:

- to remove the 91.5 per cent limit (cap) when calculating the council tax bill,
- to remove the band E restriction for all residents, so that qualifying residents will have their CTR calculated at 100 per cent of their council tax bill, after any deductions and based on their property's actual council tax band, and
- to reintroduce the second adult rebate scheme to working age residents, in order to give a maximum 25 per cent reduction where they live with another adult on a low income.

Purpose of Report

1. The purpose of this report is to enable the council to adopt and implement a modified council tax reduction scheme for the financial years 2023/24 onwards.

Corporate Objectives

2. The council is required by statute to adopt a scheme to help those on low incomes to meet their council tax liability. In accordance with the strategic objective "running an

efficient council” by having a scheme we meet this objective whilst, at the same time, considering the views of residents, service users and other stakeholders.

Background

3. From April 2013, the national scheme to help people on low incomes pay their Council Tax (Council Tax Benefit), was abolished and a local scheme was introduced called Council Tax Reduction (CTR) scheme. The Government continued to fund the new scheme, but with a 10 per cent reduction in funding from the previous CTB scheme. In 2013, the council decided to keep the new CTR scheme as close to the old CTB scheme as possible.
4. For the financial year 2014 onwards, the council decided several changes for working age people (the scheme for people of pension age is decided nationally by the Government) would be made to ensure everyone contributes on a fairer basis to council services and help act as an incentive to encourage people to seek work. The changes were:
 - The removal of second adult rebate – where the applicant liable for council tax lives with another adult who is not liable for council tax, so does not receive a single person discount. If that other adult’s income is below a certain amount, the applicant can receive help with their council tax based on the other adult’s income, regardless of the applicant’s income.
 - The calculation of working age CTR is based on 91.5 per cent of their council tax liability, rather than 100 per cent. There were exemptions to this. These were applicants who were considered disabled, in receipt of War Widows Pensions, War Disablement Pensions or a single parent with a child under 5 years old. To be considered disabled, the applicant had to receive one of the following in their Council Tax Reduction award:
 - Disability premium.
 - Enhanced disability premium.
 - Severe disability premium.
 - A disability premium for dependants.
 - Enhanced disability premium for dependants.
 - Disabled earnings disregard.
 - A Council Tax disability reduction.
 - In receipt of Employment Support Allowance at any rate.
 - An applicant living in a property banded F, G and H would have their CTR calculated on band E. The same exemptions to this applied as to the reduction of CTR to 91.5 per cent.
 - The period of extended payment (where an applicant receives CTR based on the income they had when unemployed when they return to employment) was extended from 4 weeks to 13 weeks.

Proposals for 2023/24 onwards

5. It is proposed to reverse three of the amendments made to the scheme that were approved from April 2014. In summary, it is proposed the changes will:
 - i. provide greater support for low income working individuals and families that have previously been penalised financially and
 - ii. Provide a fairer council tax reduction scheme for all residents on a low income.

Why changes are being proposed

6. Council tax collection data indicate that the current minimum charge of 8.5 per cent and Band E restriction causes hardship for working individuals and families. Considering the current cost of living crisis and the cost to collect the potential shortfall this change should help reduce potential hardship that this minimum charge could bring them and their children.

Proposed changes to reintroduce Second Adult rebate

7. Second adult rebate is where the applicant liable for council tax lives with another adult who is not liable for council tax, so does not receive a single person discount. If that other adult's income is below a certain amount, the applicant can receive help with their council tax based on the other adult's income, regardless of the applicant's income.
8. The current system was designed to ensure everyone contributes to council services and to try and encourage people to return to work.

Proposed changes to remove the Council Tax Liability restriction

9. Currently, except those in a protected group, there is a restriction so their CTR is a maximum of 91.5 per cent and calculated to a maximum of Band E if they live in a higher banded property.
10. It is proposed to remove those restrictions, so all applicants can have their CTR calculated on 100 per cent of their council tax bill and their actual council tax band.
11. When changes were made to the 2014 scheme, it was decided that those not in a protected group may be encouraged or incentivised to return to work by being financially penalised with the 91.5 per cent cap. However, due to the cost-of-living crisis, it is more likely that these taxpayers are simply unable to pay this shortfall and, as a result, incur further recovery costs and see their arrears increase.

Consultation on the proposed scheme

12. A four-week public consultation was undertaken between Monday 10 October 2022 and Monday 7 November 2022. 12 local stakeholders were invited to comment along with 1,000 Vale residents. A total of 76 responses were received at the point of writing this report. 42 of the respondents were existing council tax reduction scheme recipients; 29 were non recipients; and 5 were stakeholder organisations, including Oxfordshire County Council and the Police and Crime Commissioner for Thames Valley.

13. The consultation highlighted that there is overall support for the three proposed changes to the scheme whilst certain scheme changes received a variety of considerations.
14. On the proposal to **remove the 91.5 per cent limit**, when calculating the council tax bill all residents not currently in a protected group, 66 per cent of respondents to this question either strongly agreed or agreed with the proposal. However, 14 per cent disagreed with this proposal and 20 per cent neither agreed nor disagreed with the proposal.
15. On the proposal to **remove the band E restriction** when calculating the council tax bill all residents not currently in a protected group, 43 per cent of respondents to this question either strongly agreed or agreed with the proposal. However, 24 per cent disagreed with this proposal and 33 per cent neither agreed nor disagreed with the proposal. The main issue of contention was regarding giving CTR to those in a large expensive house. However, the misconception here is that the properties in question are large privately owned properties rather than social housing.
16. On the proposal to **reinstate second adult rebate**, 66 per cent of respondents to this question either strongly agreed or agreed with the proposal. However, 22 per cent of respondents disagreed whilst 12 per cent neither agreed nor disagreed with the proposal. The main issue of contention was regarding giving assistance where the whole household income is not being considered.

Options

17. Based on the current situation and the responses to the consultation received to date it is recommended that Cabinet should recommend to Council **o proceed** with the modifications listed below. Therefore, in view of the foregoing, the scheme that is recommended to Council to adopt for 2023/24 onwards is the 2022/23 scheme but with the following amendments:
 - to **remove the 91.5 per cent** limit when calculating the council tax bill, and **remove the band E restriction** for all applicants, so that their CTR is calculated at 100 per cent of their council tax bill after any deductions and based on their property's actual council tax band.
 - to **reinstate Second adult rebate**
18. The other options are to only consider some of the modifications listed above or do nothing.

Climate and ecological impact implications

19. None

Financial Implications

20. If all the proposals are accepted into the CTR scheme there will be an approximate overall cost of around £184,000 per annum. However, as the costs are shared by the precepting authorities, approximately 78 per cent of the cost (£144,000) falls on Oxfordshire County Council, with the Police and Crime Commissioner (Thames Valley) funding £20,000 and the Vale £13,000.

Detailed below are the total costs if the restrictions were removed for the 2023/2024 financial year.

	Claims affected	Total additional cost	OCC	Police	VoWHDC	Parish
Removal of Band E restriction	24	£11,235	£8,763	£1,236	£786	£449
Removal of 8.5% deduction	1400	£171,767	£133,978	£18,894	£12,024	£6,871
Removal of both Band E restriction and 8.5% deduction	1400	£184,046	£143,556	£20,245	£12,883	£7,362
(*) Second adult rebate	28	£6,537	£5,099	£719	£458	£261

- The 24 claimants who are affected by the band E restriction are also affected by the 8.5 per cent deduction so are double hit by restriction, meaning the total claims affected are 1,400 and not 1,424.
- Please note that line 3 “removal of both Band E restriction and 8.5 per cent deduction” is the estimated maximum cost to each precepting authority as at 1 April 2023 if both changes are approved. Note, the combined impact total is not the same as simply adding lines 1 and 2 together.
- Second adult rebate claims (*) are a guide only. There will be no immediate cost to the precepting authorities as at 1 April 2023, as taxpayers will need to apply to have this reduction, therefore the above is purely an assumption over time.

21. Any council decision that has financial implications must be made with the knowledge of the council’s overarching financial position. For Vale, the position reflected in the council’s medium-term financial plan (MTFP) as reported to Full Council in February 2022 showed that the council was able to set a balanced budget for 2022/23, but that there is expected to be a budget gap in future years.

22. This future funding gap is predicted to increase to over £3.7 million by 2026/27. As there remains no certainty on future local government funding, following the announcement of a one-year spending review by government, and as the long-term financial consequences of the Coronavirus pandemic remain unknown, this gap could increase further. Every financial decision made needs to be cognisant of the need to address this funding gap in future years.

Legal Implications

23. The current council tax reduction scheme was adopted in 2022/23. There is a statutory duty to adopt a 2023/24 scheme by 11 March 2023. If this deadline is not adhered to, the council’s 2022/23 scheme will automatically be rolled over as a consequence.

Risks

24. There is a risk that the current CTRS caseload could increase, resulting in expenditure exceeding current estimates. However, over recent years we have seen only a slight increase in the caseload from 4,909 in June 2019 to 5,067 in June 2022. This trend has continued even during the pandemic when the caseload only increased slightly to 5,118 in June 2020 and 5,199 in June 2021. There is no indication that a similar trend would not be expected during the cost-of-living crisis.
25. Changing a council tax reduction scheme which levels up categories of all claimants without being supported by robust principles and consultation, could be open to legal challenge on equalities grounds. However, to mitigate this, the council has ensured that it has fully complied with the necessary consultation and equality requirements.

Other implications

26. The council undertook an Equality Impact Assessment (EIA) of the proposed changes. There were no actions to take, as by their nature, the proposals address the disadvantages which currently exist for certain categories of claimant considered at risk of discrimination. Where data was available, the EIA did not find any significant variance from the general population of either the Vale or nationally.

Conclusion

27. The council must adopt a local council tax reduction scheme for 2023/24 by 11 March 2023 and it is proposed that this be based on a scheme which intends to support all residents on low incomes with help towards paying their council tax. The proposals in this report as proposed by the Cabinet Member for Finance, is to enhance the current scheme to ensure it helps residents during the cost-of-living crisis; continues to be fair on all residents and protects the vulnerable.

Council tax base 2023/24

Recommendations

That Cabinet recommends Council to:

- (a) Approve the report of the head of finance for the calculation of the council's tax base and the calculation of the tax base for each parish area for 2023/24.
- (b) Agree that, in accordance with The Local Authorities (Calculation of Council Tax Base) (England) Regulations 2012, the amount calculated by Vale of White Horse District Council as its council tax base for the year 2023/24 is 56,665
- (c) Agree that, in accordance with The Local Authorities (Calculation of Council Tax Base) (England) Regulations 2012, the amount calculated by Vale of White Horse District Council as the council tax base for the year 2023/24 for each parish be the amount shown against the name of that parish in **Appendix A** of the report of the head of finance to Cabinet on 2 December 2022.

Purpose of Report

1. The purpose of this report is to ask Cabinet to recommend the council tax base for 2023/24 to Council for approval.

Corporate Objectives

2. The calculation of the tax base is a legal requirement and an essential part of the tax setting process which helps to achieve the council's corporate objectives.

Background

3. Before the council tax can be set by the council, a calculation has to be made of the council tax base, which is an estimate of the taxable resources for the district as a whole and for each parish area.
4. The council tax base for the district has to be notified to Oxfordshire County Council and the Police and Crime Commissioner for Thames Valley by 31 January 2023. Each parish and town council is also notified of the figure for its area.
5. The legislation requires that the council tax base is approved by full council or a non-executive body with delegated powers. No such delegation exists, so cabinet is therefore asked to recommend to council the schedule set out in **Appendix A** as the council tax base for the district as a whole and for each parish area.

