Key messages

This report summarises the findings from the 2011/12 audit which is almost complete. It includes the messages arising from my audit of your financial statements and the results of the work I have undertaken to assess your arrangements to secure value for money in your use of resources.

Financial statements

As at 20 September 2012 I expect to issue an unqualified audit opinion subject to completing outstanding work. I have not yet received or checked the amended accounts.

There are a number of issues to draw to your attention.

The level of errors in the accounts was much higher than expected in a year where there were no changes to how the accounts had to be presented. The errors and adjustments include:

- material errors in the Movement in Reserves Statement and note 7.
- removal of material adjustments to fixed assets to allow officers time to undertake a more detailed analysis.
- incorrectly setting off a debtor balance of £659k against a creditor balance of £924k;
- a complete re-write of the note to show how the service analysis agrees to the CIES figures; and
- completing and changing the IAS 19 pension disclosures to agree to the information given by the Actuary

Value for money (VFM)

I expect to conclude that you have made proper arrangements to secure economy, efficiency and effectiveness in your use of resources.

Certificate

I expect to issue my certificate when I give my opinion.

Before I give my opinion and conclusion

My report includes only matters of governance interest that have come to my attention in performing my audit. I have not designed my audit to identify all matters that might be relevant to you.

Independence

I can confirm that I have complied with the Auditing Practices Board's ethical standards for auditors, including ES 1 (revised) - Integrity, Objectivity and Independence.

I am not aware of any relationships that may affect the independence and objectivity of the Audit Commission, the audit team or me, that I am required by auditing and ethical standards to report to you.

The Audit Commission's Audit Practice has not undertaken any non-audit work for the Authority during 2010/12.

I ask the Audit and Governance Committee to:

- take note of the adjustments to the financial statements included in this report (appendix 2); and
- approve the letter of representation (appendix 3) on behalf of the Authority before I issue my opinion and conclusion.

Financial statements

The Authority's financial statements and annual governance statement are important means by which the Authority accounts for its stewardship of public funds. As elected Members you have final responsibility for these statements. It is important that you consider my findings before you adopt the financial statements and the annual governance statement.

Opinion on the financial statements

Subject to satisfactory clearance of outstanding matters, I plan to issue an audit report including an unqualified opinion on the financial statements. I have not yet received or checked the revised accounts. Appendix 1 contains a copy of my draft audit report.

Corrected errors

There were **4** material and **5** significant errors in the accounts. In addition to the errors noted below, there were numerous minor errors and inconsistencies within the notes for both 10/11 and 11/12 figures.

The level of errors was much higher than expected in a year where there were no changes to how the accounts had to be prepared or presented.

Details of the main errors are given below.

- The Movement in Reserves Statement entries did not correspond with the figures in the CIES. A number of the figures changed were material. Correcting this statement meant Note 7 also had to be changed.
- In preparation for the new Fixed Asset Register system (which will be used during 2012/13) officers reviewed the current excel spreadsheet asset register and found that the new system needed entries shown differently. This included taking changes made in previous years and redoing them under IFRS rules. The value of the changes was estimated at £3.713m. A similar change had been made to intangible assets for £566k. The working papers produced did not support these changes and they have been taken out of the 2011/12 accounts to allow officers time to undertake a more detailed analysis.
- Testing showed that the government creditor of £924k had been wrongly offset by the government debtor balance £659k. The figures have been corrected in the note and on the balance sheet.

- The IAS 19 pension disclosures were incomplete and did not contain material items. There were also differences between the information provided by the actuary and the figures in the notes.
- A note is required to show how the revenue analysis by service area agrees back to the CIES. The note in the statement did not do this, and many of the figures shown were wrong. The note has been completely changed.
- Hidden pension costs were wrongly treated in the notes for both exit packages and termination benefits.
- The note analysing the surplus on the collection fund did not agree to the figure on the statement.

Significant risks and my findings

I reported to you in my April Audit Plan the significant risks that I identified relevant to my audit of your financial statements. In Table 2 I report to you my findings against these risks.

