I highly endorse this proposal to increase the number of our councillors to seven. I have seen the confusion caused when the council is "hung"

Thank you

To increase the number of parish councillors in Uffington from six to seven.

I continue to support this proposal, which has been agreed previously.

Kind regards,

[REDACTED]

Uffington

Uffington Parish Council supports the request for an additional Councillor. The request is a re-application from 2017. The Council currently has an even number of members and feels it is necessary to have an odd number. We further feel that additional houses warrant an additional member.