Options - Calculation of the tax base

6. The starting point for the calculation is the total number of dwellings and their council tax band.
7. The council then allows for the following information, for each band:
 - (a) dwellings which will be entirely exempt, so no tax is payable (e.g. those occupied entirely by students)
 - (b) dwellings which will attract a 25 per cent reduction (e.g. those with a single adult occupier)
 - (c) dwellings which will attract a 50 per cent reduction (e.g. those where all the adult residents qualify for a reduction)
 - (d) dwellings which will be treated as being in a lower band because they have been adapted for a severely disabled person. The regulations provide methodology to take account of the reduction available to those in band A dwellings
 - (e) dwellings which will be on the valuation list, but which attract discounts or disablement relief or are exempt, for only part of the year
8. Each band is then converted into "band D equivalents" by applying the factor laid down by legislation. For example, a band A dwelling is equal to $\frac{2}{3}$ of a band D dwelling and is therefore multiplied by $\frac{2}{3}$ to arrive at the band D equivalent figure, whilst a band H dwelling is equal to twice a Band D dwelling and is therefore multiplied by two to arrive at the Band D equivalent figure. All these are then added together to give a total of band D equivalents.
9. A final adjustment is required to allow for non-collection. The council is required to decide what its collection rate is likely to be and apply this to its council tax base. For the 2022/23 tax the council assumed 98 per cent would eventually be collected and it is proposed to use 98 per cent again in 2023/24.

Taxbase for 2023/24

10. Based on the assumptions detailed above, the council tax base for 2023/24 is **56,665**
11. Similar calculations are required for each parish in order to calculate the proportion of the district's tax base which relates to its area. A schedule of the tax base for each parish is set out in **Appendix A**.
12. To calculate the council tax amounts payable per property band for the council, its council tax requirement (i.e. the amount of council tax to be raised) is divided by the Band D equivalent (tax base). This will be finalised during January and February, culminating in the council tax being set by council on **15 February 2023** (this date is subject to the council being notified of the major precepting authorities' council tax requirements).

Climate and ecological impact implications

13. There are no direct climate and ecological implications arising from this report

Financial Implications

14. Any council decision that has financial implications must be made with the knowledge of the council's overarching financial position. For Vale, the position reflected in the council's medium-term financial plan (MTFP) as reported to Full Council in February 2022 showed that the council was able to set a balanced budget for 2022/23, but that there is expected to be a budget gap in future years.
15. This future funding gap is predicted to increase to over £3.7 million by 2026/27. As there remains no certainty on future local government funding, following the announcement of a one-year spending review by government, and as the long-term financial consequences of the Coronavirus pandemic remain unknown, this gap could increase further. Every financial decision made needs to be cognisant of the need to address this funding gap in future years.
16. The financial implications and calculations for the tax base are set out in the body of the report.

Legal Implications

17. These are set out in the body of the report.

Risks

18. The council's methodology for calculating the tax base involves basing the calculation on actual dwellings at a certain point in time, rather than forecasting on potential new dwellings that may be built in the future. Because of this the risk exposure is considered to be low.

Other Implications

19. n/a

Conclusion

20. As covered above, the calculation of the tax base is a legal requirement and it is asked that Cabinet recommends the council tax base for 2023/24 to Council for approval in accordance with Appendix A.

Joint Audit and Governance Committee

Report of Patrick Arran, Monitoring Officer
Author: Steven Corrigan
Telephone: 07717 274704
E-mail: steven.corrigan@southandvale.gov.uk

DATE: 15 November 2022

Appointment of an independent member to the Joint Audit and Governance Committee

Recommendation

That the committee:

1. Approve the principle of co-opting an Independent Person onto the Joint Audit and Governance Committee on a non-voting basis.
2. Approve the person specification attached at appendix 1.
3. Recommend that each Council:
 - a) agrees to co-opt one independent person on to the Joint Audit and Governance Committee on a non-voting basis;
 - b) approves the person specification attached at appendix 1;
 - c) authorises the head of legal and democratic and monitoring officer and the section 151 officer, in consultation with the Joint Audit and Governance Committee co-chairs, to undertake the recruitment process and appoint an independent person to the Joint Audit and Governance Committee for a period of four years until May 2027;
 - d) authorises the head of legal and democratic to make changes to the councils' constitution to reflect the appointment;
 - e) asks the Independent Remuneration Panel to consider an appropriate level of remuneration for the role of independent person to the Joint Audit and Governance Committee and the independent persons dealing with code of conduct matters if the committee consider that the roles should be remunerated.

Purpose of Report

1. To invite the committee to agree the principle of the appointment of an independent person to the Joint Audit and Governance Committee, agree a person specification and recommend each Council to appoint an independent person to the Joint Audit and Governance Committee.

Corporate Objectives

2. High standards of conduct underpin all of the councils' work and the achievement of both councils' corporate objectives and assist with ensuring effective governance.

Background

3. Audit committees are a key component of an authority's governance framework. Their function is to provide an independent and high-level resource to support good governance and strong public financial management. The purpose of an audit committee is to provide to those charged with governance independent assurance on the adequacy of the risk management framework, the internal control environment and the integrity of the financial reporting and governance

processes. By overseeing both internal and external audit it makes an important contribution to ensuring that effective assurance arrangements are in place. The Council's audit committee should adopt a model that establishes the committee as independent and effective.

Independent Person appointment

4. Many local authorities include independent persons on their audit committees (or similar) as this is seen as strengthening the internal control and governance of the authority. Independent persons with appropriate skills and experience can supplement those of elected members and improve the effectiveness of such committees.
5. Guidance issued by the Chartered Institute of Public Finance and Accountancy (CIPFA) encourages local authorities to include independent persons on their audit committees which is seen to bring positive benefits and be a mark of good practice to demonstrate good governance principles and independence from the executive and other political allegiances. It is a requirement for police audit committees, English combined authorities and for local authorities in Wales, and it is usual practice for non-executives to be committee members in health and central government audit committees. The injection of an external view can often bring a new approach to committee discussions.
6. Independent persons are non-councillors who are suitably qualified with experience in the area of audit/governance and bring specialist knowledge and insight to the workings and deliberations of the committee to amongst other things provide:
 - An effective independent assurance of the adequacy of the risk management framework.
 - Bring additional knowledge and expertise to the committee.
 - Independent review of the Council's financial and non-financial performance.
 - Independent challenge to, and assurance over, the Council's internal control framework and wider governance processes.
 - Reinforcement of the political neutrality and independence of the committee.
 - Maintain continuity of committee membership where the membership is affected by the electoral cycle.
7. The independent person would not have a vote in the same way as members of the committee and will be part of the committee in an advisory and consultative manner.
8. While operating as a member of the audit committee, the independent person is required to follow the councils' Constitution and Code of Conduct for elected members. They should also register any interests. It is usual for co-opted persons not to have voting rights, and this is the position being proposed here.
9. The primary considerations when considering audit committee membership

should be maximising the committee's knowledge base and skills, being able to demonstrate objectivity and independence, and having a membership that will work together.

10. A job specification is attached at appendix 1 and is based on similar positions at other councils. Officers propose that the arrangements for the recruitment and advertising of the role are delegated to the head of legal and democratic and monitoring officer and section 151 officer, in consultation with the Joint Audit and Governance Committee co-chairs. Both the section 151 officer and monitoring officer support the appointment of an independent person.

Remuneration

11. The committee is asked to consider whether remuneration should be offered given the need for quite specialised experience in audit, otherwise the position would be advertised as a voluntary position. Officers consider that the particular level of specialist knowledge and the limited pool of possible appointees supports the need for a small allowance. In order to attract suitably qualified and experienced applicants and to recognise the time commitment and resources required. If the committee agrees that a payment is appropriate, Council will be recommended to ask the Independent Remuneration Panel to consider an appropriate level of allowance, to be recommended to each Council.
12. Currently the independent persons assisting the monitoring officer with code of conduct matters are not paid an allowance. Officers are of the view that these positions provide valuable assistance to the monitoring officer and that there should be provision for an allowance in recognition of the role. If the committee agrees, Council will be recommended to invite the Independent Remuneration Panel to consider the payment of an allowance for the independent persons dealing with code of conduct matters.

Financial Implications

13. Any costs associated with the recruitment, selection, appointment and subsequent disbursements to any Independent Person will be contained from within existing revenue service budgets. There is currently no budgetary provision for the payment of allowances for independent persons. Any allowances, should it be agreed that they be payable, would be built into the budget setting process for future financial years.

Legal Implications

14. A council's audit committee is established further to the Local Government Acts 1972 and 2000 and its purpose is to give assurance to members and the public about the governance, financial reporting and performance of the council. The appointment of a non-voting Independent Person on the committee will assist and promote good governance and scrutiny of the committee. Section 102(3) of the Local Government Act 1972 allows a council to include persons who are not members of the authority on a committee. Section 104 of the Act sets out disqualifications from membership, which is the same as those for being elected or being a member of a local authority. These requirements will be reflected in the recruitment pack.

Risks

15. Subject to adequate vetting procedures and adherence to the Person Specification, this initiative should augment the Joint Audit and Governance Committee's independence, provide additional expertise, and provide an opportunity for the community to play an enhanced role in the governance of the council.

Other Implications

16. None.

Conclusion

17. To enhance the effectiveness of the Joint Audit and Governance Committee, and in line with the principles set out by CIPFA, it is proposed that the councils appoint an independent person who is not a member, or an officer of the councils, to the committee to contribute to the important role of promoting good governance and accountability.

DATE: 7 December 2022 (Vale) and 8 December 2022 (South)

Review of the council's Constitution

Recommendations

That Council:

1. adopts the following sections of the Constitution with immediate effect:
 - (i) the Procurement Procedure Rules, set out in Appendix B, as Part 4 (8);
 - (ii) the Anti-Fraud, Corruption and Bribery Policy, set out in Appendix C, as Part 5 (8);
 - (iii) the Whistleblowing Policy, set out in Appendix D, as Part 5 (3); and
2. authorises the head of legal and democratic to make these changes and any further minor or consequential amendments to the Constitution.

Purpose of Report

1. This report proposes revisions to the current Constitution to ensure it is up-to-date and reflects the council's changing environment.

Strategic Objectives

2. The Constitution underpins all the council's decision-making and therefore supports all Corporate Plan objectives.

Background

3. South Oxfordshire District Council and Vale of White Horse District Council have adopted a joint Constitution. The majority of the Constitution applies equally to both

councils, with a few minor differences. Periodically the councils undertake a Constitution review in pursuance of the requirements in Section 37 of the Local Government Act 2000.

4. The Joint Constitution Review Task Group was appointed by the two Councils in December 2021 to conduct this review. The task group consists of members from both South Oxfordshire District Council and Vale of White Horse District Council and is cross-party. The task group has met regularly in 2022. Two co-chairs were appointed to the review group: Councillor Stefan Gawrysiak from South Oxfordshire and Councillor Emily Smith from the Vale, who alternate the chairing role. The task group is supported by the head of legal and democratic, officers from democratic services, as well as service-specific officers where appropriate.
5. Only full Council can amend the Constitution. This report is being submitted to both councils' Council meetings and sets out the task group's recommendations.

Scope of this review

6. The task group is in the process of reviewing the Constitution from front to back to reflect the model Constitution adopted by most councils. The task group is aware of the size of this undertaking and has adopted a step-by-step approach. The task group's first report to Council was in October 2022, when both Councils adopted the recommendations. A revised version of the Constitution was published thereafter. This is the second of the task group's reports to Council as part of a series of regular reports to recommend new sections.
7. Due to the need to ensure the re-written Constitution is both correct and easy to read, the task group has had two readings of each element.
8. A full schedule of the elements of the new Constitution and the progress made by the task group is shown in the contents and action tracker, attached at **Appendix A**.

Suggested changes to the Constitution

Part 4 – Rules of Procedure: Procurement Procedure Rules

9. The current Constitution contains a section called Contract Procedure Rules. This was written several years ago and has increasingly become out-of-date. An officer team from the Finance Procurement team and Legal Services worked together to review the procedure rules. In conducting their review, officers gathered examples of best practice and guidance from the Chartered Institute of Public Finance and Accountancy. A revised set of procedures was put before the task group as a draft.
10. The task group welcomed the strategic approach that had been taken to the new procedure rules. The aim had been to make the rules easier to use and make it easier for companies to contract with the councils. A risk-based approach had been adopted, and standard contracts were recommended wherever possible. The rules guided officers in how to prepare contracts and advised on the need to support the council's corporate objectives, including the need for ethical procurement. The task group supported the principles behind the new procedure rules.

11. The new set of **Procurement Procedure Rules**, if adopted by the Councils, will form Part 4 (8) of the new Constitution. These rules are attached at **Appendix B**. Council is asked to adopt the new Procurement Procedure Rules with immediate effect.