Table 1: **Risks and findings**

Risk	Finding
<p>Icelandic banks</p> <p>The Council had £1m invested with an Icelandic bank (Lansbanki) when it collapsed. I needed to make sure the proper accounting treatment and disclosures were made for this.</p>	<p>I found that you had followed the latest guidance issued in both accounting for and disclosing this investment.</p>
<p>Payroll</p> <p>The Payroll service was fully outsourced to Capita in February 2012. I needed to make sure this did not pose a risk for the figures in the accounts.</p>	<p>By reviewing the work internal audit had done and the management controls brought in by officers I was able to conclude there was no risk to the figures in your accounts which come from the payroll system.</p>
<p>Valuation of property, plant and equipment (PPE)</p> <p>There have been problems in the past with the way the council arranges for, and evidences, the value of its PPE. As such I needed to look at how this was done to support the figures in the accounts.</p>	<p>I looked at the instructions you gave your valuer and the report he produced. I tested a sample of adjustments to asset values, and confirmed a sample of assets were held by the council. I concluded that it was appropriate for me to rely on his valuations, where relevant.</p>

Significant weaknesses in internal control

It is the responsibility of the Authority to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. My responsibility as your auditor is to consider whether the Authority has done this.

I have tested the controls of the Authority only to the extent necessary for me to complete my audit. I am not expressing an opinion on the overall effectiveness of internal control. I have reviewed the Annual Governance Statement and can confirm that:

- it complies with the requirements of CIPFA/SOLACE Delivering Good Governance in Local Government Framework; and
- it is consistent with other information that I am aware of from my audit of the financial statements.

I have not identified any weaknesses in controls during the audit that are relevant to preparing the financial statements.

Other matters

I am required to tell you my findings from the audit and other matters that are significant to your oversight of the Authority's financial reporting process including the following.

- Qualitative aspects of your accounting practices
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions.
- Other audit matters of governance interest

The number of errors in the accounts was much higher than expected in a year where there were no changes to the way the accounts had to be prepared. Processes within the Finance department to both prepare the accounts and check them need to be improved for the 2012/13 accounts.

Three current Members have not returned declarations showing if they have any related party interests. I have asked for assurance in the letter of representation about the risks relating to this, and to the risk of non returns by past Councillors.

Whole of Government Accounts

Alongside my work on the financial statements, I have also reviewed and reported to the National Audit Office on your Whole of Government Accounts return. The extent of my review and the nature of my report were specified by the National Audit Office. I have no matters to report.

Value for money

I am required to conclude whether the Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. This is the value for money conclusion.

I assess your arrangements against the two criteria specified by the Commission. I set out my findings on these below.

As reported in the Audit Plan, I did not identify any specific risks relating to my conclusion.

I intend to issue an unqualified conclusion stating that the Authority has proper arrangements to secure economy, efficiency and effectiveness in the use of its resources. I include my draft conclusion in Appendix 1.

Table 2: **Value for money conclusion criteria and my findings**

Criteria	Findings
<p>1. Financial resilience</p> <p>The organisation has proper arrangements in place to secure financial resilience.</p> <p>Focus for 2011/12:</p> <p>The organisation has robust systems and processes to manage effectively financial risks and opportunities, and to secure a stable financial position that enables it to continue to operate for the foreseeable future.</p>	<p>The Council delivered planned savings and continues to look for ways in which it can improve the way it delivers its' services.</p>
<p>2. Securing economy efficiency and effectiveness</p> <p>The organisation has proper arrangements for challenging how it secures economy, efficiency and effectiveness.</p> <p>Focus for 2011/12:</p> <p>The organisation is prioritising its resources within tighter budgets, for example by achieving cost reductions and by improving efficiency and productivity.</p>	<p>The Council continues to use joint working and its 'fit for the future' programme to provide services in an effective way.</p>

Fees

I reported my planned audit fee in the March 2011 Audit Plan.

I have been able to complete my audit within the planned fee. Work on claims and returns is ongoing.

