RECORD OF DECISION OF CABINET MEMBER OR KEY DECISION OF OFFICER			
1	Name of Decision maker	Councillor Reg Waite	
2	Type of Decision (Please ? as appropriate)	Key	Other Yes
3	Date of Decision (This should be the same as the date form signed)		
4	The Decision	That the Council remove their co-mingled recycling containers from all bring sites across the district.	
5	Reasons for Decision	<p>The Council's bring sites are provided for residents to dispose of recyclable waste. There is evidence that the sites are being misused by both householders and businesses, with large amounts of non-recyclable waste being found in, and next to, the containers. The level of contamination is now such that much of the waste cannot be recycled and instead goes to landfill. The sites are also very scruffy as waste gets dumped indiscriminately.</p> <p>There is a ready alternative available to householders, who can put additional recyclable material out next to their green bins for collection. Businesses should pay for the disposal of their waste.</p> <p>The proposals will not affect the separate recycling containers for clothes and shoes provided by charitable organisations.</p> <p>Following a period of public consultation the responses have been considered and broadly as many responses are for the removal of the containers as are for their retention.</p> <ul style="list-style-type: none">• 41 per cent agreed with their removal• 47 per cent disagreed with their removal• 12 per cent made comments. <p>An equality impact assessment has been completed.</p> <p>We will put notices up on the containers, in advance of their removal, advising residents when they will be taken away.</p> <p>We will write to land owners where the containers are on private</p>