Part 5 – Codes and Protocols: Anti-Fraud, Corruption and Bribery Policy

12. The task group recognises the need for the council to regularly review its anti-fraud, corruption and bribery policy to ensure it is up-to-date and follows the latest best practice. The policy provides guidance on how to raise concerns about fraud, bribery or corruption within the councils. It helps employees understand when, how and who to contact when they have concerns about fraud, bribery or corruption. It also helps councillors, co-optees on the councils' committees, partners, contractors, suppliers, voluntary organisations, and members of the public to understand how and when to contact the relevant council with their concerns.
13. The task group has reviewed the policy and included a response plan to set out what would happen if there was a breach. The revised policy makes it clear that fraud, bribery or corruption will not be tolerated, that the councils are committed to preventing and detecting fraud, bribery or corruption, and that those perpetrating fraud, bribery or corruption will be prosecuted.
14. Council is asked to adopt the new Anti-Fraud, Corruption and Bribery Policy, as set out at **Appendix C**, with immediate effect. It will form Part 5 (8) of the new Constitution.

Part 5 – Codes and Protocols: Whistleblowing Policy

15. The task group has reviewed the whistleblowing policy. A whistleblowing policy is an essential part of any good governance framework. The council promotes a culture of openness and fairness and expects all those who work for and with them to adopt the highest standards of propriety and accountability. However, all councils face a risk that something may go wrong and must address those risks as early as possible. Whenever a situation arises, there must be an opportunity for anyone to raise their concern before damage is done. This opportunity must be available without any fear.
16. The task group believes that the council must commit to the highest possible standards of openness, honesty and accountability in their activities. The council can also expect the highest standard of conduct and integrity from those that work with and for the council. The council must take seriously and investigate reports of improper activities. The revised whistleblowing policy aims to ensure that when anyone raises concerns, the councils will address them and protect the person raising the concern. The policy provides guidance on how to raise concerns within the council.
17. Council is asked to adopt the new Whistleblowing Policy, as set out at **Appendix D**, with immediate effect. It will form Part 5 (3) of the new Constitution.

Financial Implications

18. There are minimal financial implications for amendments to the Constitution as no paper copies are printed. The Constitution is published to the council's website and the public, councillors and officers are encouraged to refer to this online version.
19. The review of the Constitution is aimed at making the council's procedures more efficient and therefore there may be some financial gains as a result of the proposed changes.

Legal Implications

20. Section 37 of the Local Government Act 2000 requires the Council to keep its Constitution under review. The Monitoring Officer is responsible for ensuring that the council operates within the law and that the Constitution is fit for purpose.

Conclusion

21. This report sets out proposals to further amend the Constitution. The Joint Constitution Review Task Group recommends that Council approves the proposed changes for implementation on the dates shown above and authorises the head of legal and democratic to make these changes and any further minor or consequential amendments.
22. The Constitution review is a continual process. Any changes adopted by Council can be subject to further review or adjustment. The task group will continue with the review and will make further recommendations to Council in due course.

Procurement Procedure Rules

SECTION 1 INTRODUCTION

The aim of this document and its underlying procedures is to bring Value for Money to the forefront of any expenditure when procuring Supplies, Services, or Works, awarding any Concession and disposing of surplus or obsolete goods/stock. These procurement rules ('the Rules') together with the Corporate Procurement Strategy and supporting guidance notes will help to ensure strategic, efficient, and economic contracts are in place, that are managed well, and help to reduce costs and risk within the supply chain. This will also help to ensure all procurements contribute to the economic, social, and environmental benefits for our communities.

Background

- 1.1. The Council is accountable to the public for the way it spends public funds, ensuring value for money, efficient, effective, and economic delivery of services and maximising the benefits available from the budgets and activity which supports the Council's strategic objectives as set out in the corporate plan. These Rules comprise standing orders and set out the framework that must be followed for:
 - i. the procurement of Supplies, Services or Works
 - ii. the award of any Concession and/or
 - iii disposal of surplus goods or obsolete items of stock or items on an inventory.
- 1.2. The Rules are complemented with supporting guidance notes and templates which must be adhered to. These documents will be periodically reviewed and amended by the Council's Procurement Team in consultation with Legal Services and the Section 151 Officer where appropriate, to reflect changes in law, policy, corrections. etc.
- 1.3. In the case of Concessions, reference should be made to the Concession Contracts Regulations 2016 ('CCR') and advice sought from the Procurement Team and / or Legal Services

General Principles

- 1.5. These Rules constitute the Council's standing orders in respect of third party contracts for the purposes of section 135 of the Local Government Act 1972:
 - i. To ensure the Council complies with its legal obligations regarding:
 - (a) the procurement of Supplies, Services and Works
 - (b) any Concession; and
 - (c) Disposals
 - ii. To ensure the Council obtains Value for Money and Best Value
 - iii. To prevent corruption or the suspicion of it

- iv. To ensure fairness and equality of treatment of all suppliers, avoidance of bias, favouritism and that fairness can be demonstrated through an audit trail, and
- v. To promote Social Value, including the local economy and environmental sustainability, to the extent that it is legally permitted
- vi. To align with the Council's Corporate Procurement Strategy.

1.6. All Contracts must be let in accordance with:

- i. all applicable laws from time to time
- ii. these Rules and the Constitution (including the Financial Procedure Rules and scheme of delegation)
- iii. the Council's standard terms and conditions from time to time. **See Guidance Note Using the Council standard terms and conditions of contract (PROC26)**

Where this is not possible, or departure is being considered, the Waiver process set out in these Rules should be followed in advance of any Procurement commencing with the requisite form being completed and signed off by Procurement (and legal and finance if required) for audit purposes. Depending on the nature of risk / complexity to be assessed by the Procurement Team, Legal Services shall be consulted ahead of any formal decision as to whether a Waiver is appropriate. **See Guidance Note Use of Waivers (PROC24).**

1.7. For Supplies or Services procurement related to Financial, Legal Services or ICT, these should not commence without prior approval from the Procurement Team, in conjunction with Legal Services, where appropriate.

1.8. The Council's procurement process shall:

- i. Comply with such of the Council's policies as are relevant, specifically the Corporate Procurement Strategy, Social Value Policy and associated supply chain standards and initiatives
- ii. Seek to reduce disadvantage, advance equality and promote community cohesion as defined in the Equality Act 2010
- iii. Make every effort to promote local businesses including Small and Medium-sized Enterprises ('SMEs').

1.9. No Contract shall be made unless:

- i. There is a statutory power to do so
- ii. It can be demonstrated that it represents Value for Money
- iii. The necessary authorisation has been obtained in accordance with the Constitution and appropriate decision-making process
- iv. It positively contributes to the Council's strategic themes and priorities, and
- v. It is in compliance with all applicable laws and Council policies in force from time to time.

1.10. In addition, where a procurement is to be undertaken it should:

- i. Ensure that the whole needs of the Council are considered and wherever possible taken into account
- ii. Take into consideration opportunities to benefit from collaboration either inter department or inter authority or using existing compliant Contracts.

When the Rules do not apply

- 1.12. These Rules do not apply to:
- 1.13. Service contracts excluded under Regulation 10 of the Public Contracts Regulations Act (2015) ('PCR'), including but not limited to:
 - i. Contracts regarding the purchase or lease of property, acquisition, disposal, transfer of land, or any interest in land which includes licenses (for which the Council's Land Transaction Procedure Rules shall apply)
 - ii. Expenditure on legal matters (including all associated costs and fees) in connection with legal proceedings (including tribunals, inquiries, civil or criminal court proceedings and external legal advice in anticipation or contemplation of legal proceedings)
 - iii. Treasury Transactions as outlined within the council's Treasury Management Strategy.
- 1.14. Contracts awarded under the PCR 12(1) (formerly referred to as the Teckal exemption).
- 1.15. Contracts awarded under PCR 12(7) (e.g. establishing or implementing a public contract with another public sector entity).
- 1.16. Contracts of employment which make an individual a permanent or interim employee of the Councils (for the avoidance of doubt this exemption does not apply to the appointment of consultants).
- 1.17. Non-contractual funding arrangements (including Grant agreements under which the Council gives a Grant to third parties in accordance with the applicable policy or procedures) provided that the terms of the funding arrangements do not contain mutual obligations which would constitute a Contract (rather than a Grant).
- 1.18. Specific licencing requirements (such as TV Licence or Public Entertainment Licence) or subscriptions to national organisations (such as the Local Government Association).
- 1.20. Contracts for the execution of either Works or provision of Supplies or Services which must be provided by a Statutory Undertaker other than the Council. This includes, but is not limited to, arrangements with a utilities provider, where the Council has no discretion regarding whether Works are required or who must deliver them
- 1.21. Disposal of supplies deemed surplus to Council needs;
- 1.22 In the event of a genuine emergency or a major disaster involving immediate risk to persons, property or serious disruption to Council services or significant financial loss, these Rules would not apply to the extent necessary to deal with the immediate risk.
- 1.23 Once the immediate risks of that genuine emergency or major disaster has been duly mitigated, any follow up actions which would typically be subject to these

Rules should look to comply with the Rules as soon as practically possible following this.

Waivers

1.24. It should be the default position to obtain Best Value through competition, as described in these Rules, unless there are compelling reasons not to do so which are compliant with relevant laws. The **Guidance Note: Use of Waivers (PROC24)** must be applied in these instances.

1.25 The circumstances in which a Waiver may be requested are as follows:

- A. **No Genuine Competition** There is no genuine competition, for example Works, Supplies and Services:
- i Are sold only at a fixed price and no reasonably satisfactory alternative is available
 - ii are wholly controlled by trade organisation or government order and no reasonably satisfactory alternative is available
 - iii are of a proprietary type only available from a single supplier
 - iv are required for repairing or servicing existing specialist plant or equipment
 - v involve the provision of highly specialised professional legal or other services
 - vi constitute a reasonable short-term extension (less than 6 months) of a time-based contract or form part of a serial programme, the terms having been negotiated with the contractor on the basis of rates and prices contained in an initial contract awarded competitively following an invitation to Tender or Quote in accordance with these Rules
- (B) **Unforeseen Emergency** – A Waiver is necessary because of an unforeseen emergency involving immediate risk to persons, property or serious disruption to Council services
- (C) **Contract Extension** – The Contract is an extension of an existing Contract and a change of supplier would cause disproportionate technical difficulties, diseconomies of scale or significant disruption to Council services.

1.26. When considering a Waiver, it must be done in a manner that ensures the best interests of the Council are being secured.

1.27 Note that the approval of a Waiver does not preclude the need to formalise any necessary approvals and administration, for example, the creation of purchase orders and a formal Contract.

1.28 When requesting a Waiver, the Waiver Template must be used and the relevant Waiver(s) specified and evidenced (**See Guidance Note - Use of Waivers PROC24**)

Standards, Breaches and non-compliance

1.29. Compliance with these Rules is mandatory.

- 1.30. Those with responsibility for fulfilling their duties in line with the Rules are required to maintain ongoing knowledge and awareness to ensure compliance.
- 1.31. It will be the responsibility of Officers (including those with line management responsibilities) to address non-compliance swiftly and in the most appropriate way according to the circumstances.
- 1.32. Means of reporting concerns can also be raised anonymously in line with the Council's Anti-Fraud and Whistleblowing policies
- 1.33. Failure to comply with these Rules may constitute a disciplinary matter that may be pursued as appropriate, in accordance with the Council's Disciplinary Policy.
- 1.34. Councillors or Officers must not seek or receive any bribe, gift or inducement of any kind. Any Councillor or Officer who has either been offered a bribe, gift or inducement, or is aware or suspects that another Councillor or Officer has been, shall report it to the Monitoring Officer.
- 1.35. If a Councillor or Officer is, or could be, in a position where somebody with whom they have a family, personal or financial relationship might bid for a contract, they must not be involved in any way in the procurement exercise or seek to influence it.
- 1.36 Officers should follow the Employee Code of Conduct and relevant authorisations.
- 1.37. Councillors shall be aware of the requirements of the member Code of Conduct and must declare any direct or indirect interest in accordance with the law and such code.
- 1.38. Other than Cabinet Members who will be consulted where appropriate, councillors have no role in the Procurement process and must ensure that their actions do not compromise or impact on the due process that has been set out.