Table 3: **Fees**

	Planned fee 2011/12 (£)	Expected fee 2011/12 (£)
Audit	103,232	103,232
Claims and returns	33,200	30,000
Total		

The Audit Commission has paid a rebate of £8,258 to reflect attaining internal efficiency savings, reducing the net amount payable to the Audit Commission to £94,974.

Appendix 1 – Draft independent auditor’s report

Opinion on the Authority financial statements

I have audited the financial statements of Vale of White Horse District Council for the year ended 31 March 2012 under the Audit Commission Act 1998. The financial statements comprise the Movement in Reserves Statement, the Comprehensive Income and Expenditure Statement, the Balance Sheet, the Cash Flow Statement, and Collection Fund and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2011/12.

This report is made solely to the members of Vale of White Horse District Council in accordance with Part II of the Audit Commission Act 1998 and for no other purpose, as set out in paragraph 48 of the Statement of Responsibilities of Auditors and Audited Bodies published by the Audit Commission in March 2010.

Respective responsibilities of the Strategic Director and auditor

As explained more fully in the Statement of the Chief Finance Officer’s Responsibilities, the Strategic Director is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom, and for being satisfied that they give a true and fair view. My responsibility is to audit and express an opinion on the accounting statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require me to comply with the Auditing Practices Board’s Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Authority’s circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Chief Finance Officer; and the overall presentation of the financial statements. In addition, I read all the financial and non-financial information in the explanatory foreword to identify material inconsistencies with the audited financial statements. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Opinion on financial statements

In my opinion the financial statements:

- give a true and fair view of the financial position of Vale of White Horse District Council as at 31 March 2012 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2011/12.

Opinion on other matters

In my opinion, the information given in the explanatory foreword for the financial year for which the financial statements are prepared is consistent with the accounting statements. The paragraph on future prospects on page 11 of the statements is excluded from my opinion.

Matters on which I report by exception

I report to you if:

- in my opinion the annual governance statement does not reflect compliance with 'Delivering Good Governance in Local Government: a Framework' published by CIPFA/SOLACE in June 2007;
- I issue a report in the public interest under section 8 of the Audit Commission Act 1998;
- I designate under section 11 of the Audit Commission Act 1998 any recommendation as one that requires the Authority to consider it at a public meeting and to decide what action to take in response; or
- I exercise any other special powers of the auditor under the Audit Commission Act 1998.

I have nothing to report in these respects

Conclusion on Authority's arrangements for securing economy, efficiency and effectiveness in the use of resources

Respective responsibilities of the Authority and the auditor

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

I am required under Section 5 of the Audit Commission Act 1998 to satisfy myself that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the Audit Commission requires me to report to you my conclusion relating to proper arrangements, having regard to relevant criteria specified by the Audit Commission.

I report if significant matters have come to my attention which prevent me from concluding that the Authority has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. I am not required to consider, nor have I considered, whether all aspects of the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

I have undertaken my audit in accordance with the Code of Audit Practice, having regard to the guidance on the specified criteria, published by the Audit Commission in October 2011, as to whether the Authority has proper arrangements for:

- securing financial resilience; and
- challenging how it secures economy, efficiency and effectiveness.

The Audit Commission has determined these two criteria as those necessary for me to consider under the Code of Audit Practice in satisfying myself whether the Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2012.

I planned my work in accordance with the Code of Audit Practice. Based on my risk assessment, I undertook such work as I considered necessary to form a view on whether, in all significant respects, the Authority had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of my work, having regard to the guidance on the specified criteria published by the Audit Commission in October 2011, I am satisfied that, in all significant respects, Vale of White Horse District Council put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2012.

Maria Grindley
District Auditor
Audit Commission

Date to be confirmed September 2012

Appendix 2 – Corrected errors

I identified the following material or significant errors during the audit which management have addressed in the revised financial statements.

