

### **Corporate Transformation Programme Projects**

The following key projects are categorised as strategic transformation and, thus, form the corporate transformation programme:

- Didcot gateway
- Waste vehicles depot
- Future waste service provision
- Ocella replacement
- Corporate landlord model
- Customer transformation
- IT exit from Capita
- Cornerstone (South)/Beacon (Vale) improvement plans

The corporate transformation programme will also lead the following delivery model decision points:

- Future waste model
- Future leisure model
- Future car parks model
- Future land charges model
- Future switchboard model
- Future out of hours model
- Didcot gateway funding