SECTION 2 KEY FINANCIAL & PROCUREMENT THRESHOLDS

General

- 2.1. Before considering a new procurement, the following approaches should be used:
- i. Use of internal Council services; or
 - ii. Use of an existing corporate Contract 2.2. The above should take into account the wider principles of these Rules.

Observance of Thresholds

- 2.3. The value for a proposed Contract must be a genuine pre-estimate and must be based on the total aggregated value over the life of the Contract, including any provision for extension(s).
- 2.4. Where there is a requirement for similar Supplies, Services and / or Works, this spend should be aggregated to ensure compliance with the PCR, in particular Regulation 6. There shall be no disaggregation of requirements across the Council in order to avoid the Key Financial Thresholds.
- 2.5. The **Guidance Note: Financial Values (PROC33)** together with the Key Financial Thresholds should be followed when determining which threshold applies in particular circumstances.

Authorisation and approvals Stages

- 2.6. Approvals and authorisations shall be made at four key stages (Sign-Off Approvals):
- i. Stage 1 – Determining the appropriate Route to Market – (Procurement Plan sign off)
 - ii. Stage 2 – Confirmation of Award Decision
 - iii. Stage 3 – Contract Variations / Extensions
 - iv. Stage 4 – Benefits Realisation (for Significant Contracts)

SECTION 3 KEY PROCESSES AND OTHER CONSIDERATIONS

Background

- 3.1. The following section provides a summary of key areas to consider when assessing procurement implications and / or undertaking a procurement process.

Due Diligence

- 3.2. Relevant subject matter experts (e.g. service area teams, Procurement Team, Legal Services, Finance Team, ICT, Property Team, Data Protection Officer, etc.) are to be consulted at appropriate times during the procurement process.
- 3.3. Prior to their involvement in a procurement activity, Officers (including those involved in the development specifications right through to being part of an evaluation team) are required to sign a declaration of conflict / interest form, (**see Conflicts of Interest Declaration and Confidentiality Undertaking form PROC08**) outlining any direct or indirect interest, canvassing and confidentiality matters. The completed form should be retained on the corporate Contract Register (**see Guidance Note Contract Register & Document Storage PROC31**) as part of the Contract records.

Timescales

- 3.4. Documenting specifications clearly and accurately is critical to achieving the right long-term outcomes for the Council so Officers should dedicate sufficient time for this activity.
- 3.5. Timescales for submission of tenders / quotations shall be reasonable, sufficient and proportionate to enable suppliers to submit a suitable response in order to facilitate genuine competition and compliance with the relevant PCR requirements.
- 3.6. Where the procurement is a re-tender it is essential to put in place necessary and appropriate time in advance to ensure continuity of service.

Preliminary Market Consultation

- 3.7. Where relevant and proportionate to do so, preliminary market consultation is permitted and encouraged with the intention of informing the procurement process and potential suppliers. Where such consultation takes place, care shall be taken that it is in line with the PCR and in particular Regulations 40 and 41.

Advertising Opportunities

- 3.8. Publishing of quotation / tender opportunities shall be in line with Key Financial Thresholds and all relevant procurement procedures. The primary means of advertising shall be via Contracts Finder, any associated Portal in connection with the Council's default eTendering System and for those subject to the PCR on FTS.

- 3.9. Advertising of Contracts subject to the PCR shall be in line with the requirements of the PCR and in particular Regulations 49 and 50 plus Regulation 106 in relation to Contracts Finder.

Procurement Clarifications

- 3.10. Where Quotations/Tenders are placed via the Council's eTendering System, clarifications on the procurement are only permitted via that eTendering System.
- 3.11. Discussions with Bidders after submission of a Tender and before the award of a Contract, with a view to obtaining adjustments in price, delivery or content (i.e. post-tender negotiations) is generally not permitted. If this is considered necessary then advice must be sought from the Procurement Team.
- 3.12. Planned and structured supplier contact in the form of a Bidder's day or dialogue / negotiation as part of a prescribed procedure are permitted. Advice should be sought from the Procurement Team before undertaking such a process.

Evaluation

- 3.13. Quotations and Tenders will be evaluated in accordance with the evaluation criteria disclosed in the published procurement documents.
- 3.14. In setting criteria and in the evaluation of Quotations and Tenders, reference should be made to **Guidance Note: Production of Specification and Evaluation (PROC03)**.

Opening of Quotations / Tenders

- 3.15. In line with Key Financial Thresholds and relevant procurement procedures, Quotations and Tenders are submitted via eTendering System (**See Guidance Note eTendering System (PROC37)**) and will be transmitted by electronic means. Quotations and Tenders submitted by electronic means shall ensure that:
- i. evidence that the transmission was successfully completed is obtained and recorded through the system, and
 - ii. Quotations and Tenders are not opened until the deadline has passed for receipt of tenders.
- 3.16. Quotations and Tenders received after the specified date and time must be assessed in line with any guidance note or policy applicable at the time and in the absence of such direction in consultation with the Procurement Team.
- 3.17. Where information is felt to be missing or omitted in a Quotation and Tender then reference should be made to any guidance note or policy applicable at the time and in the absence of such direction in consultation with the Procurement Team.
- 3.18. Where the eTendering System is not used in relation to a quotation process, an audit trail shall be put in place in order to uphold the principles as set out in

these Rules. A record shall be made of the Quotations received including names, addresses and the date and time of opening using Guidance Note: Quotation Opening Record (PROC07).

Contract Award

- 3.19. Where a Contract is awarded with a value above the relevant threshold within the Key Financial Thresholds the following information shall be published on Contracts Finder: name of contractor; date on which Contract entered into; value of Contract; whether contractor is a SME or VCSE.
- 3.20. For all Contracts subject to the PCR, Contract Award Notices shall take into account any requirements and conditions around Standstill Period, in line with Regulation 87 and an individual contract report is to be completed in line with regulation 84 of the PCR.

Application of the Light Touch Regime

- 3.21. Under the PCR the Councils can apply flexibility to the approach and procedures for certain Services. A list of services to which the Light Touch Regime applies can be found in Schedule 3 of the PCR.
- 3.22. The Light Touch Regime only applies to Contracts over the PCR stated threshold (see Guidance Note Financial Values PROC33)
- 3.23. Although the use of the flexibility permitted by the Light Touch Regime is encouraged the procurement procedures and the award of Contracts must be at least sufficient to ensure compliance with the principles of transparency and equal treatment and demonstrate Value for Money.
- 3.24. Application of the Light Touch Regime does not negate requirements to comply with these Rules and follow the Council's formal decision-making process.

Contracts and documentation

- 3.25. All Contracts shall be executed by an Officer with authority to do so in accordance with these Rules.
- 3.26. The use of electronic signatures and sealing is permitted provided any process established and approved by Legal Services from time to time is followed.
- 3.27. Subject to 3.28, a Contract must be executed as a deed when one or more of the following situations exist (See Guidance Note: Financial Values (PROC33)):
- i The Contract relates to a construction project (whether a Contract for Works or a Contract for Services) where the overall value of the Works or Services is greater than the relevant sum set out in the Key Financial Thresholds.
 - ii Contracts for Works below the relevant sum set out in the Key Financial Thresholds where there is a risk of latent defects
 - iii Where it is particularly complex or high risk as identified in the Procurement Plan
 - iv Where it is a mortgage or charge

- v Where it is for the acquisition or disposal of an interest in land
- vi Where it is an appointment of a trustee, and/or
- vii Where it is a power of attorney.
- viii Where the Services relate to an interest in land or property
- ix Where it is a Grant agreement

3.28. Notwithstanding the above, there is no requirement for a Contract to be executed as a deed where the Head of Legal and Democratic has determined that a deed is not required.

3.29. The formal advice of Legal Services must be sought for a Contract that includes one or more of the following features:

Where the Contract Value is greater than the FTS Threshold for Services and Supplies and greater than the relevant sum set out in the Key Financial Thresholds for Works See Guidance note Financial Values PROC33

- Where it involves financial lease arrangement
- Where it is proposed to use a contractor's own terms
- Where it is particularly complex or high risk
- Where a contractor or the circumstances demand a substantive amendment to the Councils' precedent contract documents

3.30. Where payment in advance is required then formal written approval of the S.151 Officer is also required. In the event of industry standards leading to a common accepted practice of advance payments (e.g. software licences) this would only need to be sought once.

3.31. All Contract formalities must be concluded before the Supply, Service or Works begin, bar in exceptional circumstances, and then only with the written approval of Legal Services. All related Guarantees and/or Bonds should be delivered in accordance with the Contract/Tender.

3.32. The Officer responsible for securing signature of the Contract must ensure that the person signing for the other contracting party has authority to bind it. Cases where this is uncertain must be referred to Legal Services.

Contract Extensions and Variations

3.33. Extensions or variations to existing contracts must be made in line with the **Guidance Note: Financial Values (PROC33)**.

3.34. If the particular circumstances of an extension or variation are not covered by these Rules, guidance should be sought from the Procurement Team, with confirmation sought from a Legal Services (where required) that the variation or extension does not conflict with applicable procurement law.

Contract Management

3.35. Contract management must be an integral part of the consideration when seeking to award a new Contract. This will include establishing dedicated contract managers and contract management systems that are aligned to contract and corporate objectives, Value for Money and performance

improvement. **See Guidance Note Contract Implementation and Contract Management (PROC14)**

- 3.36. Payments shall be made in accordance with the contract and in a timely manner so as to avoid the payment of any interest charges.
- 3.37. During the life of a Contract, the contract manager must monitor the Contract in line with any approved Contract management framework
- 3.38. If a contractor fails to comply with any of the provisions of a Contract, the contract manager must try to secure compliance. Proper records must be kept regarding Contract failings and any corrective measures put forward. If this is not successful, the matter should be referred promptly to the Procurement Team and advice sought as to what action should be taken to protect the Council's interests.
- 3.39. Where practicable, all Contracts should contain a dispute resolution procedure. If a contractor raises a dispute which is not clearly within the terms of a Contract, the contract manager must not negotiate a settlement until the claim has been referred to:
- i A Legal Officer for advice about the Council's legal liability, and,
 - ii The Section 151 Officer for advice about the financial implications.

OTHER MATTERS AND CONSIDERATIONS

Frameworks and Dynamic Purchasing Systems (DPS)

- 3.40. These Rules allow for the use of frameworks placed by other public authorities, central government and other third parties.
- 3.41. The use of a Framework Agreement or DPS set up by a third-party must be approved by the Procurement Team, who will seek advice from Legal Services where necessary. This is to ensure the framework is both the most appropriate route and that it is open for the Council to use.
- 3.43. All call-offs must be in accordance with the terms of relevant framework agreement.

Subsidy Control Commitments

- 3.45. Trade and Co-operation Agreement ("TCA") must be considered in situations or circumstances where the proposed arrangement may provide an advantage through state resources on a selective basis to any organisation(s) that could potentially distort competition and / or trade.

Provision of Art

- 3.46. Where the Council is seeking to acquire or commission the creation of a unique work of art or an artistic performance then the **Guidance Note: Acquisition and Commissioning of Art (PROC35)** shall be followed.

Retention, Bonds and Guarantees

- 3.47. As part of the overall due diligence, consideration should be taken as to the necessity or otherwise around seeking a Retention, Bond or Guarantee based on strategic risk. See **Guidance Note: Retention, Bonds and Guarantees (PROC35)**

APPENDIX C

Anti-fraud, bribery and corruption policy

Introduction

1. This is a joint policy adopted by South Oxfordshire District Council and Vale of White Horse District Council. The policy aims to provide guidance on how to raise concerns about fraud, bribery or corruption within the councils.
2. In carrying out their functions and responsibilities, the councils wish to promote a culture of openness and fairness and expect all those who work for and with the councils to adopt the highest standards of propriety and accountability.
3. Following the publication of the Nolan Report in 1997, the Local Government Act 2000, and several well publicised cases concerning fraud and corruption within local government, the councils recognise the need for a policy to prevent wrongdoings.

Who this policy applies to

4. This policy aims to help employees (including temporary and agency staff), to understand when, how and who to contact when they have concerns about fraud, bribery or corruption. Employees must ensure they adhere to legal and contractual requirements and ensure that all procedures and practices remain above reproach.