		Statement of comprehensive income and expenditure		Balance sheet	
Item of account	Nature of error	Dr £'000s	Cr £'000s	Dr £'000s	Cr £'000s
Movement in Reserves statement	This statement did not agree with the figures on the CIES in a number of areas. This has also led to significant changes to Note 7 – adjustment between accounting basis and funding under regulations. At the time of preparing this report the value of the changes is not known.				
balance sheet	Assets held for sale reduced by £30k, and PPE increased by the same amount. This is also reflected in note 12a			30	30
note 21 - short term creditors	Government creditors overstated by £44k. Other entities creditors understated by the same amount			44	44
note 21 - Short term creditors note 18 - Short term debtors	Government debtors relating to housing benefit (659k) had been offset against the NNDR creditor balance (924k)			659	659

		Statement of comprehensive income and expenditure		Balance sheet	
Item of account	Nature of error	Dr £'000s	Cr £'000s	Dr £'000s	Cr £'000s
note 12a - fixed assets	Reversal of adjustments to gross book value and gross depreciation on PPE			2810	2810
	Vehicles plant and equipment			861	861
	infrastructure			15	15
note 15 - intangible assets	reversal of adjustments to gross carrying value and gross accumulated amortisation			566	566
Note 28b – reconciliation from Service analysis to CIES	The figures in the service analysis were not shown within the reconciliation, and there were a number of other errors. The note has been completely changed.	n/a	n/a	n/a	n/a
Note 31d - exit packages	The information within this note has been changed to remove hidden pension costs	n/a	n/a	n/a	n/a
note 37 - Termination benefits	The figures in the notes have been changed to include hidden pension costs	n/a	n/a	n/a	n/a
Note 38 – pensions disclosures	The note did not include all necessary disclosures and a number of the figures did not agree with the Actuary's report.	n/a	n/a	n/a	n/a

		Statement of comprehensive income and expenditure	Balance sheet
Collection Fund	The analysis of the surplus in note 4 to the Collection Fund did not agree with the figure on the statement.	n/a	n/a

In addition there were numerous small inconsistencies and adjustments that have been made as a result of the audit which I have not listed in this table.

Other adjustments that do not have a monetary impact on the statements included:

- removal of the accounting policy on Area Based Grants which ceased at the end of 2011.
- Additional PBSE note to explain the long term impact of the 250 year lease on Abingdon Shopping Centre

Appendix 3 – Draft letter of management representation

I confirm to the best of my knowledge and belief, having enquired of other officers and Members of Vale of White Horse District Council, the following representations relating to your audit of the Authority's financial statements for the year ended 31 March 2012.

Compliance with the statutory authorities

I have fulfilled my responsibility under the relevant statutory authorities:

- for preparing the financial statements in accordance with the Accounts and Audit (England) Regulations 2011 and the Code of Practice on Local Authority Accounting in the United Kingdom, which give a true and fair view of the financial position and performance of the Authority;
- for the completeness of the information provided to you; and
- for making accurate representations to you.

Supporting records

I have made available all relevant information and access to staff for the purpose of your audit. I have properly reflected and recorded in the financial statements all the Authority's transactions.

Irregularities

I acknowledge my responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud or error.

I also confirm I have disclosed:

- my knowledge of fraud, or suspected fraud, involving management, employees who have significant roles in internal control, or others where fraud could have a material effect on the financial statements;
- my knowledge of any allegations of fraud or suspected fraud affecting the financial statements made by employees, former employees, analysts, regulators or others; and
- the results of risk assessment the financial statements may be materially misstated as a result of fraud.

Law, regulations, contractual arrangements and codes of practice

I have disclosed all instances of non-compliance - known or suspected - with laws, regulations and codes of practice to be considered when preparing financial statements.

I have carried out transactions and events in accordance with law, regulation or other authority. The Authority has complied with all aspects of contractual arrangements that could have a material effect on the financial statements in the event of non-compliance.

I have disclosed to you all known actual or possible litigation and claims to be considered when preparing the statements. I have accounted for and disclosed them in accordance with the applicable financial reporting framework.

Accounting estimates including fair values

I confirm the significant assumptions used in accounting estimates are reasonable, including those measured at fair value.

