NOTES

1. This form needs to be completed by any Executive Member making an Executive Decision under delegated powers or by an Officer having authority to make a Key Decision on behalf of the Executive.
2. The Executive Member or Officer should complete this form as soon as he/she has considered all the issues and options and made a decision. The law requires the information contained in this form to be completed as soon as reasonably practicable after the decision has been taken.
3. It should be noted that where an Executive Member or Officer is to make a Key Decision no decision can be taken until three clear days after he/she has received a report which is also available for public inspection. Any reports relevant to the decision should be attached to this form.
4. In the case of a Key Decision, the Chair of the Scrutiny Committee should receive a copy of the report as well.
5. Any declarable interests of an Executive Member making a decision or being consulted by an Officer making a Key Decision needs to be revealed on the form along with any dispensations granted by the Standards Committee.
6. When completed this form should be sent to the **Strategic Director and Monitoring Officer** who shall retain it for future reference and public inspection.
7. The relevant statutory requirements are set in the 2000 Regulations (Regulations 3, 4 and 9) and are also mirrored in the Council's Constitution.