Note: As well as using this policy and its associated response plan, any person employed or engaged by the relevant council who makes a report under this policy, should refer to the councils' whistleblowing policy for guidance.

5. This policy also aims to help councillors, co-optees on the councils' committees, partners, contractors, suppliers, voluntary organisations, and members of the public to understand how and when to contact the relevant council with their concerns.

Links to strategic objectives

6. This policy underpins the councils' strategies, initiatives and work plans.

Aims and scope of this policy

7. The councils agree that in having committees agree this policy:
 - it sets the standard at a sufficiently high level that makes it clear that fraud, bribery or corruption will not be tolerated
 - that the councils are committed to preventing and detecting fraud, bribery or corruption
 - that those perpetrating fraud, bribery or corruption will be prosecuted.
8. The councils acknowledge that the vast majority of their employees and those that work with them act with honesty and integrity at all times to safeguard the public resources they are responsible for. However, there are people who will not act in this way.

9. The councils will not accept any level of fraud, bribery or corruption. Consequently, all cases identified will be thoroughly investigated and dealt with appropriately.
10. The councils will undertake investigative activity regardless of the suspect's length of service, position/title, or relationship to the council.

Definitions

FRAUD

11. According to the Fraud Act 2006, fraud can be committed in the following three ways:

FRAUD BY FALSE REPRESENTATION: "representation" means any representation as to fact or law and may be express or implied. A person commits an offence when they dishonestly make a false representation, and intends, by making the representation to:

- make a gain for himself or another, or
- cause loss to another person or
- to expose another to a risk of loss.

A representation is false if:

- it is untrue or misleading, and
- the person making it knows that it is, or might be, untrue or misleading.

FRAUD BY FAILING TO DISCLOSE INFORMATION: an offence is committed where a person dishonestly fails to disclose to another person information, which he is under a legal duty to disclose, and intends, by failing to disclose the information to:

- make a gain for himself or another, or
- cause loss to another or to expose another to a risk of loss.

FRAUD BY ABUSE OF POSITION: an offence is committed where a person occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, dishonestly abuses that position, and intends, by means of the abuse of that position to:

- make a gain for himself or another, or
- cause loss to another or to expose another to a risk of loss.

In addition the Act introduces new offences in relation to obtaining services dishonestly, possessing, making and supplying articles for use in frauds

The term *fraud* is used to describe such acts as deception, bribery, forgery, extortion, corruption, theft, conspiracy, embezzlement, misappropriation, false representation, concealment of material facts and collusions.

12. This policy therefore covers all financial impropriety including theft or corruption, which are described in more detail below:
 - According to the 1968 Theft Act 'a person shall be guilty of theft if he dishonestly appropriates property belonging to another with the intention of permanently depriving the other of it'.

- Corruption is the offering, giving, soliciting or acceptance of an inducement or reward that may influence the actions taken by the audited body, its members or employees.
- Money Laundering is the process by which criminals attempt to “recycle” the proceeds of their criminal activity in order to conceal its origins. The burden of identifying and reporting acts of money laundering rests with the councils. Any service that receives money from an external source is potentially vulnerable. The Anti-Money Laundering Policy contains more detail. The Money Laundering Reporting Officer (MLRO) is the Sect. 151 Officer.

ACTIONS CONSTITUTING FRAUD OR CORRUPTION

13. Actions constituting fraud or corruption may include, but are not limited to:
- any dishonest or fraudulent act against a council
 - forgery or alteration of any document or account belonging to a council
 - forgery or alteration of a cheque, bank draft or any other financial document
 - misappropriation of funds, securities, supplies, or other assets
 - impropriety in the handling or reporting of money or financial transactions
 - profiteering as a result of insider knowledge of council activities
 - disclosing confidential and proprietary information to outside parties
 - destruction, removal or inappropriate use of records, furniture, fixtures and equipment
 - failure to declare an interest.
14. Areas particularly susceptible to fraud, bribery or corruption are set out below with examples of fraudulent activity (the list is not exhaustive). Appendices A and B of the anti-fraud, bribery or corruption response plan contain hints and signs to look out for that indicate that fraud or corruption may exist.

Area	Example of fraudulent activity
Contracts	Collusion with others during the tendering process
Council tax	People claiming single person discount when they are not entitled to
Recruitment fraud	Fictitious work history and/or references
Abuse of position	Falsification of records to cover up fraudulent activity such as stolen cash
Travel claims	False journeys claimed, inflated mileage or two employees claiming for a journey taken together
Expense claims	Claims submitted to the council(s) and/or a third party
Cash receipts/ petty cash	Accepting cash without receipting it or reimbursement sought for receipted but inappropriate expenditure
Payroll	Hours worked over-stated to take advantage of overtime for financial gain
Ordering and payments	Goods ordered for personal use Goods ordered from a specific supplier in return for some form of benefit
Stocks and assets	Unauthorised use of stationery Using council assets for personal use such as running a private business
Timesheets	Falsifying hours worked

BRIBERY

16. The Bribery Act 2010 was introduced to update and enhance UK law on bribery including foreign bribery. Notably, it introduces a new strict liability offence for companies and partnerships of failing to prevent bribery. The introduction of this new corporate criminal offence places a burden of proof on local authorities to show they have adequate procedures in place to prevent bribery. The councils could be guilty of an offence if an 'associated person' carries out an act of bribery in connection with its business. A person will be 'associated' with the councils where that person performs services for or on behalf of the councils. The Bribery Act also provides for strict penalties for active and passive bribery by individuals as well as companies.
17. The Bribery Act creates four prime offences:
 - two general offences covering the offering, promising or giving of an advantage, and requesting, agreeing to receive or accepting an advantage;
 - a discrete offence of bribery of a foreign public official; and
 - a new offence of facility by a commercial organisation to prevent a bribe being paid to obtain or retain business or a business advantage (should an offence be committed, it will be a defence that the organisation has adequate procedures in place to prevent bribery).
18. Bribery can be described as the receiving of an inducement for an action which is illegal, unethical or in breach of trust. Inducements can take the form of gifts, fees, rewards or other advantages.

Identifying the risk of fraud, bribery or corruption and risk mitigation

19. In having a risk management strategy, which includes risk mitigation measures, the councils aim to detect fraud, bribery or corruption and deter potential perpetrators of such activity.
20. This policy and its associated anti-fraud, bribery and corruption response plan set out exactly what steps to take on suspecting fraud, bribery or corruption.
21. In having a continuous programme of fraud, bribery or corruption awareness and regular updates and training for new and existing staff the councils aim to mitigate the risk of fraud, bribery or corruption taking place.
22. In referring to this policy in its quotation/tender documents with suppliers and its procurement guide, the councils aim to mitigate the risk of fraud, bribery or corruption taking place.

Avenues for reporting suspicious activity

23. The councils have in place a number of ways of reporting suspicions of fraud, bribery or corruption.

24. Non-employees of either council can use the council's complaints process, or the complaints process relating to the councillors' code of conduct.
25. In relation to employees, the relevant council will deal with matters in confidence and in accordance with the terms of their joint whistleblowing policy and the Public Interest Disclosure Act 1998.

Responsibilities

26. The primary responsibility for the prevention, detection and investigation of fraud, bribery or corruption rests with senior management, who are also responsible for managing the risk of fraud, bribery or corruption. The purpose of this policy is to set out more specific responsibilities for its prevention.

REPORTING FRAUD, BRIBERY OR CORRUPTION

27. In accordance with the councils' financial procedure rules in the councils' constitutions, "Any relevant person ...shall notify the chief finance officer or internal audit manager immediately of any financial or accounting irregularity, or suspected irregularity, or of any circumstances which may suggest the possibility of such loss or irregularity, including those affecting cash, stores, property, remuneration or allowances."

RECEIVING REPORTS AND PREVENTING FRAUD, BRIBERY OR CORRUPTION

28. The following paragraphs set out more specifically the roles and responsibilities of those receiving reports of fraud, bribery or corruption and their roles and responsibilities in preventing wrongdoings arising in the first place.
29. The anti-fraud, bribery corruption response plan provides further information on who should take what action on discovering a potential fraud, bribery or corruption.

MONITORING OFFICER

30. The monitoring officer has responsibility for:
 - ensuring that this policy is current
 - initiating action if fraud, bribery or corruption may have been identified
 - the lawfulness and fairness of decision making
 - ensuring that councillors are aware of the protocols, policies and procedures, as set out at the end of this policy that apply when carrying out their duties.

SECTION 151 (CHIEF FINANCE) OFFICER

31. The section 151 (chief finance) officer has responsibility for:
 - the proper administration of the councils' financial affairs under s.151 of the Local Government Act 1972 and s.114 of the Local Government Finance Act 1988. This includes the employee nominated by him/her to act in his/her absence and any employee of his/her staff acting on his/her behalf.
 - reporting to councillors and the Audit Commission if either council, or one of its representatives makes, or is about to make a decision which is unlawful, or involves illegal expenditure or potential financial loss (Local Government Finance Act 1988 s.114).

- investigations arising from allegations raised under the whistleblowing policy when the chief executive, internal audit manager and monitoring officer agree with the section 151 (chief finance) officer that he/she will take on the responsibility.

HUMAN RESOURCES

32. Human Resources is responsible for ensuring that new employees, during induction, are aware of their contractual obligations in relation to anti-fraud, bribery or corruption as well as this policy, the associated response plan and their links with the whistleblowing policy.

MANAGERS

33. Managers are responsible for:
- maintaining internal control systems and communicating them to their staff
 - ensuring that the councils' resources and activities are properly applied in the manner intended
 - identifying the risks to which systems and procedures are exposed
 - developing and maintaining effective controls to prevent and detect fraud, bribery and/or corruption
 - ensuring that controls are being complied with
 - implementing audit recommendations promptly
 - responding to reports of possible financial impropriety in accordance with the whistleblowing policy.

INDIVIDUAL EMPLOYEES

34. All employees should take seriously and treat with confidence any concerns raised about a potential fraud, bribery or corruption. The councils encourage reporting of suspicions and will protect those who do so (even if the suspicions are unfounded but made with good intent), as set out in the councils' whistleblowing policy.
35. The councils expect employees to follow any code of conduct relating to their personal professional qualifications and abide by the relevant councils' code of conduct for their staff.
36. Employees must operate within Section 117 of the Local Government Act 1972, to give notice in writing of pecuniary (financial) interests in contracts relating to their council or the offer of any fees or rewards other than their proper remuneration.
37. All employees must declare any offers of gifts or hospitality, which are in any way related to the performance of their council duties. The councils' guidance on gifts and hospitality provides more information.
38. Employees should not undertake work or activities outside their direct employment with either council if their council duties overlap in some way with their proposed work or activity, e.g. by causing a conflict of interest or by making use of material to which they have access by virtue of their council employment.
39. Any employee wishing to undertake other employment should check with their manager whether they need permission from their head of service to do this and

whether they should register the employment on an annual basis. If the employee needs permission the head of service should send copies of correspondence, including permission, to human resources who will record it.

40. The councils encourage all staff to make voluntary declarations for all secondary employment based on the need for open government.
41. As well as employment contract obligations, each employee is responsible for:
 - remaining aware of the policies and procedures set out at the end of this policy
 - their own conduct and contribution towards the safeguarding of council standards in accordance with the policies and procedures set out at the end of this policy
 - acting with propriety when using council resources, when handling council funds, whether they are involved with cash or payments systems, receipts or dealing with contractors or suppliers and
 - reporting details immediately to their line manager or the most appropriate employee if they suspect that fraud, bribery or corruption has been committed or they have seen any suspicious acts or events.

INTERNAL AUDIT

42. Internal audit has responsibility for:
 - the independent appraisal of control systems
 - assisting in the investigation of irregularities.

COUNCILLORS AND CO-OPTED MEMBERS OF THE COUNCILS' COMMITTEES

43. All councillors and co-optees should take seriously and treat with confidence any concerns raised about a potential fraud, bribery or corruption. The councils encourage reporting of suspicions and aim to protect those who do so (even if the suspicions are unfounded but made in good faith).
44. Councillors and co-optees must ensure that they avoid any situation where there is potential for a conflict of interest.
45. Each councillor or co-optee of the councils is responsible for:
 - observing standards, set out in the councillors code of conduct
 - familiarising themselves with the codes, protocols, policies and procedures as set out at the end of this document.