Related party transactions

I confirm I have disclosed the Authority's related parties and all the related party relationships and transactions of which I am aware. I have appropriately accounted for and disclosed them in accordance with the Code.

In particular I confirm there are no risks as a result of non return of declarations from Cllrs Foggin, Hayward & Shelley, or from the non return of declarations from former Councillors.

Subsequent events

I have adjusted for, or disclosed in the financial statements, all relevant events after the date of the financial statements.
prior year financial statements. This affects the comparative information of Y. Any written representations made for the prior year are still valid.]

Signed on behalf of Vale of White Horse District Council

I confirm that the Audit and Corporate Governance Committee has discussed and agreed this letter on 27 September 2012.

Signed

Position

Date

Appendix 4 – Glossary

Annual Audit Letter

Letter issued by the auditor to the Authority after the completion of the audit that summarises the audit work carried out in the period and significant issues arising from auditors' work.

Annual Governance Report

The auditor's report on matters arising from the audit of the financial statements presented to those charged with governance before the auditor issues their opinion [and conclusion].

Annual Governance Statement

The annual report on the Authority's systems of internal control that supports the achievement of the Authority's policies aims and objectives.

Audit of the accounts

The audit of the accounts of an audited body comprises all work carried out by an auditor under the Code to meet their statutory responsibilities under the Audit Commission Act 1998.

Audited body

A body to which the Audit Commission is responsible for appointing the external auditor.

Auditing Practices Board (APB)

The body responsible in the UK for issuing auditing standards, ethical standards and associated guidance to auditors. Its objectives are to establish high standards of auditing that meet the developing needs of users of financial information and to ensure public confidence in the auditing process.

Auditing standards

Pronouncements of the APB that contain basic principles and essential procedures with which auditors must comply, except where otherwise stated in the auditing standard concerned.

Auditor(s)

Auditors appointed by the Audit Commission.

Code (the)

The Code of Audit Practice for local government bodies issued by the Audit Commission and approved by Parliament.

Commission (the)

The Audit Commission for Local Authorities and the National Health Service in England.

Ethical Standards

Pronouncements of the APB that contain basic principles relating to independence, integrity and objectivity that apply to the conduct of audits and with which auditors must comply, except where otherwise stated in the standard concerned.

Financial statements

The annual statement of accounts that the Authority is required to prepare, which report the financial performance and financial position of the Authority in accordance with the Accounts and Audit (England) Regulations 2011 and the Code of Practice on Local Authority Accounting in the United Kingdom.

Group accounts

Consolidated financial statements of an Authority and its subsidiaries, associates and jointly controlled entities.

Internal control

The whole system of controls, financial and otherwise, that the Authority establishes to provide reasonable assurance of effective and efficient operations, internal financial control and compliance with laws and regulations.

Materiality

The APB defines this concept as 'an expression of the relative significance or importance of a particular matter in the context of the financial statements as a whole. A matter is material if its omission would reasonably influence the decisions of an addressee of the auditor's report; likewise a misstatement is material if it would have a similar influence. Materiality may also be considered in the context of any individual primary statement

within the financial statements or of individual items included in them. Materiality is not capable of general mathematical definition, as it has both qualitative and quantitative aspects’.

The term ‘materiality’ applies only to the financial statements. Auditors appointed by the Commission have responsibilities and duties under statute, as well as their responsibility to give an opinion on the financial statements, which do not necessarily affect their opinion on the financial statements.

Significance

The concept of ‘significance’ applies to these wider responsibilities and auditors adopt a level of significance that may differ from the materiality level applied to their audit of the financial statements. Significance has both qualitative and quantitative aspects.

Those charged with governance

Those entrusted with the supervision, control and direction of the Authority. This term includes the members of the Authority and its Audit Committee.

Whole of Government Accounts

A project leading to a set of consolidated accounts for the entire UK public sector on commercial accounting principles. The Authority must submit a consolidation pack to the department for Communities and Local Government which is based on, but separate from, its financial statements.
