Scale: 1:500, paper size: A4

32 London Street

REPLACEMENT WINDOWS:

It is intended to replace the windows like for like with wooden windows with slimline double glazing as per the description provided by Woodcraft Windows.

Figure 4: Description of works quoted by Woodcraft Windows: Second floor window

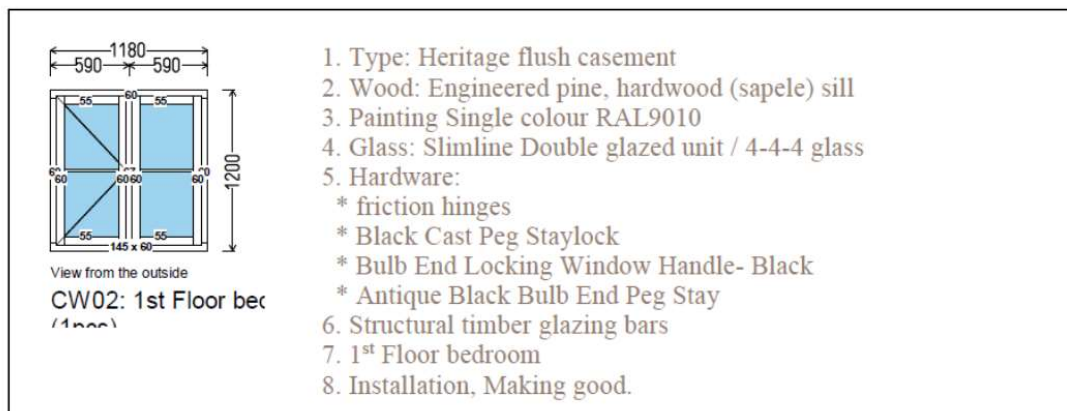

Figure 5: Description of works quoted by Woodcraft Windows: First floor window

These windows have been chosen to be in keeping with the existing windows. The continued use of slimline double glazing will ensure the windows provide a level of insulation in a style appropriate to the heritage of the property.

Access

Access required to carry out the works will be via the property's rear courtyard. If a scaffold tower is required, this will be located in the courtyard of 32 London St and not affect any other property's access.