THE EXTERNAL AUDITOR

46. The external auditor has responsibility for:
 - reviewing the stewardship of public money by the councils and
 - considering whether the councils have adequate arrangements in place to prevent fraud, bribery or corruption.

THE CABINET OFFICE

47. The Cabinet Office has responsibility nationally for the biennial National Fraud Initiative (NFI). Under Section 6 of the Audit Commission Act 1998, the Cabinet Office (previously the Audit Commission) requires all councils to provide employees'

(including councillors') payroll data to enable data matching to take place with the aim of preventing and detecting fraudulent and erroneous payments from the public purse. The councils participate in this.

BENEFIT FRAUD TEAM

48. The councils' benefit fraud team carries out activities to prevent and detect benefit fraud.

THE ROLES OF THE COMMITTEES

49. South Oxfordshire and Vale of White Horse District Councils' Joint Audit and Governance Committee has responsibility for:
- risk management issues and making any recommendations thereon
 - the overview of the councils' whistleblowing policy
 - the overview of the councils' anti-fraud, bribery or corruption arrangements
 - matters relating to the councillors' code of conduct that the Monitoring Officer refers to them.

THE POLICE

50. The police may:
- investigate links to offences
 - give prevention advice
 - advise on any pre-investigation work
 - maintain a dialogue with management and/or internal audit during an investigation.

Prevention of fraud, bribery or corruption

REGULATORY FRAMEWORK

51. The councils have a wide range of mechanisms in place aimed at preventing and detecting fraud, bribery or corruption. These include the legislation set out in this document in addition to each council's financial procedure rules or regulations.
52. Managers must ensure that adequate levels of internal checks are included in working procedures, particularly financial procedures. It is important that duties are organised in such a way that no one person can carry out a complete transaction without some form of checking or intervention process being built into the system.

STAFF SELECTION/SCREENING

53. The councils' recruitment procedures ensure that the councils appoint employees on merit and prevent the appointment of unsuitable people.
54. Applicants complete an application form and must declare any criminal convictions that are not spent. Where appropriate, applicants may also be subject to a Disclosure and Barring Service (DBS) police check.
55. The councils appoint employees subject to satisfactory written references.

56. The councils conduct documentary checks on all new employees to ascertain their eligibility to employment in accordance with the Asylum & Immigration Act 1996 s.8 (as amended) effective 1 May 2004.

CONTRACTORS AND THOSE DELIVERING SERVICES FOR THE COUNCILS

57. Each council will ensure that all contracts conform to the highest standards possible. The councils will act to ensure that those organisations that work with the councils to deliver services are made aware of the councils' strong anti-fraud, bribery and corruption principles, including their whistleblowing policy.
58. Where appropriate the councils may exclude suppliers, contractors and service providers from public contracts following conviction for certain offences including participation in criminal organisations, fraud, corruption, bribery or money laundering.
59. The councils will seek an assurance that those tendering to provide supplies, goods, services and works to the councils have adequate anti-fraud, bribery or corruption recruitment procedures and controls in place; have not colluded with others during the tendering process; or canvassed or solicited any councillor or employee of either council in connection with the award or future award of contracts.
60. In awarding any contract, the councils will act in accordance with their contracts procedure rules. Within its contract terms, the councils may exercise a right to terminate a contract and recover losses if there is evidence of fraud, bribery or corruption in connection within a council contract by the contractor, its employees or anyone acting on the contractor's behalf.
61. The councils may seek the strongest available sanctions against the contractor, their employees or anyone acting on behalf of the contractor who commits fraud, bribery or corruption against the councils and will request that the organisation concerned takes appropriate action against any individual concerned.
62. Where contractors are involved with the administration of council finances, or those for which the councils have responsibility, the councils will conduct internal audit reviews and pro-active anti-fraud, bribery or corruption exercises as part of the contract management process.

COLLABORATION WITH OUTSIDE AGENCIES AND OTHER BODIES

63. Given the nature of a council's work, the nature and scope of fraud, bribery or corruption can vary and involve different bodies. Therefore, the councils may need to liaise with and undertake joint working with certain agencies, including (but not limited to):
- other local authorities
 - benefits agencies
 - the Serious Fraud Office (SCD6, formerly SO6)
 - the local police
 - the Home Office
 - the UK Border Agency

64. The councils commit to working and co-operating with other organisations to prevent organised fraud, bribery or corruption. Wherever possible, the councils will assist and exchange information with other appropriate bodies to investigate and combat fraud, bribery and corruption.

Detection and investigation

65. The range of preventative systems within the councils, particularly internal control systems, can provide indicators of fraud, bribery or corruption (and error) and can help to detect any inappropriate activity.
66. Senior managers have responsibility for preventing and detecting fraud, bribery or corruption. Often, the alertness of others enables the detection of wrongdoings and appropriate action to take place when evidence suggests that fraud, bribery or corruption may be taking place.
67. Despite the best efforts of managers and auditors, many irregularities are discovered by chance. The councils have arrangements in place to deal with such discoveries. The anti-fraud, bribery and corruption response plan sets out the councils' arrangements. Some frauds may be discovered as a result of whistleblowing.

WHISTLEBLOWING

68. The councils' whistleblowing policy encourages people to raise serious concerns. Employees reporting concerns are afforded certain rights and protection through legislation enacted under the Public Interest Disclosure Act 1998.
69. The councils will support employees who report concerns and will make every effort to protect them from reprisals. The councils will do everything possible to protect their confidentiality.

OTHER SUSPECTED FRAUD, BRIBERY CORRUPTION OR IRREGULARITY

70. As referred to in paragraph 27, a duty exists to report any suspected cases of fraud, bribery or corruption. Reporting cases in accordance with this policy and the whistleblowing policy is essential and:
- ensures the consistent treatment of information regarding fraud, bribery or corruption
 - facilitates the proper investigation of suspected cases and
 - protects the interests of individuals and the councils.
71. This process will apply to allegations of fraud, bribery or corruption relating to the following areas:
- by councillors or co-optees
 - internal fraud and other fraud, bribery or corruption by council employees acting in a personal capacity
 - by contractors or their employees and
 - external fraud, bribery or corruption (the public)
72. The anti-fraud, bribery and corruption response plan gives more guidance.

73. The external auditor also has powers to independently investigate fraud, bribery or corruption.

CONFIDENTIALITY

74. The councils will treat all information received confidentially. The councils will not disclose or discuss investigation results with anyone other than those who have a legitimate need to know. This is important in order to avoid damaging the reputations of people suspected but subsequently found innocent of wrongful conduct and to protect the councils from potential civil liability. Any processing of personal data will comply with the Data Protection Act and the data protection principles.

PUBLICITY

75. The councils' communications team may use the press to report the outcome of any action taken, including prosecutions.
76. The councils will publish this policy and any review of it to make employees, councillors, co-optees, contractors, partners and the public aware of the councils' commitment to taking action on fraud, bribery or corruption when it occurs.

Courses of action

77. Mechanisms exist within the councils to act in cases of fraud, bribery or corruption. These include the following:

DISCIPLINARY ACTION

78. Gross misconduct and other fraudulent or corrupt conduct will normally lead to dismissal. The councils' disciplinary procedure provides further information.

PROSECUTION

79. The councils will seek full redress through the legal processes available to counter any internal or external fraudulent activities perpetrated against it. This redress will be achieved through criminal and/or civil courts as considered appropriate.
80. The chief executive, in consultation with the section 151 (chief finance) officer, the monitoring officer, human resources, the internal audit manager and other external agencies as appropriate, will decide whether to refer the case to the police for prosecution. Other external agencies involved may include the Department for Works and Pensions and the Crown Prosecution Service.
81. The councils will take all reasonable action to recover any money or goods.

CONSEQUENCES OF FAILURE TO COMPLY WITH THE BRIBERY ACT 2010

82. Failure to comply with the Bribery Act 2010 could result in imprisonment of up to 10 years and/or unlimited fines without taking into account the severe reputational repercussions for the councils.
83. A statutory defence to the strict liability offence of 'failing to prevent bribery' is the introduction of internal adequate procedures. For the councils this includes:

- the appointment of the councils' monitoring officer to deal with all matters relating to bribery and corruption;
- management commitment to a zero tolerance culture to bribery and corruption. The councils will not accept any level of corruption, and all cases identified will be thoroughly investigated and dealt with appropriately;
- accessible and enforceable policies and procedures;
- a regulatory framework aimed at preventing and detecting corruption, and
- relevant staff are trained on how to spot and prevent potential bribery.

84. Failure to comply with, or breach of, any sections contained within this policy could be regarded by the councils as gross misconduct. This will be dealt with in accordance with the councils' disciplinary procedures.

Awareness and training

85. Introducing and implementing a successful anti-fraud, bribery or corruption policy is dependent largely on the awareness and responsiveness of those working in and with the councils.

86. The councils will make councillors, co-optees and employees aware of this policy initially via the induction process and will remind them of this policy via council publications.

87. The councils support the concept of fraud, bribery or corruption awareness training for councillors, co-optees and employees to ensure that their responsibilities and duties in respect of anti-fraud, bribery and corruption are current and their understanding reinforced.

88. The councils also commit to training and developing staff who are involved in investigating fraud, bribery or corruption and will provide suitable training where necessary.

89. The councils will act to ensure that those organisations that work with the councils to deliver services are made aware of the councils' strong anti-fraud, bribery or corruption principles, including their whistleblowing policy.

Monitoring of this policy

90. The monitoring officer will decide when this policy needs review in light of any change of legislation or council policy if this is before the scheduled review date.

91. The Joint Audit and Governance Committee. The monitoring officer, in consultation with the chief executive, the section 151 (chief finance) officer, and the co-chairmen of the Joint Audit and Governance Committee will ensure that any corrective actions identified from investigations are brought to the attention of the relevant committee.

Conclusion

92. The councils commit to the development of an anti-fraud, bribery and corruption culture and will not tolerate fraud, bribery or corruption.

93. Fraud, bribery or corruption, where it is detected, will be dealt with promptly, investigated fairly, and where appropriate, prosecuted to the fullest extent that the law allows. In certain matters, depending on the nature of the circumstances, alternative sanctions may, on agreement, be deemed appropriate.
94. This document seeks to state the positions of South Oxfordshire District Council and Vale of White Horse District Council and each council's intent regarding all fraud, bribery or corruption matters that may affect either council.

Officer responsible for this policy

The monitoring officer has overall responsibility for the maintenance and operation of this policy and will liaise as necessary with the chief executive, the section 151 (chief finance) officer and the internal audit manager.

This policy revokes previous versions of the anti-fraud, bribery or corruption policy.

This policy was originally approved by South Oxfordshire District Council's Cabinet on 8 February 2010 and Vale's Cabinet member on 16 March 2010.

Updated November 2011 (version 2), February 2014 (version 3), May 2016 (version 4), November 2019 (version 5) October 2022 (version 6) by the head of legal and democratic under delegated powers to make minor amendments.

Policy review date: November 2025

APPENDIX D

Joint whistleblowing policy

What is whistleblowing?

1. Protect - www.protect-advice.org.uk a charity that provides independent advice and information on whistleblowing) gives the following explanation:

‘When someone blows the whistle they are raising a concern about danger or illegality that affects others (e.g. customers, members of the public, or their employer). The person blowing the whistle is usually not directly, personally affected by the danger or illegality. Consequently, the whistleblower rarely has a personal interest in the outcome of any investigation into their concern – they are simply trying to alert others. For this reason, the whistleblower should not be expected to prove the malpractice. He or she is a messenger raising a concern so that others can address it.’

2. The Public Interest Disclosure Act 1998 (PIDA) gives a certain amount of legal protection to those making a protected disclosure provided their disclosure meets the definition of a “protected disclosure”.

Purpose of the whistleblowing policy

3. A whistleblowing policy is an essential part of a good governance framework. In carrying out their functions and responsibilities, the councils wish to promote a culture of openness, transparency and fairness and expect all those who work for and with them to adopt the highest standards of propriety and accountability.
4. However, the councils face the risk that something may go wrong and they welcome the opportunity to address those risks as early as possible. Whenever a situation arises, the first people to know of the risk can often be those who work in or for a council. Whilst they are the people best placed to raise the concern before damage is done, they often fear they have the most to lose if they speak out.
5. To this end, the councils commit to the highest possible standards of openness, honesty and accountability in their activities. They expect a high standard of conduct and integrity from those that work with and for the councils.
6. The councils will take seriously and investigate reports of improper activities. This whistleblowing policy aims to ensure that when people raise concerns in the right way, the councils will address them and protect the person raising the concern.
7. The councils aim to mitigate the risk of inappropriate behaviour by those undertaking work on behalf of the councils. To mitigate the risks of inappropriate behaviour the councils will refer to this policy in their contracts with suppliers and their contracts procedure rules and procurement guide.

8. This is a joint policy adopted by South Oxfordshire and Vale of White Horse district councils. The policy aims to provide guidance on how to raise concerns within the councils.

Links to strategic objectives

9. This policy underpins all of the councils' strategies, initiatives and work plans.

Who this policy applies to?

10. This policy will help employees (including temporary and agency staff) and, casual workers.
11. All of the above have responsibility for drawing attention to any suspected malpractice or irregularity so that it is dealt with promptly and effectively. In terms of financial irregularities, this responsibility is set out in standing orders as set out in the paragraph below.
12. In accordance with the councils' Financial Procedure Rules, a "relevant person shall notify the chief finance officer or internal audit manager immediately of any financial or accounting irregularity, or suspected irregularity, or of any circumstances which may suggest the possibility of such loss or irregularity, including those affecting cash, stores, property, remuneration or allowances".

Note:

To make a report of fraud or corruption, also refer to the councils' anti fraud and corruption policy and the associated response plan for guidance.

What this policy covers

13. This policy aims to address serious concerns about inappropriate behaviour that is not covered by other procedures. Whistleblowing is where an employee has a concern about a danger or illegality that has a **public interest** aspect to it, usually because it threatens others. Concerns may be about the following, which are defined as "qualifying disclosures" and therefore qualify for protection under this policy:
 - any criminal offence;
 - a failure to comply with a legal obligation;
 - a miscarriage of justice;
 - the endangering of an individual's health and safety;
 - damage to the environment;
 - the deliberate concealment of information relating to any of the above matters.
14. Other concerns can and should be raised but they may not qualify for protection under this policy.

What this policy does not cover

13. This policy does not deal with matters covered by other procedures. The following offers some guidance.
 - Use the corporate complaints procedure for complaints from members of the public about the councils' services.

- Use the councillors' code of conduct for complaints about the behaviour of councillors or co-optees.
- Report allegations of abuse against a child, young person or vulnerable adult to the councils' designated employee for safeguarding in accordance with the councils' joint safeguarding children and vulnerable adults policy.
- Use the grievance policy for grievances or a private complaint if a dispute is about a member of staff's employment position and has no public interest dimension.

14. Bring to a manager's attention any deficiency in the provision of service.
15. Contractors and those doing business with the council should seek to resolve the matter with the relevant client officer or explore resolution via contractual remedies.

Protection for whistleblowers

16. In accordance with the Public Interest Disclosure Act 1998 (often referred to as the whistleblowing act), the councils will protect as best they can an employee who discloses information (rather than merely threatening to) from personal claims, victimisation, harassment or bullying as a result of his or her disclosure and will not initiate any disciplinary action against them so long as the disclosure was:
 - made in the public interest;
 - made to the appropriate person;
 - reasonably believed to be substantially true; and
 - not made for personal gain.
17. The councils will not tolerate threats of or victimisation to whistleblowers, which include deterring, or trying to deter them from raising concerns or suppressing concerns they have raised. Any employee taking reprisal or similar action against a whistleblower because he or she has made a disclosure under this policy will be subject to disciplinary action.
18. Similarly, any councillors or co-optees taking such action will be reported to the Monitoring Officer as a code of conduct complaint under the Councillor Code of Conduct.
19. Depending upon the situation, the councils will treat matters of concern raised with as much confidentiality as possible. The councils will not reveal names or positions without permission, unless required to by law, or an enquiry results in a criminal investigation in which the whistleblower might be required as a witness. However, an employee's identity might become known when the councils start

making enquiries. The councils will explain this at the time of raising a concern, so the employee can decide whether to proceed. The councils will also keep the employee informed if the situation significantly changes.

20. An employee may be accompanied by an appropriate companion in accordance with the terms of the councils' disciplinary policy when giving evidence during disciplinary hearings.
21. Any disciplinary or redundancy procedures that already affect an employee will not influence any investigation into allegations of potential malpractice if properly made.
22. The protection outlined above will not apply and an employee may be subject to disciplinary action if they act in a malicious or improper way (for example by leaking information to the press before the council has had a chance to investigate).

Anonymous allegations

23. The councils encourage people to give their name when making an allegation. The councils will do all they can to protect the employee. Concerns raised anonymously tend to be far less effective and if, for example, the councils do not have enough information, they may not be able to investigate the matter at all.
24. Also, from a practical point of view, the councils cannot provide protection to a person whose identity they do not know. It then becomes more difficult to judge whether the individual raised the concern in the public interest or maliciously.
25. If the individual does not wish to give their name, the councils will make a judgement on whether or not to consider the matter depending on:
 - the seriousness of the issue;
 - whether the concern is credible;
 - whether it can sufficiently investigate the case based on the information provided.

Untrue allegations

26. If an individual makes an allegation which they believe is true, but it is not confirmed by investigation, the councils will not take any action against the individual.
27. However, if the individual makes a deliberately false or malicious allegation that they know is untrue, the councils will take appropriate disciplinary or legal action against them. The Public Interest Disclosure Act 1998 does not protect people making allegations of this nature.

How to raise a concern

28. An individual must not attempt to investigate any concern, but should raise their concern using one of the avenues set out in this policy.
29. The section [making contact](#) provides more information.

30. An individual should raise the concern promptly, preferably in writing, giving as much information as possible, such as relevant background information, names, dates, places and the reason for the concern. However, anyone can raise a concern by telephone or by meeting an appropriate employee. The earlier someone raises a concern, the easier it will be to take effective action.
31. Although an individual does not need to prove beyond doubt that an allegation is true, the councils expect them to demonstrate that reasonable grounds exist for voicing their concern.
32. The councils will ask an individual to declare any interest they may have in any allegations they make under this policy.
33. In matters concerning the health, safety and welfare of those on council premises an individual and the elected safety representative, who become aware of a hazard (actual or potential) or dangerous occurrence, should immediately notify the councils' health and safety officer. This should be done before contacting anybody else to ensure that the councils can take immediate action if necessary to deal with the hazard.
34. If an individual feels they can't tell their employer, they should contact a prescribed person or body as set out on the Government's website at: www.gov.uk/whistleblowing Before doing this they should seek legal advice to ensure that they will not lose protection under this policy. To gain protection an individual can only tell the prescribed person or body if:
 - they think those they report to will cover up the matter;
 - they think they would be treated unfairly if they complained;
 - they have reported the matter and it hasn't been addressed.

Employees

35. In the first instance, an employee should raise a concern with their immediate manager. If not the manager, they should raise the concern with their head of service. The document 'Guidance for employees – how to react to concerns of inappropriate behaviour' in [appendix 1](#), gives information on how to do this. If the allegation relates to the suspected abuse of a child, young person or vulnerable adult, this should be reported to the councils' designated employee for safeguarding in accordance with the councils' *joint safeguarding children and vulnerable adults policy*.
36. Guidance for managers on how to deal with a concern is contained in the document 'Guidance for managers – how to react to concerns of inappropriate behaviour' in [appendix 2](#).
37. If an employee considers it inappropriate to raise a concern with their manager or head of service they should contact one of the following:
 - the chief executive;
 - the head of legal and democratic (as the monitoring officer);
 - the internal audit manager.
38. If a concern involves one of the employees listed above, or if it is believed these employee(s) may be biased, the matter should be referred directly to the chief

executive.

39. If a concern involves the chief executive, the matter should be referred to the monitoring officer.

Councillors, co-optees and members of the public

40. The section [what this policy does not cover](#) sets out ways of raising concerns, or contact can be made with one of the people listed in paragraph 39.

MAKING CONTACT

41. Individuals can contact the monitoring officer, who is responsible for the councils' whistleblowing policy, in any of the following ways:

- By writing to the head of legal and democratic (as the monitoring officer) at:
South Oxfordshire/Vale of White Horse District Council, Abbey House,
Abbey Close Abingdon OX14 3JE
Please write 'For the personal attention of the monitoring officer' on the envelope
- By telephone: 01235 422422 (via the councils' switchboard) or direct on 01235 422520
- By email: monitoringofficer@southandvale.gov.uk
- A benefit cheat can be reported by:
 - Calling the councils' confidential 24-hour benefit fraud hotline 01235 422483 . This number is staffed during council office hours and is linked to an answer phone at all other times. All information is treated in confidence.
 - Calling the National Benefit Fraud hotline 0800 854400. This freephone number is run by the Department for Works and Pensions on behalf of local authorities. For people who are hard of hearing, there is a textphone number 0800 3280512.
 - Emailing information to the Councils' benefit fraud team on fraud@southandvale.gov.uk
 - The councils have further information on benefit fraud on their websites: www.southoxon.gov.uk / www.whitehorsedc.gov.uk
 - The councils treat all information in confidence.

Withdrawing the complaint

42. An individual may make a request to withdraw any allegations made under the whistleblowing policy but should bear in mind that the councils are not obliged to stop the process. To do this, an individual will need to confirm to the monitoring officer in writing that they wish to stop the process and state their reasons for doing so.

Help for the whistleblower

43. Trade union representatives can give support and advice or act on an individual's behalf if this would help. This could be useful, particularly if the individual wishes to remain anonymous, to the extent that is possible.
44. The councils will encourage the trades unions to support any member of staff

who raises a concern with them.

45. Protect (www.protect-advice.org.uk) can offer free, confidential advice to people concerned about crime, danger or wrongdoing at work. Anyone can contact them in the following ways:
- Protect, The Green House, 244-254 Cambridge Heath, Road, London E2 9DA Telephone: 020 3117 2520
 - Email: whistle@protect-advice.org.uk

The recipient's role in acting on a whistleblowing report

46. On receiving an allegation, the recipient (it is generally assumed that this would be a line manager or the head of service within the councils) should:
- only listen to and note the concerns of the individual but must not attempt to carry out any investigation as this may damage any future enquiry if evidence is not in a legally admissible form;
 - make this policy available to the person making the report;
 - follow the guidance in [appendix 2](#) to this policy.
47. Having received the allegation, the recipient should contact the monitoring officer.

How the councils will respond

48. In order to protect individuals and the council the monitoring officer, who has the authority to act independently, will deal with initial enquiries. The purpose of the initial enquiry is to confirm or repudiate the suspicions that have arisen so that, if necessary, the councils should instigate a further investigation.
49. If the concern raised involves the monitoring officer, the chief executive will initially deal with the allegation and will nominate a responsible employee to conduct initial enquiries with the same authority that the monitoring officer would have.
50. During the initial enquiry, the monitoring officer will:
- determine the factors that gave rise to the suspicion;
 - examine factors to determine whether any irregularity has occurred (i.e. any incident or action that is not part of normal operation of the system or the expected course of events); and
 - where necessary, carry out discreet enquiries with staff and/or review documents.
51. The monitoring officer will consult with the chief executive, the section 151 (chief finance) officer and the internal audit manager. They will agree whether an investigation is appropriate and, if so, whether the responsibility will pass to the section 151 (chief finance) officer and what form that responsibility should take. The matter could involve:
- investigation by management, internal audit, or through the disciplinary process;
 - referral to the police;
 - referral to the external auditor;
 - an independent inquiry.

52. In dealing with any allegations, the monitoring officer, section 151 (chief finance) officer or the chief executive will ensure that those officers who would usually respond to allegations of malpractice, will not be involved in any enquiries or investigations, if they are implicated in the allegation.
53. The councils will normally refer concerns or allegations that fall within the scope of other policies and procedures for consideration under those procedures and will advise the whistleblower accordingly.
54. The monitoring officer, or section 151 (chief finance) officer (if responsibility for the case has passed to them), can decide to take no further action if a complaint appears to be trivial or malicious.
55. Within 10 working days of a concern being received, the councils will write to the whistleblower to:
 - acknowledge receipt of the concern;
 - explain how that council proposes to deal with the matter;
 - indicate whether any initial enquiries have been made;
 - state whether further investigations will take place and if not, why not.
56. The amount of contact between the people dealing with the allegation and the whistleblower will depend on the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. The monitoring officer, or section 151 (chief finance) officer (if responsibility for the case has passed to them), will make the council's final decision upon the level of contact or involvement with the whistleblower. They may inform the whistleblower that there is no further need for their involvement.
57. Any meetings arranged will normally take place at the council's offices but the council can agree to have the meeting elsewhere.
58. The councils will take steps to reduce any difficulties that an individual may experience after raising a concern. For instance, if the individuals need to give evidence in criminal or disciplinary proceedings, the councils will provide support and advice on the procedures.
59. The councils accept that in the working environment members of staff need assurance that the councils have properly addressed the matter raised. Thus, subject to legal constraints, the councils will provide information about the outcome of any investigation.
60. The monitoring officer may report as necessary the outcome of any disclosure which been found to have demonstrated any impropriety in an anonymous format to the Joint Audit and Governance Committee.

Taking further action

61. This policy aims to provide an avenue to raise concerns within the councils.
62. If an individual decides to take the matter outside a council, they must ensure that they do not disclose information about a third party e.g. a company or a private individual, which may be confidential and subject to GDPR.

63. Before taking matters to an external body, the councils advise individuals to seek independent legal advice.
64. The following are possible contact points:
- the local Citizens Advice Bureau;
 - relevant professional bodies or regulatory organisations;
 - the Environment Agency;
 - the police (if it is potentially a criminal matter);
 - the Health and Safety Executive;
 - a relevant voluntary organisation;
 - a trades union;
 - the Local Government Ombudsman;
 - Equality and Human Rights commission;
 - Protect.
65. If, having raised a concern directly with the council, an individual is dissatisfied with the outcome they can also contact any of the above organisations.

Person responsible for this policy

66. The monitoring officer has overall responsibility for the maintenance and operation of this policy, and will liaise as necessary with the chief executive, the section 151 (chief finance) officer and internal audit manager.

Appendix 1 - Guidance for employees

HOW TO REACT TO CONCERNS OF INAPPROPRIATE BEHAVIOUR

The action taken when first suspecting inappropriate behaviour may be crucial. This guidance explains what to do and what not to do on suspicion of inappropriate behaviour.

Inappropriate behaviour is described in the councils' whistleblowing policy as:

- any criminal offence;
- a failure to comply with a legal obligation;
- a miscarriage of justice;
- the endangering of an individual's health and safety;
- damage to the environment;
- the deliberate concealment of information relating to any of the above matters.

Note: suspicion related to abuse of a child, young person or vulnerable adult, should be reported to the council's designated employee for safeguarding in accordance with the councils' joint safeguarding children and vulnerable adults policy.

ACTING UPON SUSPICIONS – THE DO'S AND DON'TS

If suspecting inappropriate behaviour affecting the council, there are a few simple rules to follow to help the council with subsequent enquiries:

Do

- ✓ make an immediate note of concerns and note as many relevant details as possible, ideally:
 - the background details and nature of the suspicions (including relevant names, dates and locations);
 - details of the job and responsibilities of the individuals involved;
 - action taken to date (if any) before raising the concern.
- ✓ communicate suspicions to someone with the appropriate authority and experience in accordance with the councils' whistleblowing policy;
- ✓ deal with the matter promptly if the concerns are warranted;

Any delay may result in accidents, cause a council to suffer loss or make further enquiries more difficult.

Don't

- × do nothing;
- × be afraid to raise concerns;

An individual will not suffer any recrimination from the councils as a result of voicing reasonably held concerns. The councils will treat the matter

sensitively and confidentially if it is able to, and will take reasonable steps to protect the individual.

- × approach or accuse any individuals directly;
- × try to investigate the matter;

There are special rules about gathering evidence. Any attempt to gather evidence by people who are unfamiliar with these rules may weaken or undermine any future prosecution.

- × convey suspicions to anyone other than those indicated in the councils' whistleblowing policy.

The Public Interest Disclosure Act 1998 will protect individuals from any reprisals as long as the rules set out in the Act are met.

The rules are that the individual:

- discloses the information in the public interest;
- reasonably believes it to be substantially true;
- must not seek any personal gain.

Protect (www.protect-advice.org) can offer free, confidential advice to people concerned about crime, danger or wrongdoing at work.

Appendix 2 - Guidance for managers

HOW TO REACT TO CONCERNS OF INAPPROPRIATE BEHAVIOUR

The action taken when first identifying, or becoming aware of suspected inappropriate behaviour, may be crucial in determining the success of any subsequent investigation.

Inappropriate behaviour is described in the councils' whistleblowing policy as:

- any criminal offence;
- a failure to comply with a legal obligation;
- a miscarriage of justice;
- the endangering of an individual's health and safety;
- damage to the environment;
- the deliberate concealment of information relating to any of the above matters.

Note: suspicion related to abuse of a child, young person or vulnerable adult, should be reported to the council's designated employee for safeguarding in accordance with the councils' joint safeguarding children and vulnerable adults policy.

Managers should familiarise themselves with the councils' anti-fraud and corruption policy and its whistleblowing policy to equip themselves to deal with allegations if they arise.

ACTING UPON SUSPICIONS – THE DO'S AND DON'TS

The following simple rules should help to ensure that matters are properly handled:

Do

- ✓ be responsive to employees' concerns;

encourage employees to voice any reasonably held concerns or suspicions. As a manager, treat them seriously, confidentially and sensitively. Reassure the individual that they will not suffer because of concerns raised in the public interest.
- ✓ note all relevant details. Details should ideally include:
 - the background details and nature of the suspicions (including relevant names, dates and locations)
 - details of the job and responsibilities of the individuals involved
 - the reasons why the person is raising the concerns
 - action (if any) taken to date before this concern was raisedGet as much information as possible from the employee reporting the suspicion and encourage them to record this in writing. If the employee has made any notes, obtain a copy of them. In addition, note any documentary evidence that may exist to support the allegations, but do not interfere with this evidence in any way.
- ✓ contact the monitoring officer to discuss the report received;

- ✓ if in doubt, report suspicions anyway;

If deciding that no further action is necessary, record the decision and inform the monitoring officer of the original notification details and the reasons why no further action is considered necessary. In recommending that no further action is necessary, be objective when evaluating the issue. Consider the facts as they appear based on the information to hand. The monitoring officer will then help to determine if further action is necessary.

- ✓ deal with the matter promptly, particularly if the concerns are considered warranted, and bearing in mind the 10 day deadline that the councils have set to respond to the whistleblower;

Any delay may cause a council to suffer financial or reputational loss, or make enquiries more difficult.

Don't

- × ridicule or belittle any suspicions raised by employees;

The councils cannot operate an effective anti-fraud and corruption culture or whistleblowing policy if employees are reluctant to pass on their concerns to management out of fear of ridicule or recrimination.

Give all employees' concerns a fair hearing and reassure employees that they will not suffer recrimination by raising any reasonably held suspicion in the public interest.

- × approach the suspect or accuse any individuals directly;

- × communicate suspicions to anyone other than those indicated in the councils' whistleblowing policy;

- × try to investigate the matter;

Remember that investigations by employees who are unfamiliar with the requirements of evidence are highly likely to jeopardise a successful outcome. They may also alert the suspect and result in the destruction of evidence.

Remember that the primary responsibility is to report the issue and all associated facts to the appropriate employee, wherever possible.

Report of Mark Stone, Returning Officer

To: Vale Council

DATE: 7 December 2022

Elections - scales of fees, charges

Recommendations

Council is asked to

1. agree the scales of fees for district and parish council elections, parish polls and neighbourhood planning referendums as set out in the Appendix to this report;
2. agree that the scales of fees for staffing positions are amended to reflect those adopted by Oxfordshire County Council and authorise the returning officer to make such changes;
3. agree to continue to charge parish and town councils for running elections on their behalf.

Purpose of Report

1. This report recommends the adoption of scales of fees payable to the returning officer (RO) in connection with district and parish council elections, parish polls and neighbourhood planning referendums and that council continues to charge parish and town councils for running elections on their behalf.

Strategic Objectives

2. The setting of transparent fees contributes to the corporate objective of effective management of resources.

Background

3. The Representation of the People Act 1983 (the 1983 Act), Section 36 (4) requires the council to cover all expenditure incurred by the returning officer in the holding of an election for all or any seats on it. The council may set scales of expenditure which the returning officer (RO) must not exceed. The fees for conducting Parliamentary and Police and Crime Commissioner elections are regulated by the Returning Officers' Fees and Charges Orders made by the Government.

Scale of fees

4. The primary purpose of setting a scheme for such fees and charges is to enable a budget for these elections to be worked up and fees to be paid to the RO, presiding officer, poll clerks and other individuals involved in running the election plus to cover the expenses around the nomination process, printing notices and (for contested elections), ballot papers, postal voting packs etc hiring polling stations and conducting the counts. Officers have reviewed the fees and charges structure with election specialist colleagues from within Oxfordshire who assist their returning officers in running elections. The fees and structure set out in the appendix to this report reflect those paid across Oxfordshire and specifically set by Oxfordshire County Council. Officers propose that the staffing fees are automatically amended to reflect changes agreed by Oxfordshire County Council to ensure a continued consistent approach across the county.
5. A number of fees for the RO are shown. The RO uses these fees to pay key staff for undertaking roles on their behalf as deputies.
6. The council has a statutory obligation to provide the RO such resources necessary to run effective elections. The adoption of a scale of fees and charges achieves this and provides transparency. In addition, the scale provides some indication to parish and town councils of the likely costs they will be liable to incur if there are contested elections in their area.

Charging parish and town councils for the costs of holding elections

7. Any expenditure incurred in the election of a parish councillor is rechargeable only on the parish or town for which the election was held. The 1983 Act makes provision for district councils to re-charge the relevant parish council for running elections on their behalf. Previously the council has levied such a charge. The RO recommends that a charge is levied and that where there is a combined district and parish election, this should be on the basis of equal apportionment of shared costs.

Climate and ecological impact implications

8. There are no direct climate or ecological implications arising from this report.

Financial Implications

9. If the council discontinues its current practice of recharging parish and town councils for the costs of running their elections, this will create a significant additional budget pressure. The council would have to meet any costs that it could not contain within the overall budget from the contingency fund.

Legal Implications

10. There is a requirement for the council to agree the scales of fees for district and parish council elections, neighbourhood planning referendums and parish polls; and to make a decision on recharging parish and town councils for the running of elections on their behalf.

Other implications

11. None.

Conclusion

12. This report asks council to agree scales of fees for district and parish council elections, neighbourhood planning referendums and parish polls; and to agree to charge parish councils for running their elections.

Background Papers

None.

NOTE: At a combined election of district or parish councillors, wherever appropriate and as far as practicable, the costs are to be shared on an equal basis between the relevant authorities, unless a particular expense can actually be allocated to a specific authority.

A. Principles

The core principles for payments to electoral services staff during an election/referendum period are that:

- Staff are recognised for the additional work they undertake, which includes working in the evening, on Saturdays, Sundays and bank holidays
- The payments are accountable and transparent
- The payments are straightforward to administer and understand
- Staff will know in advance the basis of their payments and what they will be paid for
- The payments are fair

B. Policy

- All authorised hours worked over and above contracted hours will be paid at the standard council rates for the individual's position from the notice of election/referendum through to one week following polling day.
- Named electoral staff who work on polling day in the office will receive a single fixed payment equivalent to that of a presiding officer.

NOTES:

1. "Electoral area" means any district ward, parish or parish ward for which a separate election is held.
2. The fees prescribed for presiding officers and poll clerks are for the hours of poll from 7am to 10pm.
3. With regard to other electoral activities and events where there is not a fees and charges order set by Government (this includes but is not limited to business and residential neighbourhood planning referendums, council tax referendums and local polls) this schedule shall be used as the basis for calculating the fees and charges.
